**The Dust of Old Dole Road** Dan Oliver, 2011-06 No One Knows When or Why it Started Isn't That the Way it is with Those Who Abuse Others Something happened Some event or word or gesture or situation triggers an explosive response of uncontrolled anger and hatred directed toward the target of the abuser There are probably as many reasons as there are persons who fit the profile When sober Dad was in control Only when under the influence of the alcohol demon did he lose control So I tend to think that it was the drug that released the violent side of his character Without the alcohol Dad was loving and caring gentle and patient At least this was how I saw him In the mid twentieth century in a small Oregon logging community Dan Oliver lived with his family in conditions reminiscent of the pioneer days of the 1800s All modern conveniences were stripped away and the family learned to make do with what was available Throughout this

struggle of abject poverty the shadow of binge drinking hung like a storm cloud over the family When Dan s father started drinking the kids knew to run and hide on the slopes of Timber Butte Their mother would stay behind facing domestic violence and verbal abuse Eventually the storm would clear and life would return to normal every member of the family contributed to the survival no matter how young or small Life on Dole Road was full of hardships and suffering but more than that Dole Road was full of hope pride in what someone can do with his own two hands and faith in a God of mercy If you re struggling with making your own peace then let The Dust of Old Dole Road speak to you Book jacket **Schunard Mayhem**

**Pangloss** Martin Paul Mayer,2020-08-11 The appearance of a black Labrador retriever SCHUNARD MAYHEM PANGLOSS at the dilapidated southern plantation Frazier Hill signals a great transition in the life of miserly and misanthropic owner Martin Mayer Schunard relates stories about three years of life and travels with Martin Beginning his life in the garage Schunard gradually wins his way into Martin s heart and into the big house As his middle name implies Schunard Mayhem is the master of slapstick antics with a penchant for creating chaotic and hilarious scenes everywhere It is a literary coincidence that the real life Martin and Pangloss share names and personal attributes of similar characters in Voltaire s Candide As does his namesake in Candide Schunard Pangloss interprets the events of life philosophically sharing his crazy and often ill founded optimism in contrast to Martin s pervasive pessimism Schunard wins the hearts of everyone in his small town and breaks their hearts with his accidental death and heart wrenching public funeral Despite his tragically short life Schunard communicates the simple vision of a gentle and peaceful world as Voltaire would say the best of all worlds **Goodbye**
