Author and Title Index , 1975      **Quill & Quire** , 1992      **Forays into Swedish Poetry** Lars Gustafsson, 2014-05-02 When poet critic Lars Gustafsson was the editor of Bonniers Litter ra Magasin he was bombarded with the question What makes a good poem Forays into Swedish Poetry is his answer The fifteen poems in this volume range across the history of Swedish poetry from the 1640s at the beginning of the Period of Great Power to the late twentieth century Poets as diverse as Skogek r Bergbo Erik Johan Stagnelius August Strindberg and Vilhelm Ekelund are discussed from historical psychological and sociopolitical viewpoints However Gustafsson includes only those poems he considers excellent Each essay begins with a presentation of the poem both in Swedish and in English translation Gustafsson s analyses are built upon his subjective experiences with poems and poets and upon a more objective structural approach that investigates the actual machinery of the poems Thus Gustafsson enlightens us with his always imaginative sometimes daring analyses and we learn a great deal about the critic himself in the process One of his main concerns is what he calls in his discussion of Edith S dergran the very mysteriousness of human existence Time and again Gustafsson emphasizes the enigmatic arcane aspects of life in his analyses In contrast his vocabulary and approach also bespeak a constant interest in science and technology In his introduction Robert T Rovinsky the volume s translator presents examples of Gustafsson s various thematic interests as voiced in his poems several of which are translated here for the first time While The Machines explores his theory of people as automatons and Conversation between Philosophers his linguistic pessimism Gustafsson s work as a whole shows his enchantment with its major theme the intrinsic mystery of life      *Silent Muse Poetry* Ariele Tee, 2020-06-18 A message to you from me to those of you hurting without a voice to keep a collection of pretty things and spoken word poetry      *Epitaph and Other Poems* Ramachandran, 2021-05-19 Ramachandran is an extra ordinary individual who lived an ordinary life 1924

2008 His poems speak about his life dreams disappointments anger pain joys and sorrows Poignant evocative relatable and haunting Kept scribbled in his notebook and not shared with any during his lifetime His Epitaph is best said in his own words You lived a life full of strife To be an example of what is life Death descended to stop this strife Rest is a must after such a life An extra ordinary reading experience penned by an ordinary man relatable to all poetry lovers This compilation includes four poems written by his son and daughter about late Ramachandran *Readings in Syrian Prison Literature* R. Shareah Taleghani, 2021-06-21 The simple act of inscription both minute and epic can be a powerful tool to bear witness and give voice to those who are oppressed silenced and forgotten In the eras of Hafiz al Asad and his son Bashar Syrian political dissidents have written extensively about their experiences of detention both while in prison and afterwards This body of writing largely untranslated into English is essential to understanding the oppositional political culture among dissidents since the 1970s a culture that laid the foundation for the 2011 Syrian Revolution The emergence of prison literature as a specific genre helped articulate opposition to authoritarian states including the Asad regime However the significance of Syrian prison literature goes beyond a form of witnessing expressing creative opposition and illuminating the larger cultural and historical backstory of the Syrian uprising Prison literature in all its diversity challenges the narrative structures and conventional language of human rights In doing so prison literature has played an essential role in generating the experimental shift in Arabic literature since the 1960s Taleghani's groundbreaking work explores prison writing's critical role in resistance movements in Syria the evolution of Arabic literature and the development of a global human rights

**POETRY** Ron Matsusaki, 2023-07-23 This book of poetry spans two decades of my life and my heart This book is not just a book of poetry Rather it is a book of insights about life that gleaned personally over two decades More than the entertainment value the poems may provide I share with you something much deeper To assist you I have tried to categorize the themes in chapters and provide explanatory endnotes and cross references My first poem RUNNING was written in 2002 during a time of turmoil in my life I was looking for an answer as to why my life seemed to be going downhill RUNNING therefore was written with a negative bias toward myself The poems that followed were largely based on experiences that in one way or another also touched my heart I call poetry The Music of My Heart because in them my heart speaks singing a fanciful or heavy song or something in between I write in a style I call freelance They may rhyme or they may not rhyme or they might be a mixture of both Almost all poems are metaphors Almost all bear a message that is usually expressed in the last verse I often personify inanimate objects When I begin a poem I have no idea whatever of what a poem is about to express I just let my heart speak I never plan a poem a word or phrase randomly pops into my mind I sit down and I let my heart say what it tells me it has to say Only at the end do I know what I have just written and give it a title The first half of the book contains the lighter poems and the second half contains heavier moods and themes The transition occurs in PRINCE EDWARD ISLAND The poems are sectioned according to theme but there is considerable overlap I have provided explanatory

endnotes especially for the poems of PRINCE EDWARD ISLAND which may have esoteric references e g DEVIL S TABLE THE DEVIL S PRICE If however you the reader derive a personal insight benefit from any given poem I suggest you refrain from reading the endnote Doing so could change the benefit you derive I emphasize that this is your book to derive whatever you might I purposely left UNIVERSE the most important chapter to the end as UNIVERSE expresses the denouement of my life Littell's Living Age ,1883 **The Living Age** ,1883 *Sustainable Development, Humanities, and Social Sciences for Society 5.0* Wongmahesak, Kittisak,Wekke, Ismail Suardi,Suanpang, Pannee,2024-10-11 In a world where business is increasingly influenced by rapid technological advancements and shifting societal norms the definition of success has undergone a fundamental transformation Profitability once the sole measure of achievement now shares the stage with sustainability as a critical component of business performance As we transition into Society 5 0 a hyper connected era where technology and human values converge redefining success to include sustainability becomes not just desirable but essential Sustainable Development Humanities and Social Sciences for Society 5 0 explores this paradigm shift presenting a forward thinking perspective on the intersection of technological innovation and sustainable business practices This comprehensive volume bridges the gap between emerging technologies and the imperative for businesses to thrive in a way that benefits society and the environment Through a curated collection of insights strategies and case studies the book offers a valuable resource for understanding how to achieve continuous good performance while making a positive impact in the age of Society 5 0 .....And the Dogs Were Silent/.....Et les chiens se taisaient Aimé Césaire,2024-06-28 Available to readers for the first time Aim C saire s three act drama And the Dogs Were Silent written during the Vichy regime in Martinique in 1943 and lost until 2008 dramatizes the Haitian Revolution and the rise and fall of Toussaint Louverture as its heroic leader This bilingual English and French edition stands apart from C saire s more widely known 1946 closet drama Following the slave revolts that sparked the revolution Louverture arrives as both prophet and poet general and visionary With striking dramatic technique C saire retells the revolution in poignant encounters between rebels and colonial forces guided by a prophetic chorus and Louverture s steady ethical and political vision In the last act we reach the hero s betrayal his imprisonment and his last stand against the lures of compromise C saire s masterwork is a strikingly beautiful and brutal indictment of colonial cruelty and an unabashed celebration of Black rebellion and victory **Idle Hours, No. 8771** Edward L.
