Shackling The Defenders Legal Restrictions On Independent Human Rights Advocacy Worldwide:

The Development of International Human Rights Law Fionnuala D. Ní Aoláin, 2017-07-05 The essays selected for this volume written by some of the worlds most respected experts on human rights encompass the development of human rights law from its philosophical underpinnings and address many of its current controversies The collected essays explore the drafting of major human rights instruments including the political challenges that shaped those instruments examine the interrelationship of various claimed rights and identify factors producing compliance with and violation of human rights law Other contributions analyze the role of non governmental organizations in achieving better human rights protections as well as the danger of claiming too many rights and the tension between rights and security Contrasting viewpoints in several essays highlight some of the key conflicts in the field An introductory essay provides a roadmap marking the collection s major themes and tracing the relationship between those themes Taken together the essays emphasize the legal underpinnings of the human rights regime and as such the collection provides an essential wide ranging account of this important part of international law procedure and practice

NGO's and the Universal Declaration of Human Rights W. Korey, 2001-02-02 When the Universal Declaration of Human Rights was adopted 50 years ago Eleanor Roosevelt its principal architect predicted that a curious grapevine would carry its message behind barbed wire and stone walls This book tells the extraordinary story of how NGOs became the grapevine she anticipated sharpening our awareness about the violations of human rights shaming its most notorious abusers and creating the international mechanisms to bring about implementation of the Declaration Korey traces how NGO s laid the groundwork for the destruction of the Soviet empire as well as of the apartheid system in South Africa and established the principle of accountability for crimes against humanity The notion of human rights has progressed from being a marginal part of international relations a half century ago to stand today as a critical element in diplomatic discourse and this book shows that it is the NGOs that have placed human rights at the centre of humankind s present and future agenda

Human Rights in Development, Volume 4 Hugo Stokke, Professor of International Relations Astri Suhrke, Astri Suhrke, Østein Rygg Haanaes, Arne Tostensen, 2023-03-13 The tenth in a series of yearbooks this edition contains articles on topical human rights issues as well as surveys of individual countries A new feature is that more attention is given to self monitoring articles investigating the human rights policies of countries in the North on specific issues and sectors Another feature is that more effort is given to collaboration between institutions in the North and the South in writing articles and surveys Both will be strengthened in future editions The topics covered this year are development aid in support of indigenous peoples in Latin America Dutch experiences with the linkage of aid to human rights observance in Mozambique and an evaluation of Norway s human rights policies and aid with regard to the Palestinian areas in the wake of the Oslo Agreement As a regular feature the Yearbook assesses human rights trends in various countries of the South covering the full range from civil and political rights to economic social and cultural rights This year s edition
