

SHADE

The background of the book cover is a photograph of a garden. A narrow, light-colored dirt path winds through the center of the frame, leading from the bottom towards the middle ground. The path is flanked by dense green foliage, including various leafy plants and ferns. In the mid-ground, there are patches of purple flowers, possibly lavender or similar. Several trees with slender trunks are scattered throughout the scene, their canopies forming a dense green overhead cover. Sunlight filters through the leaves, creating dappled light and shadows on the ground and plants. The overall atmosphere is peaceful and natural.
