A Shadow at Winter's Fall Peter Spano, 2025-08-05 I had to reach for the greatest thing I ever wanted without destroying the greatest thing I ever had What happens when the lines of friendship become blurred Marla and Tommaso have shared everything except the truth From their teenage years in New York City to their sophisticated lives abroad theirs has always been a friendship defined by loyalty and secrets Now living in Paris and spending time together in Milan each has chosen a different path in life and love yet neither has ever walked away One heart quietly longs for more The other doesn't see it perhaps refuses to Silence grows heavier with time and the cost of speaking up begins to rival the cost of staying quiet *A Shadow at Winter's Fall* is a slow burn story of emotional restraint and impossible longing Set against the elegance of Europe's most romantic cities it explores what it means to want something you were never meant to have and the courage it takes to risk the one connection you've spent a lifetime protecting For readers who find the deepest love stories are told in silence in longing and in what's left unsaid
