Cynthia Winton-Henry, 2009 Seize the joy and healing power of dance Drawing from her years of experience as a dance and movement teacher and as cofounder of the international dance organization InterPlay Cynthia Winton Henry helps you overcome your embarrassment or anxiety and discover in dance a place of solace and restoration as well as an energizing spiritual force She taps into the spirit of dancing throughout history and in many world cultures to provide detailed exercises that will help you learn to trust your body and interpret its physical and spiritual intentions For both newcomers and seasoned movers alike she encourages you to embrace dance as a spiritual tool to **Grasping Shadows** William Chapman Sharpe, 2017-08-04 What's in a shadow Menace seduction or salvation Immaterial but profound shadows lurk everywhere in literature and the visual arts signifying everything from the treachery of appearances to the unfathomable power of God From Plato to Picasso from Rembrandt to Welles and Warhol from Lord of the Rings to the latest video game shadows act as central players in the drama of Western culture Yet because they work silently artistic shadows often slip unnoticed past audiences and critics Conceived as an accessible introduction to this elusive phenomenon Grasping Shadows is the first book

that offers a general theory of how all shadows function in texts and visual media Arguing that shadow images take shape within a common cultural field where visual and verbal meanings overlap William Sharpe ranges widely among classic and modern works revealing the key motifs that link apparently disparate works such as those by Fra Angelico and James Joyce Clementina Hawarden and Kara Walker Charles Dickens and Kumi Yamashita Showing how real world shadows have shaped the meanings of shadow imagery Grasping Shadows guides the reader through the techniques used by writers and artists to represent shadows from the Renaissance onward The last chapter traces how shadows impact the art of the modern city from Renoir and Zola to film noir and projection systems that capture the shadows of passers by on streets around the globe Extending his analysis to contemporary street art popular songs billboards and shadow theatre Sharpe demonstrates a practical way to grasp the dark side that looms all around us **Angela Carter's Pasts** Sarah Gamble, Anna

Watz, 2025-02-20 This book provides a fresh look at Angela Carter's critical and intertextual engagements with the past Examining a broad range of Carter's work novels short stories poetry as well as stage plays the essays in this collection explore a stimulating selection of topics including folk song medieval literature magic realism and the occult Frequently drawing on newly available archival material the volume lays out the ways in which Carter wove allusions into her own narratives creating a lively and challenging dialogue with the cultural materials of the past and present This volume will appeal both to scholars and students of contemporary women's writing critical theory gender studies and British fiction
