Shadow Of Heaven The Life Of Lester Pearson Volume One 18971948:

Shadow of Heaven John English, 1990 **Pearson** Norman Hillmer, 1999 Hillmer history Carleton U and a host of other scholars journalists and government officials assess the legacy of Lester B Pearson Canada's Prime Minister during the 1960s to mark the centenary of his birth Pearson was tremendously successful during his diplomatic career even winning a Nobel Peace Prize He was also a controversial prime minister and the authors examine all of the paradoxes and controversies of his tenure Topics include Canadian national unity Pearson's world view and theories of politics his relationship with the media and his legacy Annotation copyrighted by Book News Inc Portland OR Rise to Greatness, Volume 1: Colony (1000-1867) Conrad Black, 2017-03-07 Masterful ambitious and groundbreaking this is a major new history of our country by one of our most respected thinkers and historians a book every Canadian should own From the acclaimed biographer and historian Conrad Black comes the definitive history of Canada a revealing groundbreaking account of the people and events that shaped a nation The first of three volumes spanning from the year 1000 to 1867 and beginning with Canada's first inhabitants and the early explorers this masterful history challenges our perception of our history and Canada's role in the world taking on sweeping themes and vividly recounting the story of Canada's development from colony to dominion to country Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness the opposite is in fact true the emergence of a magnificent country against all odds was a remarkable achievement Brilliantly conceived this major new reexamination of our country's history is a riveting tour de force by one of the best writers writing today Rise to Greatness, Volume 2: Dominion (1867-1949) Conrad Black, 2017-04-04 Sweeping ambitious and revelatory this is the second volume in a major history of our country by one of our most respected thinkers and historians a book every Canadian should own From the acclaimed biographer and historian Conrad Black comes the definitive history of Canada a masterful groundbreaking account of the people and events that shaped a nation The second of three volumes spanning from the year 1867 1949 this compelling history challenges our perception of our history and Canada's role in the world taking on sweeping themes and vividly recounting the story of Canada's development from colony to dominion to country Black persuasively reveals that while many would argue that Canada was perhaps never predestined for greatness the opposite is in fact true the emergence of a magnificent country against all odds was a remarkable achievement Brilliantly conceived this major new reexamination of our country's history is a riveting tour de force by one of the best writers writing today **The Good Fight** Brendan Kelly, 2019-11-01 Before official bilingualism was established in 1969 francophones were scarce in the Canadian public service Marcel Cadieux was one of the few becoming arguably the most important francophone diplomat and civil servant in Canadian history Brendan Kelly's insightful entertaining biography draws on extensive archival research and interviews to reveal a complex figure Cadieux held the nationalist views of many young French Canadians in the 1930s yet he made the distinctly unconventional decision to join the Department of External Affairs in 1941 Public service became the

vocation of this blunt funny strong minded and sometimes undiplomatic diplomat Against the backdrop of rising Quebec separatism and the Cold War he headed the department from 1964 to 1970 and served as Canada's first francophone ambassador to the United States from 1970 to 1975 Cadieux's profound belief in the dignity of service speaks eloquently to readers today when professionalism and expertise are often undervalued *Canada from the Outside in / Le Canada Vu D'ailleurs* Pierre Anctil, Zilá Bernd, 2006 Selected papers presented at the International Council for Canadian Studies biennial conference held May 25-27 2005 People, Politics, and Purpose Greg Donaghy, P. Whitney Lackenbauer, 2023-02-15 Biography is not on the periphery of history but in the middle of it historian Peter Waite astutely remarked *People Politics and Purpose* brings the historian's myriad tools to bear on Canadians from prime ministers to lumberjacks to Indigenous leaders Drawing on the rich details of biography the what the contributors also address the larger questions of motivation the so what that drive history In the process they prove the value of analyzing both macro and micro dynamics within Canadian politics and society to illuminate the roles of political actors As such the biographies in *People Politics and Purpose* are not simply stories about the lives of individuals but critical reflections on subjects who are directly involved in and affected by politics in Canada This book makes for lively reading that stimulates fresh thinking about political biography and the direction of political history more generally **Rise to Greatness** Conrad Black, 2014 Controversial newspaper publisher and historian Conrad Black has written a definitive history of Canada This is a revealing account of the people and events that shaped a nation Spanning from 874 to 2014 and beginning with Canada's first inhabitants and the early explorers this masterful history challenges our perception of our history and Canada's role in the world From Champlain to Carleton Baldwin and Lafontaine to MacDonald Laurier and King from Canada's role in peace and war to Quebec's quest for autonomy Black takes on sweeping themes The Life and Death of Norman McLeod Rogers Barry Cahill, 2022-10-07 Rhodes Scholar Norman McLeod Rogers 1894-1940 was Canada's Minister of National Defence and heir apparent to Prime Minister W L Mackenzie King when he was killed in the mysterious crash of the Royal Canadian Air Force bomber in which he was travelling en route from Ottawa to Toronto to deliver a speech This book presents the story of his brief but brilliant career and his tragic death *Being Prime Minister* J.D.M. Stewart, 2018-06-16 *Being Prime Minister* sheds light on the lives of prime ministers as ordinary people examining them through a variety of experiences most Canadians share **Canada's Department of External Affairs, Volume 2** John Hilliker, Donald Barry, 1990 The second volume of the official history of the Department of External Affairs *Coming of Age* covers a period of remarkable expansion and achievement in the history of Canadian external relations *Woman of the World* Mary Kinnear, 2004-01-01 Kinnear's acute character study illuminates at the individual level important aspects of twentieth century politics and society Our Glory and Our Grief Ian Hugh Maclean Miller, 2002-01-01 *Our Glory and Our Grief* offers a fresh look at the First World War's effect on Canada's second largest city What happened in Toronto What did citizens know about the front How were the enormous sacrifices of the war

rationalized **Arctic Modernities** Heidi Hansson, Anka Ryall, 2018-01-23 Less tangible than melting polar glaciers or the changing social conditions in northern societies the modern Arctic represented in writings visual images and films has to a large extent been neglected in scholarship and policy making However the modern Arctic is a not only a natural environment dramatically impacted by human activities It is also an incongruous amalgamation of exoticized indigenous tradition and a mundane everyday The chapters in this volume examine the modern Arctic from all these perspectives They demonstrate to what extent the processes of modernization have changed the discursive signification of the Arctic They also investigate the extent to which the traditions of heroic Arctic images whether these traditions are affirmed contested or repudiated have continued to shape influence and inform modern discourses Sometimes the Arctic is seen as synonymous with modernity itself Sometimes it appears as a utopian space signalling a different future However it still often represents the continued survival within modernity of the past as nostalgia longing dream and myth **Fight Or Pay** Desmond Morton, 2004 One Canadian in eight volunteered to fight between 1914 and 1918 and more than half of them were enlisted Soldiers left their families behind to the tender mercy of a tight fisted government and the Canadian Patriotic Fund a national charity dominated by its wealthy donors In time the soldiers were remembered as the sacrificial heroes who won Canada a respected place in the world The women who paid in loneliness and poverty were as easily forgotten as their letters soaked in blood and Flanders mud Fight or Pay tells the story of what happened to the soldiers families and their quiet contributions to a fairer deal for Canadians in peace and war *While Canada Slept* Andrew Cohen, 2011-02-04 For how much longer can Canada expect to get a free ride With 9 11 and the international war on terrorism the time has come to ask some hard questions Should we continue to starve our military reduce our humanitarian assistance dilute our diplomacy and absent ourselves from global intelligence gathering Can we expect to sit at the global table by virtue of our economic power without pursuing a foreign policy worthy of our history geography and diversity Canada has been getting by on the cheap writes Andrew Cohen in this timely forceful and insightful new book Our reluctance to pay our own way has had a cost it has eroded the pillars of our international stature We are still trading on the reputation this country built two generations ago but it is a reputation we no longer deserve We claim to be engaged abroad but for too long we have been a freeloader trying to do the same for less practising pinch penny diplomacy and foreign policy on the cheap Our capacity in these key areas has become glaringly inadequate and now that weakness is compromising our ability to honour our traditional commitments overseas The time is ripe for a thorough re examination of our foreign policy to affirm our values to win the respect of our allies to carry our weight How Canadians Communicate IV David Taras, Christopher Robb Waddell, 2012 Substantial changes have occurred in the nature of political discourse over the past thirty years Once traditional media dominated the political landscape but in recent years Facebook Twitter blogs and Blackberrys have emerged as important tools and platforms for political campaigns While the Canadian party system has proved surprisingly resilient the rhythms of political life are now

very different. A never ending 24 hour news cycle has resulted in a never ending political campaign. The implications of this new political style and its impact on political discourse are issues vigorously debated in this new volume of *How Canadians Communicate* as is the question on every politician's mind. How can we draw a generation of digital natives into the current political dialogue? With contributions from such diverse figures as Elly Alboim, Richard Davis, Tom Flanagan, David Marshall and Roger Epp, *How Canadians Communicate IV* is the most comprehensive review of political communication in Canada in over three decades, one that poses questions fundamental to the quality of public life.

The Unexpected Louis St-Laurent Patrice Dutil, 2020-11-01 Much of Canada's modern identity emerged from the innovative social policies and ambitious foreign policy of Louis St. Laurent's Liberal government. His extraordinarily creative administration made decisions that still resonate today on health care, pensions and housing, on infrastructure and intergovernmental issues, and further afield in developing Canada's global middle power role in global affairs and resolving the Suez Crisis. Yet St. Laurent remains an enigmatic figure. Contributors to *The Unexpected Louis St. Laurent* assess the degree to which he set the policy agenda. They explore the features of his personality that made him effective or sometimes less so, the changes he wrought on the state apparatus and federal-provincial relations, and the substance of his government's policies. This wide-ranging collection fills a great void in Canadian political history, bringing together seasoned professionals and new scholars to investigate the far-reaching influence of a politician whose astute policies and bold resolve moved Canada into the modern era.

Walter Gordon and the Rise of Canadian Nationalism Stephen Azzi, 1999-05-25 *Walter Gordon and the Rise of Canadian Nationalism* is an examination of the origins of Walter Gordon's nationalist ideology and its impact on Canada. It traces his ideas from his family influences and the intellectual currents present in his early years to his work as a chartered accountant, public servant and head of a small conglomerate. Drawing on extensive interviews and impressive research, Azzi provides not only a biography of an important political figure but a significant study of the political and intellectual controversies that Gordon and his ideas created, shedding light on the larger political and economic questions of the postwar era.

The North Atlantic Treaty Organization, 1948-1957 John C. Milloy, 2006-03-22 Milloy challenges the view that creating greater alliance unity has usually been only a Canadian preoccupation. Other members, notably the United States and Britain, displayed a sincere interest as well, and further suggests that Canadian actions sometimes acted as an impediment. He argues that the idea failed partly because the lack of an agreed-upon definition for NATO's non-military potential hampered focused discussion. With NATO facing a post-9/11 relevancy crisis, Milloy shows that there are parallels to the inter-alliance struggles of the 1950s and that many of the early frustrations and obstacles are still present.
