Real Life at the White House John Whitcomb, Claire
Whitcomb, 2002 An irresistible chronological overview of daily life in the presidential residence Divided into 42 chapters
representing each succeeding administration this survey is brimming with fun facts tantalizing tidbits and memorable
anecdotes detailing two centuries of domestic bliss and strife in the White House From George Washington who chose the
site and initiated work on the presidential mansion to Bill Clinton whose well documented White House escapades titillated
and scandalized the nation each individual president has contributed to the mystique of the most readily recognized home in
the U.S. Together with scores of drawings portraits and photographs the breezy text chronicles the significant physical social
and emotional changes wrought by each First Family as they sought to personalize daily life in the White House *The
Scarlet Thread of Scandal* Charles W. Dunn, 2000 Never before have Americans been more concerned about the moral
dimensions of presidential leadership What role should morality play in the decision making of our most powerful elected
official What did the Founders think about the significance of morality in this cherished political institution Does the private
behavior of a president influence his or her ability to lead our nation In *The Scarlet Thread of Scandal* eminent scholar
Charles W. Dunn turns a penetrating eye to the history of presidential scandals to answer these and other pressing questions
Scandals are surely nothing new in the White House ever since the creation of the republic presidents have made morally
questionable judgments whether constitutional ethical legal or personal In eloquent and judicious prose Dunn chronicles the
numerous controversies in presidential history paying particular attention to their impact on the American people and public
memory *The Scarlet Thread of Scandal* will make all Americans think differently about past present and future presidents

The Health of the Presidents John R. Bumgarner, M.D., 2024-10-11 Surrounded by well meaning aides physicians sworn
to confidentiality and in some cases sycophants the president of the United States usually keeps the state of his health well
guarded from the American public Though the intention of the 25th Amendment is to provide for the removal of an impaired
president the level of discretion involved in such a decision has caused many to question whether it serves the national

interest In large part the men who have served as president have been past middle age and susceptible to the same maladies as the rest of the aged population The complete medical history of each of the first 41 U S presidents emphasizing illnesses that affected them during their administrations is here set out for the lay reader by a physician The presidents health care regimens diet exercise home remedies etc and physicians treatments are also discussed [The City and Sex](#) , Mary Beth McConahey,2015-10-08 The City and Sex examines American political sex scandals at the national level Studying these events over time with an emphasis on the evolving responses of both statesmen and citizens reveals the republic's deteriorating moral health and illuminates the country's dangerous tendency toward servitude Using scandals as a window through which to glimpse our deterioration the book identifies a trajectory of decline beginning in the twentieth century by which Americans became less tutored in virtue less spirited in citizenship less agreed on questions of moral significance and ultimately less dexterous in exercising the skills of self government It seeks to show that the freedom from virtue won through the collapse of moral standards has produced an American citizenry increasingly prone to the kind of dependence and enslavement Alexis de Tocqueville cautioned against in the 1830s **The President Is Dead!** Louis L. Picone,2020-02-04 Updated Edition A fun anecdote filled encyclopedic look at the circumstances surrounding the deaths of every president and a few almost presidents such as Jefferson Davis Packed with fun facts and presidential trivia The President Is Dead tells you everything you could possibly want to know about how our presidents from George Washington to George H W Bush who was the most recent president to die met their ends the circumstances of their deaths the pomp of their funerals and their public afterlives including stories of attempted grave robberies reinterments vandalism conspiracy theories surrounding their deaths and much more The President Is Dead is filled with never before told stories including a suggestion by one prominent physician to resurrect George Washington from death by transfusing his body with lamb's blood You may have heard of a plot to rob Abraham Lincoln's body from its grave site but did you know that there was also attempts to steal Benjamin Harrison's and Andrew Jackson's remains The book also includes Critical Death Information which prefaces each chapter and a complete visitor's guide to each grave site and death related historical landmark An Almost Presidents section includes chapters on John Hanson first president under the Articles of Confederation Sam Houston former president of the Republic of Texas David Rice Atchison president for a day and Jefferson Davis Exhaustively researched The President Is Dead is richly layered with colorful facts and entertaining stories about how the presidents have passed Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **Presidential Wives**

Paul F. Boller, 1998 At once funny and poignant dramatic and illuminating this anecdotal history covers every First Lady from Martha Washington to Hillary Rodham Clinton A marvelously entertaining work Newsday *First Ladies* Betty Boyd Caroli, 2003 Examines United States Presidential First Ladies through 2003 **Presidential Anecdotes** Paul F. Boller, 1996-10-03 Dramatic poignant hilarious and sentimental anecdotes about our presidents are as varied as the presidents themselves This new and revised edition of Presidential Anecdotes recounts some of the most striking stories about America's 42 chief executives from Washington to Clinton shedding light on the presidents as human beings and on the culture that produced them *The Bully Pulpit and the Melting Pot* Hans P. Vought, 2004 Between 1897 and 1933 the presidents of the United States joined progressive reformers in redefining the concept of the United States as a melting pot Their use of this metaphor to describe assimilation never meant that immigrants had to completely abandon their ethnic cultures Instead they argued that the melting pot blended the best of the immigrants traits and traditions to create a new American race united by patriotism and committed to liberal political and economic ideals While nativists regarded new immigrants from southern and eastern Europe as incapable of assimilation the presidents celebrated immigrant contributions to America and emphasized the need to improve immigrants lives through education resettlement away from urban ghettos and economic uplift The president's speeches letters and administrative records reveal consistent support for the melting pot model as an alternative to nativist racism While McKinley Roosevelt Taft and Wilson supported the exclusion of racial aliens and those with mental or physical illness they repeatedly praised the new immigrants for embracing American ideals while maintaining their ethnic cultures They argued that everyone should be judged by their moral character rather than their ancestry World War I raised fears of disloyal aliens that Roosevelt and Wilson heightened by denouncing hyphenated Americans Harding Coolidge and Hoover continued to use melting pot rhetoric however rather than endorsing coercive assimilation The melting pot legacy lives on and still offers a middle ground between the demands for national unity and multiculturalism *Edward Terry Sanford* Stephanie L. Slater, 2024-01-12 In Edward Terry Sanford A Tennessean on the U S Supreme Court Stephanie Slater uncovers the life and work of Edward Terry Sanford 1865 1930 the only Supreme Court justice who obtained his undergraduate degree from the University of Tennessee Born and raised in Knoxville Sanford served as an associate justice on the United States Supreme Court from 1923 until his death in 1930 He was one of only six Tennesseans to serve on the nation's highest Court Slater's delineation of Sanford's contributions to the legal profession illuminates one of Tennessee's favorite sons whose story had until now been largely left in the dark Slater frames Sanford's personality and jurisprudence in a post Civil War and Taft era context one that helps readers better understand both the man and his contributions to the Supreme Court From Slater's important work we learn about Sanford's early upbringing the lasting impression a largely pro Union East Tennessee would leave upon Sanford his rise from a skilled lawyer to federal judge during the rapid industrialization of Knoxville and the surrounding area and his eventual appointment to the Supreme

Court Within Sanford's rich legacy is the pivotal role he played in writing the majority opinion in the landmark 1925 case *Gitlow v New York* a decision which became a critical legal precedent for the expansion of civil rights and civil liberties in the 1950s and 1960s Slater provides a keen look into the life of a Knoxville native whose life and career may now be appreciated and studied by a new generation Sanford his character and his life as a Tennessean on the Supreme Court are sure to intrigue legal scholars students of Tennessee culture and history and general audiences alike Stephanie L Slater a three time graduate of the University of Tennessee has worked in the state and federal court systems in Tennessee since obtaining her J D in 1990 Her articles have appeared in the Journal of Supreme Court History and Tennessee Law Review

A City in Terror Francis Russell, 2005-05-15 On September 9 1919 an American nightmare came true The entire Boston police force deserted their posts leaving the city virtually defenseless Women were raped on street corners stores were looted and pedestrians were beaten and robbed while crowds not only looked on but cheered The police strike and the mayhem that followed made an inconspicuous governor Calvin Coolidge known throughout America turning him into a national hero and eventually a president It also created a monster for two days more than 700 000 residents of Boston's urban core were without police protection and the mob ruled the streets

Keeping the Covenant Warren F. Kuehl, 1997 Following the Senate rejection of US membership in the League of Nations diverse groups of American internationalists launched a campaign to reverse this defeat of their ideals This text traces their efforts during the interwar period their political struggle and massive public opinion lobbying

Adventism and the American Republic Douglas Morgan, 2001 Adventism and the American Republic tells how their convictions led Adventist adherents to become champions of religious liberty and the separation of church and state all in the interest of delaying the fulfillment of a prophecy that foresees the abolition of most freedoms Through publication of Liberty magazine lobbying of legislatures and pressing court cases Adventists have been libertarian activists for more than a century and in recent times this stance has translated into strong resistance to the political agendas of Christian conservatives Drawing on Adventist writings that have never been incorporated into a scholarly study Morgan shows how the movement has struggled successfully to maintain its identifying beliefs with some modifications and how their sectarian exclusiveness and support of liberty has led to some tensions and inconsistencies

BOOK JACKET

Presidential Misconduct James M. Banner Jr., 2019-07-02 Named a best book of the year by The Economist and Foreign Affairs A whole book devoted exclusively to the misconduct of American presidents and their responses to charges of misconduct is without precedent from the introduction to the 1974 edition by C Vann Woodward Pulitzer Prize winning Yale historian The historic 1974 report for the House Committee on the Judiciary updated for today by leading presidential historians In May 1974 as President Richard Nixon faced impeachment following the Watergate scandal the House Judiciary Committee commissioned a historical account of the misdeeds of past presidents The account compiled by leading presidential historians of the day reached back to George Washington's administration and was designed to provide a

benchmark against which Nixon's misdeeds could be measured. What the report found was that with the exception of William Henry Harrison who served less than a month, every American president has been accused of misconduct. James Buchanan was charged with rigging the election of 1856. Ulysses S. Grant was reprimanded for not firing his corrupt staffer Orville Babcock in the Whiskey Ring bribery scandal, and Franklin D. Roosevelt's administration faced repeated charges of malfeasance in the Works Progress Administration. Now, as another president and his subordinates face an array of charges on a wide range of legal and constitutional offenses, a group of presidential historians has come together under the leadership of James M. Banner Jr., one of the historians who contributed to the original report, to bring the 1974 account up to date through Barack Obama's presidency. Based on current scholarship, this new material covers such well-known episodes as Nixon's Watergate crisis, Reagan's Iran-Contra scandal, Clinton's impeachment, and George W. Bush's connection to the exposure of intelligence secrets. But oft-forgotten events also take the stage: Carter's troubles with advisor Bert Lance, Reagan's savings and loan crisis, George H. W. Bush's nomination of Clarence Thomas to the Supreme Court, and Obama's Solyndra loan controversy. The only comprehensive study of American presidents' misconduct and the ways in which chief executives and members of their official families have responded to the charges brought against them, this new edition is designed to serve the same purpose as the original 1974 report: to provide the historical context and metric against which the actions of the current administration may be assessed.

Crooked Nathan Masters, 2023-03-21. Winner of the Mystery Writers of America's Prestigious Best Fact Crime Award, the riveting, forgotten narrative of the most corrupt attorney general in American history and the maverick senator who stopped at nothing to take him down. Many tales from the Jazz Age reek of crime and corruption. But perhaps the era's greatest political fiasco, one that resulted in a nationwide scandal, a public reckoning at the Department of Justice, the rise of J. Edgar Hoover, and an Oscar-winning film, has long been lost to the annals of history. In *Crooked*, Nathan Masters restores this story of murderers, con artists, secret lovers, spies, bootleggers, and corrupt politicians to its full, page-turning glory. Newly elected to the Senate on a promise to root out corruption, Burton Boxcar Burt Wheeler sets his sights on ousting Attorney General Harry Daugherty, puppet master behind President Harding's unlikely rise to power. Daugherty is famous for doing whatever it takes to keep his boss in power, and his cozy relations with bootleggers and other scofflaws have long spawned rumors of impropriety. But when his constant companion and trusted fixer, Jess Smith, is found dead of a gunshot wound in the apartment, the two men share Daugherty is suddenly thrust into the spotlight, exposing the rot consuming the Harding administration to a shocked public. Determined to uncover the truth in the ensuing investigation, Wheeler takes the prosecutorial reins and subpoenas a rogue's gallery of witnesses, convicted felons, shady detectives, disgraced officials, to expose the attorney general's treachery and solve the riddle of Jess Smith's suspicious death. With the muckraking senator hot on his trail, Daugherty turns to his greatest weapon: the nascent Federal Bureau of Investigation, whose eager second in command, J. Edgar Hoover, sees opportunity amidst the chaos. Packed with political

intrigue salacious scandal and no shortage of lessons for our modern era of political discord Nathan Masters thrilling historical narrative shows how this intricate web of inconceivable crookedness set the stage for the next century of American political scandals

Shadow Of Blooming Grove Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such could be the essence of the book **Shadow Of Blooming Grove**, a literary masterpiece that delves deep into the significance of words and their impact on our lives. Published by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall impact on readers.
