Shadow Zone J.R. Black,1994 **The Undead Express** J. R. Black,1994 Zach Kinkaid s routine New York City subway ride takes on a terrifying turn when he ends up lost on a mysterious train filled with bloodthirsty vampires Is Zach riding toward disaster on the Undead Express With color photos from the Showtime original movie **Growing Up with Vampires** Simon Bacon,Katarzyna Bronk,2018-07-10 Vampire narratives are generally thought of as adult or young adult fare yet there is a long history of their appearance in books film and other media meant for children They emerge as expressions of anxiety about change and growing up but sometimes turn out to be new best friends who highlight the beauty of difference and individuality This collection of new essays examines the history of vampires in 20th and 21st century Western popular media marketed to preteens and explores their significance and symbolism *Un-Dead TV* Brad Middleton,2015-02-05 Vampires are ubiquitous in our popular culture from movies to television in fiction and art and even within the hallowed halls of academia But in the not so distant past these undead creatures held more fear than fascination they lived in the shadows and were the stuff of nightmares In 1897 Bram Stoker introduced Dracula to the Western world and our concept of vampires was changed forever For over sixty years the undead have bled the television airwaves appearing in every type of programming imaginable Un Dead TV catalogues over one thousand unique vampire appearances and is the first book of its kind to explore this phenomenon to the extent that it truly deserves Children Beware! Filipa Antunes,2020-01-17 How does a culture respond when the limits of childhood become uncertain The emergence of pre adolescence in the 1980s which is signified by the new PG 13 rating for film disrupted the established boundaries between childhood and adulthood The concept of pre adolescence affected not only America s pillar ideals of family and childhood innocence but also the very foundation of the horror genre s identity its association with maturity and exclusivity Cultural disputes over the limits of childhood and horror were explicitly articulated in the children s horror trend 1980 1997 a cluster of child oriented horror titles in film and other media which included Gremlins The Gate the Goosebumps series and others As the first serious analysis of the children s horror trend with a focus on the significance of ratings this book provides a complete chart of its development while presenting it as a document of American culture s adaptation to pre adolescence Each important children s horror title corresponds to a key moment of ideological negotiation cultural power struggles and industrial compromise Enser's Filmed Books and Plays Ellen Baskin,2018-04-27 This title was first published in 2003 The sixth edition of this compendium of film and television adaptations of books and plays includes several thousand new listings that cover the period from 1992 to December 2001 There are 8000 main entries covering 70 years of film history including some foreign language material Cyborgs, Santa Claus and Satan Fraser A.
