

The background of the entire image is a deep, textured red. At the top center, a large, close-up face of a man with dark hair and a serious expression is partially visible. In the center, a woman in a blue hooded robe and a blue mask holds a katana horizontally. To her left, a figure in ornate samurai armor with a horned helmet stands prominently. Behind them, several other characters are visible: a man with a beard holding a long polearm, a man in a dark robe holding a curved blade, a woman in a red headscarf, and a man in a light-colored robe. In the bottom center, there is a small white logo consisting of a stylized flame or drop shape with a cross inside. The overall composition is dynamic and evokes a sense of historical action and mystery.

**National Zip Code & Post Office Directory** ,2004      N. C. Wyeth David Michaelis,2003-01-21 His name summons up our earliest images of the beloved books we read as children His illustrations for Scribner s Illustrated Classics Treasure Island Kidnapped The Last of the Mohicans The Yearling are etched into the collective memory of generations of readers He was hailed as the greatest American illustrator of his day For forty three years starting in 1902 N C Wyeth painted landscapes still lifes portraits and murals as well as illustrations for a long shelf of world literature Yet despite worldwide acclaim he judged himself a failure believing that illustration was of no importance David Michaelis tells the story of Wyeth s family through four generations a saga that begins and ends with tragedy and brings to life the huge spirited deeply complicated man and an America that was quickly vanishing      Disney's British Gentleman Nathan Morley,2021-04-30 A wonderful account of a life filled with far more ups and downs than its subject s languid demeanour ever suggested Miles Jupp Even if the name doesn t ring a bell you d recognise David Tomlinson s face genial and continually perplexed he was Mr Banks in Mary Poppins Professor Browne in Bedknobs and Broomsticks and Peter Thorndyke in The Love Bug To many he s the epitome of post war British comedy But at times his life was more tragedy than comedy A distinguished RAF pilot in the Second World War his first marriage was to end in horrific tragedy and his next romance ended with his lover marrying the founder of the American Nazi Party He did find love and security in his second marriage but drama still played its part in his life from the uncovering of an earthshattering family secret to the fight for an autism diagnosis for his son up against the titans of the British medical establishment Tomlinson may have died over twenty years ago but his star continues to shine In Disney s British Gentleman Nathan Morley reveals the remarkable story of one of Disney s most beloved icons for the very first time      **The Moon in the Mango Tree** Pamela Binnings Ewen,2023-10-17 From Pamela Binnings Ewen bestselling author of The Queen of Paris and milienne The Moon in the Mango Tree is a lush historical novel set in the 1920s It is a dazzling decade and Barbara Bond is a beautiful young singer torn between her fierce desire for independence and her deep abiding love for her husband a brilliant doctor She has trained for years to sing grand opera but soon after her marriage to Harvey Perkins she learns that he has accepted an assignment as a medical missionary in the country of Siam Suddenly Barbara is forced into the duty of a good wife to support her husband s career not her own As resentment slowly grows she travels with Harvey first to the jungles of Siam then to the capital city of Bangkok where he is now physician to the royal court As she struggles with the secrets straining their marriage Barbara wonders if she has made the right choice At last leaving her husband in Bangkok she flees to Paris then Rome where she can finally sing on stage If Harvey loves her the risk is worth it for a chance to have it all her husband and her career Why should she be forced to choose And if she chooses must the other be lost forever      The New Biographical Dictionary of Film David Thomson,2010 Thomson independent scholar writing of The Biographical Dictionary of Film aka A Biographical Dictionary of the Cinema 1975 edition described it as a

personal opinionated and obsessive biographical dictionary of the cinema Thirty five years and several editions later that description still holds true of this expanded work The new dictionary summarizes salient facts about its subjects lives and discusses their film credits in terms of the quality of the filmmakers work In ambition it has competitors including Leslie Halliwell s various editions of Halliwell s Filmgoers Companion 12th ed 1997 and Halliwell s Who s Who in the Movies edited by John Walker 4th ed rev and updated 2006 which cover films and technical terms categories not included in Thomson s but whose entries are neutral and exceedingly brief Additionally Francophile Richard Roud s edited Cinema A Critical Dictionary The Major Filmmakers 2 v 1980 is as passionate a work as Thomson s but narrower in scope with entries written by various experts rather than only by Roud Finally the multivolume magnum opus The International Dictionary of Films and Filmmakers 4th ed 2000 ed by T Pendergast and S Pendergast 2nd ed ed by N Thomas v 1 CH May 91 1st ed ed by C Lyon v 1 2 CH Jan 85 v 3 CH Apr 87 v 4 5 CH Jun 88 covers everything films directors actors writers and production artists with generous measured scholarly entries and lavish illustrations However it looms large and heavy unlike the handy one volume work by Thomson Arguably Thomson s work for its scope is the most fun the most convenient and the most engaging title All libraries supporting people interested in film should buy it It will get lots of use and provide very good value for the money
