

Shadows help you know if things are rough or smooth.

When the sun shines on the side of this tree, the bark appears rough. The long shadow of each piece of bark shows us the texture of the tree. When the sun shines directly on the tree, there are no shadows on the bark. The bark looks smoother.

Sicily in Shadow and in Sun Maud Howe Elliott,1910 **Sicily in Shadow and in Sun: The Earthquake and the American Relief Work** Maud Howe Elliott,2019-12-16 In Sicily in Shadow and in Sun The Earthquake and the American Relief Work Maud Howe Elliott presents a poignant narrative that explores both the devastating impact of the 1908 Messina earthquake and the extensive humanitarian response initiated by American organizations Elliott s literary style interweaves

personal accounts and vivid descriptions capturing the duality of Sicily's beauty and the stark reality of tragedy. Set against the backdrop of the early 20th century, the text reflects a broader movement of American philanthropy and a growing international consciousness regarding global disasters while offering a microcosmic view of human resilience in the face of adversity. Maud Howe Elliott was not only a prominent writer but also an activist deeply engaged in social issues of her time, influenced by her familial connections to the social reform movements. As a member of the Howe family legacy with roots in the Abolitionist movement, Elliott's commitment to humanitarian causes positioned her as a capable chronicler of this dramatic intersection between nature's wrath and human compassion. Her firsthand experiences during the relief efforts enriched her narratives, emphasizing both emotional depth and historical context. This book is a compelling read for anyone interested in disaster relief, social activism, or Sicilian history. Elliott's masterful storytelling and scholarly insight make this work a vital contribution to the understanding of humanitarian efforts, and it invites readers to reflect on the enduring spirits of those affected by calamity. For historical scholars, activists, and general readers alike, *Sicily in Shadow and in Sun* is an essential addition to the literary canon surrounding humanitarian response.

The Ascension Series, Books 1-3: Sacrificed in Shadow, Oaths of Blood, and Ruled by Steel SM Reine,

This urban fantasy boxed set contains the first three novels in The Ascension Series and totals 300,000 words. When it comes to problems involving evil, Elise Kavanagh is the expert in saving the day. Not only is she a legendary demon hunter known as the Godslayer, she's also the most powerful demon to ever walk the Earth, a once-human creature that other demons now look up to as a deity. Rylie Gresham is Alpha of the last werewolf pack. They're hiding from recent government laws regulating preternaturals and trying to avoid conflict. But someone's trying to get into Eden. The garden holds secrets too dangerous for anyone to possess, including Elise's former partner James Faulkner, a half-witch/half-angel bent on becoming God. He doesn't care what it takes to get into Eden, and the werewolf pack gets trapped at the center of the conflict. Elise will do anything to keep James or anyone else from reaching Eden, even if it means journeying deep into Hell and seizing control of the City of Dis. Trapped between shadow and light, Elise walks a fine line, trying to save the world yet again, even if it means losing her friends among the werewolves, the man she once loved, and her soul itself.

He'll have to make a deal with the Devil to save victims that have gone missing, maybe literally. Elise Kavanagh, preternatural investigator and exorcist, is the expert when it comes to violent deaths at the jaws of evil. She's also among the most powerful demons that Hell has spawned. Elise jumps at Lincoln's case, and it's not just because of his down-home charm. Someone's laid a trap for her in Northgate, and she wants to find out who. She'll have to team up with Rylie Gresham, Alpha of the last surviving werewolf pack, to figure out who's trying to blame the murders on werewolves. Only together can they stop the killings and uncover the secrets buried in Northgate.
