## **Shadows In The City:**

*Shadow City* Diana Pharaoh Francis, 2011-12-27 The world is falling apart The magical apocalypse has come Now is the time to guard the covenstead against both raiders and refugees But Max has been stolen by a powerful demi god who is determined to force her to find a way to use a magical power she never knew she had even if it kills her Meanwhile back in Horngate a Fury is birthing When the creature breaks free of the fragile bonds that enclose her her rage will scour the covenstead from the earth Max finds herself in the Shadow City a place of mysteries and magic where she must battle for her freedom or become a slave to creatures of dreadful greed and power Back in Horngate Alexander must swallow his anger and pride if he hopes to defeat the Fury a creature that no one has ever successfully fought before In the end it will be courage friendship faith and loyalty that win the day Or else so one will live to see tomorrow **The Shadow City** Ryan

Wieser, 2018-10-16 The Hunters of Infinity have guarded the Daharian galaxy for ages but when betrayed they can become a vicious enemy Jessop the first woman to join the Hunters has finally been reunited with those who mean the most to her In her quest for vengeance she has left many embittered and betrayed chief among them Kohl O Hanlon the Hunter who once loved her Now as the feared Falco Bane leads his forces into the Hunters territory Kohl attempts to retaliate flooding their infamous Shadow City with his own followers Jessop must fight a war on two fronts testing her commitment to the ones she loves and challenging her abilities as the most elite warrior among the Hunters With the future of Daharia s leadership at stake Jessop is determined to protect those closest to her at all costs But when allies turn into adversaries the real threat comes from a place least expected This thrilling action packed debut ties together strong characters with a building story line that will have readers clamoring for the next volume in this new series Library Journal STARRED REVIEW on The Glass Blade Kiki Strike: Inside the Shadow City Kirsten Miller, 2013-01-08 NYC s hottest superspy gets a brand new package

**Shadow City** Anna Mocikat, 2019-11-07 Shadow City is full of adventure thrills and twists and turns The characters are fully realized and the swift pace keeps the story moving along so readers will likely find themselves turning pages in rapid succession IndieReader Los Angeles is an apocalyptic wasteland The few survivors of a horrific catastrophe live under the constant threat of radiation mutated creatures and worse lurking in the shadows In the ruins of the deserted city the scavengers Jean and Louis come across a nameless stranger and bring him to the only safe zone once known as Hollywood What s left of society is divided among different factions mistrust brute force and anarchy rule every day s life If the struggle for survival wasn t bad enough the nuclear disaster has shifted realities as we knew them and brought something into our world which threatens to exterminate the human race Something so dark that every living being is horrified of it Something that feeds on suffering and violence But humans aren t alone in this existential fight Unexpected allies emerge from the shadows and in the final stand the nameless stranger will decide humanities fate **Country Love and City Life** Charles Henry St. John, 1880 Grasping Shadows William Chapman Sharpe, 2017-08-04 Grasping Shadows offers the most

thorough examination of the cultural uses of shadows Exploring a myriad of major literary and artistic evocations of shadows Grasping Shadows puts forth a unifying theory for how shadows function and how they transformed our relationship to darkness and light

**Shadow City** Francesca Flores, 2025-09-23 Francesca Flores Shadow City is the stunning action packed conclusion to The City of Diamond and Steel duology Aina Sol s has fought her way to the top of criminal ranks in the city of Kos n by wresting control of an assassin empire owned by her old boss Kohl She never has to fear losing her home and returning to life on the streets again except Kohl the man who tried to ruin her life will do anything to get his empire back Aina sets out to kill him before he can kill her But Alsane Bautix the old army general who was banned from his seat in the government after Aina revealed his corruption is working to take back power by destroying anyone who stands in his way With a new civil war on the horizon and all their lives at risk the only way for Aina to protect her home is to join up with the only other criminal more notorious than her Kohl himself As Bautix s attacks increase Aina and Kohl work together to stop his incoming weapons shipments and his plans to take back the Tower of Steel To defeat them both Aina will resort to betrayal poison and a deadly type of magic that hasn t been used in years Through narrow alleys across train rooftops and deep in the city s tunnels Aina and Kohl will test each other s strengths and limits each of them knowing that once Bautix is dead they ll still have to face each other If she manages to kill him she ll finally have the freedom she wants but it might forever mark her as his shadow in a city where only the strongest survive

**Bangkok Utopia** Lawrence Chua, 2021-02-28 Utopia is a word not often associated with the city of Bangkok which is better known for its disorderly sprawl overburdened roads and stifling levels of pollution Yet as early as 1782 when the city was officially founded on the banks of the Chao Phraya river as the home of the Chakri dynasty its orientation was based on material and rhetorical considerations that alluded to ideal times and spaces The construction of palaces monastic complexes walls forts and canals created a defensive network while symbolically locating the terrestrial realm of the king within the Theravada Buddhist cosmos Into the twentieth century pictorial narrative and built representations of utopia were critical to Bangkok s transformation into a national capital and commercial entrep t But as older representations of the universe encountered modern architecture building technologies and urban planning new images of an ideal society attempted to reconcile urban based understandings of Buddhist liberation and felicitous states like nirvana with worldly models of political community like the nation state Bangkok Utopia outlines an alternative genealogy of both utopia and modernism in a part of the world that has often been overlooked by researchers of both It examines representations of utopia that developed in the city as expressed in built forms as well as architectural drawings building manuals novels poetry and ecclesiastical murals from its first general strike of migrant laborers in 1910 to the overthrow of the military dictatorship in 1973 Using Thai and Chinese language archival sources the book demonstrates how the new spaces of the city became arenas for modern subject formation utopian desires political hegemony and social unrest arguing that the modern city was a space of antinomy one able not only to sustain heterogeneous temporalities but

also to support conflicting world views within the urban landscape By underscoring the paradoxical character of utopias and their formal narrative expressions of both hope and hegemony Bangkok Utopia provides an innovative way to conceptualize the uneven economic development and fractured political conditions of contemporary global cities **The Urban Uncanny** Lucy Huskinson,2016-04-28 The Urban Uncanny explores through ten engaging essays the slippage or mismatch between our expectations of the city as the organised and familiar environments in which citizens live work and go about their lives and the often surprising and unsettling experiences it evokes The city is uncanny when it reveals itself in new and unexpected light when its streets buildings and people suddenly appear strange out of place and not quite right Bringing together a variety of approaches including psychoanalysis historical and contemporary case study of cities urban geography film and literary critique the essays explore some of the unsettling mismatches between city and citizen in order to make sense of each and to gauge the wellbeing of city life more generally Essays examine a number of cities including Edmonton London Paris Oxford Las Vegas Berlin and New York and address a range of issues including those of memory death anxiety alienation and identity Delving into the complex repercussions of contemporary mass urban development The Urban Uncanny opens up the pathological side of cities both real and imaginary This interdisciplinary collection provides unparalleled insights into the urban uncanny that will be of interest to academics and students of urban studies urban geography psychoanalysis cultural studies social studies and film studies and to anyone interested in the darker side of city life
