Shadow on the Church David T. Bailey, 1985 **Exploring the History of Southeast Asian Astronomy** Wayne Orchiston, Mayank N. Vahia, 2021-06-30 This edited volume contains 24 different research papers by members of the History and Heritage Working Group of the Southeast Asian Astronomy Network The chapters were prepared by astronomers from Australia France Germany India Indonesia Japan Malaysia the Philippines Scotland Sweden Thailand and Vietnam They represent the latest understanding of cultural and scientific interchange in the region over time from ethnoastronomy to archaeoastronomy and more Gathering together researchers from various locales this volume enabled new connections to be made in service of building a more holistic vision of astronomical history in Southeast Asia which boasts a proud and deep tradition *Liberalism in the Shadow of Totalitarianism* David Ciepley, 2006 This book argues that it was primarily the encounter with totalitarianism that dissolved the ideals of American progressivism and crystallized the ideals of postwar liberalism In politics the ideal of governance by a strong independent executive was rejected and a politics of contending interest groups was embraced **Book Review Index** , 1980-09 **The Collected Works of Samuel Taylor Coleridge, Volume 9** Samuel Taylor Coleridge, 2017-03-14 Coleridge's *Aids to Reflection* was written at a time when new movements in thought were starting to unsettle belief It was read with admiration by early Victorians such as John Sterling F D Maurice and Thomas Arnold contributing to the formation of the Broad Church Movement and with respect by members of the High Church Movement including John Henry Newman Coleridge had intended simply to produce a selection from the writings of the seventeenth century Archbishop Robert Leighton with comments of his own but as he worked at the book he found the commentary expanding to take in the fruits of his religious thinking over the years so that the second and more important part of the volume was totally dominated by his thought In this the first major edition of *Aids to Reflection* the intricate story of Coleridge's changing conception is unfolded by way of an introduction and detailed notes the surviving materials for the volume being printed in appendixes The introduction also traces the subsequent influence of the work in England and America further appendixes include James Marsh's influential preface to the first American edition which is reproduced in full Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Eclectic review. vol. 1-New [8th]** , 1847
