Shag The Art Of Josh Agle Postcard:

Shag Shag, Colin Berry, 2005-08-25 This is the first major monograph of one of today's most popular and widely regarded artists Josh Agle, more commonly known as Shag. His trademark style is spotted on everything from cocktail napkins and cigarette lighters to his brand identity work for the new Pink Panther film. But *Shag* is the first opportunity to appreciate the mastery of expression in this artist's primary output: his paintings. Gathered together here are nearly 200 wry and colorful scenes of signature retro decadence: Wasp-waisted women in Capri pants and turtlenecked eye-patched men of mystery host parties where deathly specters cavort with cranky wolves, regal bulls and blas Adams and Eves sipping martinis. A Shag painting often takes place in the middle of a story whose conclusion could be hilarious, catastrophic or both, creating a world of endless hinted narratives. Lowbrow gallerist Billy Shire and art critic Colin Berry offer keen essays that situate Shag in the artistic and cultural setting that has spurred him beyond the more predictable work of his contemporaries, creating a book that is simultaneously a fantasy playground of crisp lines and sharp colors and a serious look at one of our most up and coming painters. *Juxtapoz*, 2006-07 **Step Inside Design**, 2003 *Shag, Ltd., Fine Art Limited Editions* Greg Escalante, 2006 Chronologically arranged and annotated with information on size, print run and date of publishing, this work features complete prints and posters of Shag. It contains over 175 colour reproductions along with illustrated essays offering insight into the phenomenal success of his work.

SHAG: the Collected Works Josh Agle, Shag, 2017-04 With an unparalleled collection of paintings and illustrations featuring new and unpublished pieces, Josh Agle, more commonly known as Shag, presents a tome bursting with vibrant colors, vivacious personalities and a magic mirror into midcentury modernism. A collection of previously unseen Disney-inspired work will grace the pages of this one-of-a-kind book as well as a behind-the-scenes look into Shag's studio in Southern California. *SHAG: The Collected Works* contains collaborations with impressive design entities including typography creation with prolific type foundry House Industries. Shag's work has been showcased in solo exhibitions around the world, including exhibitions in Japan, Australia, Europe, the United States and South America. Two retail locations in Palm Springs and West Hollywood offer his huge fan base the opportunity to purchase exclusive prints as well as a marvelous smattering of merchandise including handbags, pillows, glassware, jewelry and the odd signature ukulele.

Art Post Cards Book - Famous Artist Style Painting - Anders Zorn (1860-1920) Philippe Da Cruz Lisboa,2020-07-30 Cards with messages have been sporadically created and posted by individuals since the beginning of postal services The earliest known picture postcard was a hand painted design on card created by the writer Theodore Hook Hook posted the card which bears a penny black stamp to himself in 1840 from Fulham part of London He probably did so as

a practical joke on the postal service since the image is a caricature of workers in the post office In the United States the custom of sending through the mail at letter rate a picture or blank card stock that held a message began with a card postmarked in December 1848 containing printed advertising Today we offer an entire book printed face with a beautiful picture and in the back a classic sample to write wishes and add the post stamp Just write your post card cut it and post it
