

Shaker Hearts

Catherine A. Brekus, W. Clark Gilpin

Shaker Hearts:

American Christianities Catherine A. Brekus, W. Clark Gilpin, 2011 From the founding of the first colonies until the present the influence of Christianity as the dominant faith in American society has extended far beyond church pews into the wider culture Yet at the same time Christians in the United States have di

The Amorous Heart Marilyn Yalom, 2018-01-09 An eminent scholar unearths the captivating history of the two lobed heart symbol from scripture and tapestry to T shirts and text messages shedding light on how we have expressed love since antiquity The symmetrical exuberant heart is everywhere it gives shape to candy pendants the frothy milk on top of a cappuccino and much else How can we explain the ubiquity of what might be the most recognizable symbol in the world In *The Amorous Heart* Marilyn Yalom tracks the heart metaphor and heart iconography across two thousand years through Christian theology pagan love poetry medieval painting Shakespearean drama Enlightenment science and into the present She argues that the symbol reveals a tension between love as romantic and sexual on the one hand and as religious and spiritual on the other Ultimately the heart symbol is a guide to the astonishing variety of human affections from the erotic to the chaste and from the unrequited to the conjugal

The Shaker Experience in America Stephen J. Stein, 1992-01-01 The first general history of the Shakers from their origins in 18th century England to the present day Drawing on written and oral testimony by Shakers over the past two centuries Stein offers a full and often revisionist account of the movement 57 illustrations

Historical Dictionary of the Shakers Stephen J. Paterwic, 2017-06-15 Shakerism teaches God's immanence through the common life shared in Christ's mystical body Like many religious seekers throughout the ages they honor the revelation of God but cannot be bound up in an unchanging set of dogmas or creeds Freeing themselves from domination by the state religion Mother Ann Lee and her first followers in mid 18th century England labored to encounter the godhead directly They were blessed by spiritual gifts that showed them a way to live the heavenly life on Earth The result of their efforts was the fashioning of a celibate communal life called the Christlife wherein a person after confessing all sin through the indwelling of the Holy Spirit can travel the path of regeneration into ever increasing holiness Pacifism equality of the sexes and withdrawal from the world are some of the ways the faith was put into practice This second edition of *Historical Dictionary of the Shakers* contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on Shaker communities industries individual families and important people This book is an excellent resource for students researchers and anyone wanting to know more about the Shakers

The Shaker Village Raymond Bial, 2021-12-14 The Shaker faith is estimated to have had a total of fewer than 20 000 members across its 250 year history yet more than 100 000 people visit the various Shaker villages and museums scattered across the eastern United States every year We are still fascinated with the world of the Shakers and authentic examples of Shaker architecture furniture and crafts are prized wherever they remain In *The Shaker Village* author and photographer Raymond Bial brings readers the history of the Shaker religion and an examination of the Shaker way of

life which was based on cooperation and self sufficiency Each Shaker village was built with the goal of creating a heaven on earth for its inhabitants The Shaker people were among the first in America to apply science and new learning directly to traditional farming and homekeeping They invented or improved significantly upon designs of many farm and household items including some still used today the flat broom the slotted spoon the circular saw and the idea of selling gardening seeds in packets Although each Shaker community was self supporting the Shakers success at applying their core values simplicity utility and tranquility carried Shaker villages to a point of abundance they were able to export their beautiful furniture delicious foods and superior wares to the outside world where they have been appreciated ever since The Shaker Village is generously illustrated with Bial s evocative photographs of buildings and artifacts from the Shaker Village of Pleasant Hill Kentucky one of the largest and best preserved Shaker sites The Shaker movement reached its peak in the mid nineteenth century Membership began to drop with the onset of the Civil War and as the new promise of industrialization began to take hold in America Shaker numbers steadily dwindled Although the Shaker religion has all but departed The Shaker Village captures a revelatory glimpse of a legacy that still resounds with modern Americans The Story of the Shakers (Revised Edition) Flo Morse,2016-02-01 Featuring a new introduction a compassionate look at a religious movement that shaped America Put your hands to work and your hearts to God Mother Ann Lee told her spiritual children more than 200 years ago Today as the number of Shakers has dwindled to only a handful the story of the Shakers has never been more important to record and understand In this classic book featuring a brand new introduction Flo Morse offers a stimulating graceful summary of Shaker beliefs and the way of life that still endures among a chosen few **My Garden of Hearts** Margaret Elizabeth Sangster,1913 *Selling Shaker* Stephen Rowe,Peter Richmond,2007-01-01 The simple yet striking lines of Shaker design grace much of the furniture we see in high end department stores and beautiful examples of it adorn the pages of Architectural Digest and House Beautiful How did this style evolve from its origins in a humble small religious community to the international design phenomenon it is today This illustrated study explores the emergence of the Shaker style and how it was vigorously promoted by scholars and artists into the prominence it now enjoys The heart of the Shaker style lies in the religious movement founded in the eighteenth century where Stephen Rowe and Peter Richmond begin their chronicle From there the authors chart the evolution of the style into the twentieth century particularly in the hands of design media scholars and art institutions These Shaker agents repositioned Shaker style continuously from local vernacular to high culture and then popular culture Drawing on a rich array of sources including museum catalogs contemporary design magazines and scholarly writings *Selling Shaker* illustrates in detail how the Shaker style entered the general design consciousness and how the original aesthetic was gradually diluted into a generic style for a mass audience A wholly original and fascinating study of American design and consumption *Selling Shaker* is a unique resource for collectors scholars and anyone interested in the cultural history of a design aesthetic The Shaker Manifesto ,1878 *Tulalip, From My Heart*

Harriette Shelton Dover,2013-11-01 In Tulalip From My Heart Harriette Shelton Dover describes her life on the Tulalip Reservation and recounts the myriad problems tribes faced after resettlement Born in 1904 Dover grew up hearing the elders of her tribe tell of the hardships involved in moving from their villages to the reservation on Tulalip Bay inadequate supplies of food and water harsh economic conditions and religious persecution outlawing potlatch houses and other ceremonial practices Dover herself spent ten traumatic months every year in an Indian boarding school an experience that developed her political consciousness and keen sense of justice The first Indian woman to serve on the Tulalip board of directors Dover describes her experiences in her own personal often fierce style revealing her tribe s powerful ties and enduring loyalty to land now occupied by others

Spiritual Spectacles Sally M. Promey,1993-03-22 Promey s book is a penetrating analysis of Shaker art The book is a gem a true advance in Shaker studies art history religious history and cultural history Highly recommended Choice a very intelligent and articulate treatment of a stunning set of message images Art Bulletin This book is a pleasure to look at and to read Religious Studies Review A fascinating investigation into another world The Shaker spirit drawings offer clues into a remarkable moment of American life as well as an opportunity to rethink just how the visual arts religious revitalizations and social memory relate to one another A model study clear absorbing and significant Neil Harris author of The Artist in American Society Sally Promey s inquiry critically engages current issues in the study of visual culture what do images do how do they work what needs do they fulfill just what is their power Her compelling case study joins fundamental concerns of art historians with those of students of religion and history By means of an exacting examination of Shaker drawings as the site of both expectation and encounter Promey successfully situates these Spiritual Spectacles at the meeting point of the inner and the outer eye Linda Seidel author of Jan van Eyck s Arnolfini Portrait Stories of an Icon Promey has brought to her work an excellent sensitivity to the religious issues involved keen sight and powers of observation and a very creative interpretive framework Stephen J Stein author of The Shaker Experience in America **The**

A Sense of the Heart Bill J. Leonard,2014-11-18 For many people knowing about God is not enough they also want to feel God s presence Whether like St Paul s experience on the road to Damascus or like Wesley s strangely warmed heart people believe that nothing can substitute for religious experience

Even today people go to church in order to encounter the Divine by which they mean experience God in their midst This desire to meet or be met by God is as old as humanity but America especially has been the seed bed for what William James famously called varieties of religious experience These experiences cover a wide spectrum from classic mysticism to revivalist conversion to a contemporary pursuit of spirituality A Sense of the Heart traces the nature of religious experience from the colonial era to the present attempting to define and describe the nature of religious experience and noting common and distinct approaches in the work of various scholars and practitioners Following that A Sense of the Heart offers a historical review of representative types of religious experience the nature of such experiences and their impact on the American religious and cultural context as evident in awakenings controversies denominations and new religious communities

Heart Attack Shawn Kittelsen, 2023-10-04 10 10 Come for the immersive visual storytelling stay for a take on dystopia that puts romance and humanity at its center Comics Bookcase Acclaimed writer SHAWN KITTELSEN Injustice 2 Mortal Kombat 11 and artist ERIC ZAWADZKI House of El present a new graphic novel collecting HEART ATTACK 1 6 and featuring six all new chapters concluding their epic story Gene therapy has saved Americans from disease only to give birth to Variants people with powers so unique the government denies their human rights But a new rebellion begins when Charlie North and Jill Kearney learn their instant attraction unlocks powers of mass destruction and forces them to question how far they should go to topple the system Lo here and lo there! or, the Grave of the Heart. [A pamphlet against the Shakers.] Dan MENDON, 1846

Ken Burns's America G. Edgerton, 2016-04-30 This is the first book length study to critically examine the work of Ken Burns the innovative producer director as a television auteur a pivotal programming influence within the industry and a popular historian who portrays a uniquely personal and compelling version of the country's past for tens of millions of viewers nationwide Ken Burns's America has a three fold agenda First it looks at the ideas and individuals that have influenced Burns in the creation of his easily recognized style as well as in the development and maturation of his ideological outlook Second the book gives readers a window on the Ken Burns production machine Gary Edgerton shows us the inner working of Florentine Films Finally he looks at Burns as a popular historian who reevaluates the nation's historical legacy from a new generational perspective and in the process becomes one of the major cultural commentators of our era The volume finally takes the full measure of the man and the industry he has helped to create
