THE SHAKER SPIRITUAL
A COLLECTION OF SHAKER SONGS
AND HYMNS

Shaker Spiritual

Daniel Watkins Patterson

Shaker Spiritual:

The Shakers Fakhr al-Dīn Ibrāhīm 'Irāqī,1983 Discusses the theology of the Shaker religion and examines the attitudes of the Shakers toward celibacy and community *The Shaker Spiritual* Daniel Watkins Patterson,2000 This collection presents 366 songs from Shaker repertory plus excerpts from interviews unpublished diaries numerous photographs diagrams of nearly 20 Shaker dances and marches checklist of 800 song manuscripts more *Shakers, Mormons, and Religious Worlds* Stephen C. Taysom,2010-11-22 Among America s more interesting new religious movements the Shakers and the Mormons came to be thought of as separate and distinct from mainstream Protestantism Using archives and historical materials from the 19th century Stephen C Taysom shows how these groups actively maintained boundaries and created their own thriving but insular communities Taysom discovers a core of innovation deployed by both the Shakers and the Mormons through which they embraced their status as outsiders Their marginalization was critical to their initial success As he skillfully negotiates the differences between Shakers and Mormons Taysom illuminates the characteristics which set these groups apart and helped them to become true religious dissenters **The Shaker Spiritual** Daniel W. Patterson,1979-01-01 This collection presents 366 songs from Shaker repertory plus excerpts from interviews unpublished diaries numerous photographs diagrams of nearly 20 Shaker dances and marches checklist of 800 song manuscripts more **Spiritual Spectacles** Sally M. Promey,1993-03-22 Promey s book is a penetrating analysis of Shaker art The book is a gem a true advance in Shaker studies art history religious history and cultural history Highly recommended Choice a very intelligent and articulate treatment of a stunning set of message images Art Bulletin This book is a pleasure to look at and to read Religious Studies Review A fascinating investigation into another world The Shaker spirit drawings offer clues into a remarkable moment of American life as well as an opportunity to rethink just how the visual arts religious revitalizations and social memory relate to one another A model study clear absorbing and significant Neil Harris author of *The Artist in American Society* Sally Promey s inquiry critically engages current issues in the study of visual culture what do images do how do they work what needs do they fulfill just what is their power Her compelling case study joins fundamental concerns of art historians with those of students of religion and history By means of an exacting examination of Shaker drawings as the site of both expectation and encounter Promey successfully situates these Spiritual Spectacles at the meeting point of the inner and the outer eye Linda Seidel author of *Jan van Eyck s Arnolfini Portrait* Stories of an Icon Promey has brought to her work an excellent sensitivity to the religious issues involved keen sight and powers of observation and a very creative interpretive framework Stephen J Stein author of *The Shaker Experience in America* *The Shakers* Robley Edward Whitson,1983 In presenting this collection of Shaker texts the author contends that Shakerism has been generally misunderstood and consequently undervalued as a source of useful insights into the divine human relationship [The Shaker Experience in America](#) Stephen J. Stein,1992-01-01 The first general history of the Shakers from their origins in 18th century England to

the present day Drawing on written and oral testimony by Shakers over the past two centuries Stein offers a full and often revisionist account of the movement 57 illustrations Historical Dictionary of the Shakers Stephen J. Paterwic, 2017-06-15 Shakerism teaches God's immanence through the common life shared in Christ's mystical body Like many religious seekers throughout the ages they honor the revelation of God but cannot be bound up in an unchanging set of dogmas or creeds Freeing themselves from domination by the state religion Mother Ann Lee and her first followers in mid 18th century England labored to encounter the godhead directly They were blessed by spiritual gifts that showed them a way to live the heavenly life on Earth The result of their efforts was the fashioning of a celibate communal life called the Christlife wherein a person after confessing all sin through the indwelling of the Holy Spirit can travel the path of regeneration into ever increasing holiness Pacifism equality of the sexes and withdrawal from the world are some of the ways the faith was put into practice This second edition of Historical Dictionary of the Shakers contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 300 cross referenced entries on Shaker communities industries individual families and important people This book is an excellent resource for students researchers and anyone wanting to know more about the Shakers **The Shaker**, 1871 **Spiritual Interrogations** Katherine Clay Bassard, 1999-01-18 The late eighteenth century witnessed an influx of black women to the slave trading ports of the American Northeast The formation of an early African American community bound together by shared experiences and spiritual values owed much to these women's voices The significance of their writings would be profound for all African Americans sense of their own identity as a people Katherine Clay Bassard's book is the first detailed account of pre Emancipation writings from the period of 1760 to 1863 in light of a developing African American religious culture and emerging free black communities Her study which examines the relationship among race culture and community focuses on four women the poet Phillis Wheatley and poet and essayist Ann Plato both Congregationalists and the itinerant preacher Jarena Lee and Shaker eldress Rebecca Cox Jackson who with Lee had connections with African Methodism Together these women drew on what Bassard calls a spirituals matrix which transformed existing literary genres to accommodate the spiritual music and sacred rituals tied to the African diaspora Bassard's important illumination of these writers resurrects their path breaking work They were cocreators with all black women who followed of African American intellectual life **The A to Z of the Shakers** Stephen J. Paterwic, 2009-09-28 The United Society of Believers in Christ's Second Appearing commonly known as the Shakers followed Mother Ann Lee to the United States in 1774 when life in England became difficult In the United States they established several colonies whose governing principals included celibacy and agrarian communal living Even at its peak however Shakerism claimed only about 4 500 members Today except for one active community in Sabbathday Maine the great Shaker villages are diminished but the Shakers left an enduring impact on the religion and culture of the United States The A to Z of the Shakers relates the history of this fascinating group through a chronology an introductory essay a bibliography and over

200 cross referenced dictionary entries on Shaker communities industries individual families and important people Every definition biography and point of history was submitted to the Shakers at Sabbathday Lake for their review before it was included for publication As such the voice of the contemporary Shakers is found in the dictionary and they have given it their unequivocal endorsement

Religion and Sexuality Lawrence Foster, 1981 Most writers have treated these three groups and the social ferment out of which they grew as simply an American sideshow In this book therefore I have attempted to go beyond the conventional focus on what these groups did I have also sought to explain why they did what they did and how successful they were in terms of their own objectives By trying sympathetically to understand these extraordinary experiments in social and religious revitalization I believe it is possible to come to terms with a broader set of questions that affect all men and women during times of crisis and transition From the preface Winner of the Best Book Award Mormon History Association

A Companion to American Religious History Benjamin E. Park, 2021-01-26 A collection of original essays exploring the history of the various American religious traditions and the meaning of their many expressions The Blackwell Companion to American Religious History explores the key events significant themes and important movements in various religious traditions throughout the nation s history from pre colonization to the present day Original essays written by leading scholars and new voices in the field discuss how religion in America has transformed over the years explore its many expressions and meanings and consider religion s central role in American life Emphasizing the integration of religion into broader cultural and historical themes this wide ranging volume explores the operation of religion in eras of historical change the diversity of religious experiences and religion s intersections with American cultural political social racial gender and intellectual history Each chronologically organized chapter focuses on a specific period or event such as the interactions between Moravian and Indigenous communities the origins of African American religious institutions Mormon settlement in Utah social reform movements during the twentieth century the growth of ethnic religious communities and the rise of the Religious Right An innovative historical genealogy of American religious traditions the Companion Highlights broader historical themes using clear and compelling narrative Helps teachers expose their students to the significance and variety of America s religious past Explains new and revisionist interpretations of American religious history Surveys current and emerging historiographical trends Traces historical themes to contemporary issues surrounding civil rights and social justice movements modern capitalism and debates over religious liberties Making the lessons of American religious history relevant to a broad range of readers The Blackwell Companion to American Religious History is the perfect book for advanced undergraduate and graduate students in American history courses and a valuable resource for graduate students and scholars wanting to keep pace with current historiographical trends and recent developments in the field

Mother's First-Born Daughters Jean M. Humez, 1993-04-22 an excellent collection of writings covering the period 1774 1854 mostly in print for the first time Humez provides excellent and clear introductions emphasizing the ambiguous role of women

Library Journal This very fine book is a valuable contribution to Shaker studies religious studies and women s studies Journal of American History The editor provides insightful commentary but the power is in the straightforward and powerful words of the women who founded and participated in this most religious American group The Bloomsbury Review Humez s work is a model of revisionist scholarship critically objective and editorially balanced and provides a solid introduction to the early history of the Shakers Utopian Studies Israel you have begun to bear for other souls and you must never give out till the last soul is gathered in When you get home tell your father and stepmother that your mother is risen from the dead from the book A fascinating introduction to the world of the early Shakers this anthology documents the contributions to Shaker religion made by women during its first seventy years It gives a more accurate vision of Shakerism and highlights the ways in which gender can play an important role in the creation of a new religious institution

Music of the Shakers for Mountain Dulcimer Neal Hellman,2011-03-04 Simple and unpretentious the diatonic musice of the Shakers lies well on the moutain dulcimer the lyrics to these songs offer a universal message of love and understanding often with a joyous sense of humor the author provides historical insights and program notes for the 30 tunes included here This delightful informative book is illustrated with photos of craft work and period print reproductions depicting the Shaker way of life Written in standard notation and mountain dulcimer tab

A Shaker Musical Legacy Robert C. Opdahl,Viola E. Woodruff Opdahl,2004 A unique collection of Shaker songs and dances that keeps alive this important musical heritage

Church and Worship Music in the United States James Michael Floyd,Avery T. Sharp,2016-08-12 This fully updated second edition is a selective annotated bibliography of all relevant published resources relating to church and worship music in the United States Over the past decade there has been a growth of literature covering everything from traditional subject matter such as the organ works of J S Bach to newer areas of inquiry including folk hymnology women and African American composers music as a spiritual healer to the music of Mormon Shaker Moravian and other smaller sects With multiple indices this book will serve as an excellent tool for librarians researchers and scholars sorting through the massive amount of material in the field

Chaste Liberation Sally Kitch,1989 Sex is not a simple concept Focusing on the issue of celibacy the author explores the cultures of three post Civil War utopian communities and their relation to female status in American society From her examination of the Shakers Koreshans and Sanctificationists the author concludes that the adoption of celibacy promoted theoretical sexual equality and female social power in those religious groups Bookjacket

Church and Worship Music James Michael Floyd,Avery T. Sharp,2013-10-31 First Published in 2005 Routledge is an imprint of Taylor Francis an informa company

And We Shall Learn through the Dance Kathleen S. Turner,2021-07-28 Liturgical dance is a way to present reflect instruct learn study and share religious beliefs with one s self within one s worship community and with one s God Such a belief is confirmed and witnessed within a variety of religious settings throughout the world from the beginning of time to this present age However there is a vacuum of resources that connect liturgical dance within the Christian context as a tool

for religious learning within the field of religious education With the continual rise of liturgical dance as an artistic form of expression this book proposes that liturgical dance offers unique attributes conducive to the teaching and learning of faith and to faith formation Kathleen S Turner shows how liturgical dance is religious education in two very important ways first by addressing the power and potential liturgical dance has in nourishing the faith life of Christian congregants through means that are both educative and reflective and second by giving examples of how liturgical dance can be implemented as a religious education tool within the teaching life of the church

As recognized, adventure as well as experience roughly lesson, amusement, as without difficulty as settlement can be gotten by just checking out a book **Shaker Spiritual** also it is not directly done, you could tolerate even more on the subject of this life, regarding the world.

We come up with the money for you this proper as with ease as easy pretentiousness to get those all. We pay for Shaker Spiritual and numerous books collections from fictions to scientific research in any way. along with them is this Shaker Spiritual that can be your partner.
