

SHAKESPEARE FOR LAWYERS MAKE YOUR WORDS DANCE

MICHAEL DEBLIS
III, ESQ.

Shakespeare And The Lawyers

Michael Seilmaier

Shakespeare And The Lawyers:

Shakespeare and the Lawyers O. Hood Phillips, 2005 Shakespeare and the Lawyers gives a comprehensive survey of what Shakespeare wrote about the law and lawyers and what has been written particularly by lawyers about Shakespeare's life and works in relation to the law **Shakespeare for Lawyers** Margaret Graham Tebo, 2010 Shakespeare for Lawyers contains more than 100 funny sharp witty sad and instructional quotes pulled from Shakespeare's plays and sonnets by a lawyer for lawyers and includes instructions on how they might be used in a courtroom mediation or elsewhere And of course the book features an extra section exploring what the Bard had to say about the law and those who practice it **The Breath of an Unfee'd Lawyer** William Shakespeare, 1996 Warshaw Shakespeare on Lawyers and the Law America's leading expert on law humour scans the complete works of Shakespeare for the choicest quotes of wit and wisdom about lawyers and the law *Shakespeare and the Lawyers* O Hood Phillips, 2013-04-15 First published in 1972 Shakespeare's writing abounds with legal terms and allusions and in many of the plays the concept and working of the law is a significant theme Shakespeare and the Lawyers gives a comprehensive survey of what Shakespeare wrote about the law and lawyers and what has been written particularly by lawyers about Shakespeare's life and works in relation to the law The book first reviews the recorded facts about Shakespeare's life and works and his connection with the Inns of Court It then discusses legal terms allusions and plots in the plays Shakespeare's treatment of the problems of law justice and government his description of lawyers and officers of the law his references to actual legal personalities and his trial scenes Two further chapters consider the criticisms that have been made of Shakespeare's law and the contribution to Shakespeare studies by lawyers Kill All the Lawyers? Daniel Kornstein, 2005-01-01 Two thirds of Shakespeare's plays have trial scenes and many deal specifically with lawyers courts judges and points of law Daniel Kornstein a practicing attorney looks at the legal issues and aspects of Shakespeare's plays and finds fascinating parallels with many legal and social questions of the present day The Elizabethan age was as litigious as our own and Shakespeare was very familiar with the language and procedures of the courts Kill All the Lawyers examines the ways in which Shakespeare used the law for dramatic effect and incorporated the passion for justice into his great tragedies and comedies and considers the modern legal relevance of his work This is a ground breaking study in the field of literature and the law ambitious and suggestive of the value of both our literary and our legal inheritance

Shakespeare a lawyer William Lowes Rushton, 1858 Shakespeare and the Law Bradin Cormack, Martha C. Nussbaum, Richard Strier, 2016-07-11 William Shakespeare is inextricably linked with the law Legal documents make up most of the records we have of his life trials lawsuits and legal terms permeate his plays Gathering an extraordinary team of literary and legal scholars philosophers and even sitting judges Shakespeare and the Law demonstrates that Shakespeare's thinking about legal concepts and legal practice points to a deep and sometimes vexed engagement with the law's technical workings its underlying premises and its social effects Shakespeare and the Law opens with three essays that provide useful

frameworks for approaching the topic offering perspectives on law and literature that emphasize both the continuities and the contrasts between the two fields In its second section the book considers Shakespeare's awareness of common law thinking and practice through examinations of *Measure for Measure* and *Othello* Building and expanding on this question the third part inquires into Shakespeare's general attitudes toward legal systems A judge and former solicitor general rule on Shylock's demand for enforcement of his odd contract and two essays by literary scholars take contrasting views on whether Shakespeare could imagine a functioning legal system The fourth section looks at how law enters into conversation with issues of politics and community both in the plays and in our own world The volume concludes with a freewheeling colloquy among Supreme Court Justice Stephen G Breyer Judge Richard A Posner Martha C Nussbaum and Richard Strier that covers everything from the ghost in *Hamlet* to the nature of judicial discretion Jacket *The Oxford Companion to Shakespeare* , Shakespeare and the Lawyers [By] O. Hood Phillips Owen Hood Phillips,1972 *The American Lawyer* ,1908 **Was Shakespeare a Lawyer?** Hull Terrell,1871 **Shakespeare's Legal Language** B. J. Sokol,Mary Sokol,2004-12-15 This encyclopedia style dictionary explores early modern social life legal thought and the interactions within Shakespearean drama *Shakespeare's Strangers and English Law* Paul Raffield,2023-01-26 Through analysis of 5 plays by Shakespeare Paul Raffield examines what it meant to be a stranger to English law in the late Elizabethan and early Jacobean period The numbers of strangers increased dramatically in the late sixteenth century as refugees fled religious persecution in continental Europe and sought sanctuary in Protestant England In the context of this book strangers are not only persons ethnically or racially different from their English counterparts be they immigrants refugees or visitors The term also includes those who transgress or are simply excluded by their status from established legal norms by virtue of their faith sexuality or mode of employment Each chapter investigates a particular category of stranger Topics include the treatment of actors in late Elizabethan England and the punishment of counterfeits *Measure for Measure* the standing of refugees under English law and the reception of these people by the indigenous population *The Comedy of Errors* the establishment of *Troynovant* as an international trading centre on the banks of the Thames *Troilus and Cressida* the role of law and the state in determining the rights of citizens and aliens *The Merchant of Venice* and the disenfranchised estranged position of the citizen in a dysfunctional society and an acephalous realm *King Lear* This is the third sole authored book by Paul Raffield on the subject of Shakespeare and the Law The others are *Shakespeare's Imaginary Constitution* Late Elizabethan Politics and the Theatre of Law 2010 and *The Art of Law in Shakespeare* 2017 both published by Hart Bloomsbury **Law Library Journal** ,1914 Vols 1 include Proceedings of the annual meeting of the American Association of Law Libraries *Index to Legal Periodicals* Eldon Revare James,1916 **Caspar's Practical Catalogue of Law Books** C. N. Caspar,1891 *Report of the Organization and ... Annual Meeting of the Colorado Bar Association* Colorado Bar Association,1900 *Report and Proceedings of the Annual Meeting* Colorado Bar Association,1898 *Women Lawyers' Journal* ,1971 **What is Man?**

Mark Twain, 1917

Whispering the Strategies of Language: An Emotional Journey through **Shakespeare And The Lawyers**
