People Jan Wozniak, 2016-03-10 What is the value of performing Shakespeare's plays for young people Using interviews with theatre workers rehearsal observations and workshops with young people this book argues that rather than promoting a range of pre determined textual understandings of the plays it is by trusting young people's experience of performances that they might gain most benefit It argues that by privileging the meanings young people make of Shakespeare new and exciting interpretations of his work might be found Drawing on case studies from theatre companies such as the Royal Shakespeare Company The Hip Hop Shakespeare Company Tiny Ninja Theatre Company and Company of Angels Theatre Company Jan Wozniak shows how the collaboration and materiality of performance is central to empowering young people to engage with enjoy and challenge Shakespeare Shakespeare for All Secondary Maurice Gilmour, 1997-01-01 An account of the RSA Shakespeare in Schools project which demonstrates that Shakespeare can be made accessible to students of all abilities from the age of 5 upwards The book provides accounts of performances of Shakespeare plays at a number of secondary schools and includes illustrated explorations of topics ranging from language to villains It links the use of Shakespeare to the National Curriculum emphasizing the fact that Shakespeare can be fun even for very young students The book has a companion Primary level volume Learning to Teach English in the Secondary School Jon Davison, Jane Dowson, 2003 Focused on the key skills needed to teach English at the secondary school level this text covers a range of issues that include use of new technology reading writing speaking listening drama and the teaching of grammar **Teaching Fiction in the Primary School** Dennis Carter, 2013-12-19 Designed for practising and student teachers working with a wide range of narrative fiction in infant and junior classrooms this text highlights the creative and expressive aspects of children's engagement with literature and provides Literacy Hour projects for each age group **Reimagining Shakespeare Education** Liam E. Semler, Claire Hansen, Jacqueline Manuel, 2023-02-23 A showcase of innovative global collaborative Shakespeare education projects between institutions educators practitioners and students *Shakespeare's Library* Stuart Kells, 2020-04-14 A tantalizing true story of one of literature's most enduring enigmas is at the heart of this lively even sprightly book Michael Dirda The Washington Post the quest to find the personal library of the world's greatest writer Millions of words of scholarship have been expended on the world's most famous author and his work And yet a critical part of the puzzle Shakespeare's library is a mystery For four centuries people have searched for it in mansions palaces and libraries in riverbeds sheep pens and partridge coops and in the corridors of the mind Yet no trace of the bard's manuscripts books or letters has ever been found The search for Shakespeare's library is much more than a treasure hunt Knowing what the Bard read informs our reading of his work and it offers insight into the mythos of Shakespeare and the debate around authorship The library's fate has profound implications for literature for national and cultural identity and for the global Shakespeare industry It bears on fundamental principles of art identity history meaning and truth Unfolding the search like the mystery story that it is acclaimed author Stuart Kells follows the trail of the hunters taking us through different

conceptions of the library and of the man himself Entertaining and enlightening Shakespeare s Library is a captivating exploration of one of literature s most enduring enigmas An engaging and provocative contribution to the unending world of Shakespeariana An enchanting work that bibliophiles will savor and Shakespeare fans adore Kirkus Reviews *Beginning Shakespeare 4-11* Joe Winston,Miles Tandy,2012-06-25 This book is clear approachable and true The elegant simplicity of its good guidance is the product of years of practical experience in the classroom I wholeheartedly commend it to primary school teachers everywhere Michael Boyd Artistic Director of the Royal Shakespeare Company Shakespeare s plays are widely regarded as the greatest inheritance in English literature and recent years have seen a growing interest in introducing them to children in their primary schools In this book the authors bring a blend of clear thinking playful and inventive practice and straightforward practical advice to bear on teaching Shakespeare in the primary school Children who encounter Shakespeare early have the opportunity to become comfortable with the plays their stories characters and settings long before they might become intimidated by their associations with exclusivity and high culture They are also given the chance to become familiar with and absorb his powerful and complex language at a stage when they are constantly encountering new vocabulary To do this most effectively demands a dynamic pedagogy one which recognises that the plays are best explored and understood through active physical engagement *Beginning Shakespeare 4 11* offers a sound rationale for teaching Shakespeare in primary schools and shows how to engage children with Shakespeare through story through the very best of early years practice and through his rich and sensual language It also illustrates how engagement with the plays and their language can have a dramatic impact on children s writing And because plays are for performing there is helpful and practical advice on how to develop the work and share it with the whole school parents and the wider community This accessible and comprehensive guide is ideal for teacher trainees and practising primary teachers everywhere

Shakespearean Spaces in Australian Literary Adaptations for Children and Young Adults Michael Marokakis,2022-07-29 *Shakespearean Spaces in Australian Literary Adaptations for Children and Young Adults* offers a comprehensive examination of Shakespearean adaptations written by Australian authors for children and Young Adults The 20 year period crossing the late twentieth and early twenty first centuries came to represent a diverse and productive era of adapting Shakespeare in Australian literature As an analysis of Australian and international marketplaces physical and imaginative spaces and the body as a site of meaning this book reveals how the texts are ideologically bound to and disseminate Shakespearean cultural capital in contemporary ways Combining current research in children s literature and Bourdieu s theory of cultural capital deepens the critical awareness of the status of Australian literature while illuminating a corpus of literature underrepresented by the pre existing concentration on adaptations from other parts of the world Of particular interest is how these adaptations merge Shakespearean worlds with the spaces inhabited by young people such as the classroom the stage the imagination and the gendered body The readership of this book would be academics researchers

and students of children's literature studies and Shakespeare studies particularly those interested in Shakespearean cultural theory transnational adaptation and literary appropriation High school educators and pre service teachers would also find this book valuable as they look to broaden and strengthen their use of adaptations to engage students in Shakespeare studies

American Primary Teacher, 1912 **Shakespeare and the Young Writer** Fred Sedgwick, 2002-01-31 Shakespeare and the Young Writer presents fascinating and impressive accounts of primary school children encountering Shakespeare's work for the first time Fred Sedgwick shows how careful selection of scenes lines and images from the plays and sonnets in their original language can be used to great effect as the starting point for children's writing Examples of children's work show just how powerful the stimulus can be The book will be of great value to all teachers looking for new ideas to improve their practice in teaching literacy *All the World's a Stage* Stefan Kucharczyk, Maureen Kucharczyk, 2017

Multidisciplinary Perspectives on Play from Birth and Beyond Sandra Lynch, Deborah Pike, Cynthia à Beckett, 2017-01-27 While firmly acknowledging the importance of play in early childhood this book interrogates the assumption that play is a birthright It pushes beyond traditional understandings of play to ask questions such as what is the relationship between play and the arts theatre music and philosophy and between play and wellbeing How is play relevant to educational practice in the rapidly changing circumstances of today's world What do Australian Aboriginal conceptions of play have to offer understandings of play The book examines how ideas of play evolve as children increasingly interact with popular culture and technology and how developing notions of play have changed our work spaces teaching practices curricula and learning environments as well as our understanding of relationships between children and adults This multidisciplinary volume on the subject of play combines the work of some of the world's leading researchers in the field of early childhood education with contributions from distinguished and emerging scholars in areas as diverse as education theatre studies architecture literature philosophy cultural studies theology and the creative arts Reconsidering the common focus on play in early education to investigate its broader impact this collection offers a refreshing and valuable addition to studies on play reconceptualizing it for the 21st century **Cross Curricular Contexts, Themes And Dimensions In**

Primary Schools Gajendra K. Verma, 2005-06-21 The final volume of four the authors consider how the concerns of ethnic groups may be addressed within the framework of the National Curriculum Despite the indecision surrounding primary school curriculum it remains that the multicultural nature of the population and of schools will develop
