JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Shakespeare and Stratford**
Katherine Scheil,2019-07-12 As the site of literary pilgrimage since the eighteenth century the home of the Royal
Shakespeare Company and the topic of hundreds of imaginary portrayals Stratford is ripe for analysis both in terms of its
factual existence and its fictional afterlife The essays in this volume consider the various manifestations of the physical and
metaphorical town on the Avon across time genre and place from America to New Zealand from children s literature to
wartime commemorations We meet many Stratfords in this collection real and imaginary and the interplay between the two
generates new visions of the place Shakespeare Between the World Wars Robert Sawyer,2019-02-06 Shakespeare
Between the World Wars draws parallels between Shakespearean scholarship criticism and production from 1920 to 1940
and the chaotic years of the Interwar era The book begins with the scene in Hamlet where the Prince confronts his mother
Gertrude Just as the closet scene can be read as a productive period bounded by devastation and determination on both sides
Robert Sawyer shows that the years between the World Wars were equally positioned Examining performance and offering
detailed textual analyses Sawyer considers the re evaluation of Shakespeare in the Anglo American sphere after the First
World War Instead of the dried barren earth depicted by T S Eliot and others in the 1920s and 1930s this book argues that
the literary landscape resembled a paradoxically fertile wasteland for just below the arid plain of the time lay the seeds for
artistic renewal and rejuvenation which would finally flourish in the later twentieth century **Troilus and Cressida**
William Shakespeare,2015-10-22 A revised edition of this intriguing and complex play updated to cover recent critical
thinking and stage history Troilus and Cressida is a tragedy often labelled a problem play because of its apparent blend of
genres and its difficult themes Set in the Trojan Wars it tells a story of doomed love and honour offering a debased view of
human nature in war time and a stage peopled by generally unsympathetic characters The revised edition makes an ideal text
