

The background of the entire slide is a photograph of a sunset or sunrise. The sun is a bright, glowing orb positioned in the center of the horizon, casting a long, shimmering reflection across the dark water. The sky is a deep blue, with wispy white clouds scattered across it. In the distance, dark, silhouetted mountains rise against the horizon. The overall mood is serene and contemplative.

Long Nights Of Mourning With Cd Audio:

Death of a Golden State Robert J. Muller, 2024-12-01 As rebellion consumes California one soldier's loyalty is put to the test when she discovers the greatest threat to America wears a familiar face Colonel Chazz Silver Chief of Staff of the Army National Guard has always been a soldier's soldier Decorated war hero Respected leader Loyal to a fault But when she uncovers a plot to tear California away from the United States she realizes that the greatest threat to her country comes from within As tanks roll through Sacramento and Manzanar reopens Chazz finds herself caught in a web of betrayal that stretches from the governor's office to the highest echelons of the military Her lover Tom Pea stands at the center of the storm but is he a co-conspirator or just another pawn With time running out and the fate of millions hanging in the balance Chazz must navigate a minefield of loyalty and deception becoming a fugitive and forming an unlikely alliance with an Air Guard sergeant a cartel boss's sister and a Marine colonel Racing against time she traverses the sun-baked Central Valley to the snow-capped peaks of the Sierra Nevada each step bringing her closer to the truth and further from everything she once believed in But as the lines between friend and foe blur Chazz faces an impossible choice fulfill her oath to the Constitution or save the man she once loved *Death of a Golden State* is a gripping tale of loyalty betrayal and the high cost of doing the right thing It's a stark reminder that in times of crisis the most dangerous enemies are often the ones we never see coming In a state where the golden dream has turned to ashes her fight could change the nation's future Will Chazz's last ditch resistance be enough to keep the bear on the California Republic's flag from devouring the nation Or will her fight for justice spark a conflagration that consumes them all Instead of dreams turning to gold Chazz Silver is about to discover that nightmares can become all too real *Cheating Death* Kenneth M. Valentine, 2024-04-16 Everyone and I mean everyone will give you advice on which way to go with your life Friends acquaintances classmates teammates your friends friends family teachers counselors and neighbors will nose into your business They will want to help you with everything from how to dress to how to act They will tell you what and where to eat where to go and what to do Before you know it your whole life will be planned out for you by someone else If you are susceptible to influencers choose your influences wisely Not all advisors or advice is equal In fact some of the advice coming your way courtesy of well-meaning friends or family may be downright awful Truly wise and useful advice will come from very few The world will give you the same crummy advice it gives everyone Get fame Pursue fortune More is better The world consistently perpetuates the lie that fame and fortune will make you happy The world lies Fame and fortune will not fill the void in our heart that was designed to be occupied by Christ Only God can fill that God-shaped space within us The world keeps trying and people keep following the siren song down the wide path to happy destruction Happy is hard to define I have determined that Happy is an elusive place All of the world's unfulfilled and dissatisfied people will call you to the same wide path life plan they followed and expect a different result I challenge you to take the narrow road I urge you to trust in the Lord in all your decision making *Out West* Charles Fletcher Lummis, 1914
