Copyright Office,1972 *The Long Road to Paris* Ed and Janet Howle,2011-01-06 It was our intent to write a travelogue of an around the world car race the first of its kind in more than one hundred years We began by interviewing JC Wilkerson CEO of World Rallies Inc and Kyle Vanderhorn the official race reporter Then Thurman Alston one of the racers approached us with an outrageous list of accusations presenting a very different story from the sanitized official version Thurman wanted to make these allegations public The accusations were primarily aimed at Ed Talbot the driver of car 23 a controversial alternative energy automobile which it appears has now been destroyed The allegations were as follows First that Ed leaked information to the CIA about the radical nature of the car s technology leading to the intervention of the U S and Russian governments and indirectly to the murders in Siberia

Second that Ed's irresponsible actions during the race were the reasons that the environmentally friendly technology in his entry has not been made available to the world and that he is to blame for some of the climatic change that will take place in the future Third that Ed was lying about the innovation in the car It was actually nothing new and was in fact fully developed in Nazi Germany during World War II and then held off the market by oil interests Finally that his secret liaison with his navigator showed a reckless disregard for his wife and young daughter and affected his judgment While these accusations appeared to be absurd we knew we had to sort out Thurman's wild claims before we could write an objective report of the around the world race We discovered that there was some truth among these charges a story hidden within a story We became intrigued with our findings It turned out that the race was a minor part of the challenges Ed faced Our research had turned up a convoluted love story that alone would have made it difficult for Ed to have followed a different course of action You can decide for yourself whether a less disastrous outcome would have been possible if he had made different decisions Ed and Janet Howle www.thelongroadtoParis.com *The Road to Love and Laughter* Kristin Adams, Danny Adams, 2021-07-20 What's the secret to keeping love alive and full of laughter Kristin and Danny Adams the couple behind numerous hilarious viral lip sync videos draw from their own experience in marriage and entertainment to encourage you to live loudly love radically and laugh uncontrollably Every relationship needs plenty of love and laughter But how do you keep the fun going when the road gets hard Viral video creators Kristin and Danny Adams's journey has involved more heated fellowship than their hilarious lip sync videos might lead you to think Kristin and Danny invite you to Turn roadblocks into opportunities for growth wisdom and even laughter Have faith in God to sustain you in difficult times and bring back your joy Let go of the fear of change and find courage to face all of life together Face the laugh blockers that get in the way of the joy of connection Rediscover the joy of your unique connection for a deeper and more fulfilling marriage journey You will come away changed This is a must read Jefferson and Alyssa Bethke With humor and so much wisdom this story will leave you inspired and feeling like you're not alone Jeremy and Audrey Roloff *Jennie* Roy H.
