Longfellow's Country:

Country Life in America, 1912 **Transatlantic Literature and Author Love in the Nineteenth Century** Paul Westover, Ann Wierda Rowland, 2016-09-22 This book is about Anglo American literary heritage It argues that readers on both sides of the Atlantic shaped the contours of international English in the 1800s expressing love for books and authors in a wide range of media and social practices It highlights how in the wake of American independence the affection bestowed on authors who became international objects of celebration and commemoration was a major force in the invention of transnational English literature the popular canon defined by shared language and tradition While love as such is difficult to quantify and recover the records of such affection survive not just in print but also in other media in monuments in architecture and in the ephemera of material culture Thus this collection brings into view a wide range of nineteenth century expressions of love for literature and its creators **Longfellow's Tattoos** Christine Guth, 2004 Charles Longfellow son of Henry Wadsworth Longfellow arrived in Yokohama in 1871 intending a brief visit and stayed for two years He returned to Boston laden with photographs curios and art objects as well as the elaborate tattoos he had collected on his body His journals correspondence and art collection dramatically demonstrate America's early impressions of Japanese culture and his personal odyssey illustrates the impact on both countries of globetrotting tourism Interweaving Longfellow's experiences with broader issues of tourism and cultural authenticity Christine Guth discusses the ideology of tourism and the place of Japan within nineteenth century round the world travel This study goes beyond simplistic models of reciprocal influence and authenticity to a more synergistic account of cross cultural dynamics *Homes and Haunts* Alison Booth, 2016-09-09 This is the first full length study of literary tourism in North America as well as Britain and a unique exploration of popular response to writers literary house museums and the landscapes or countries associated with their lives and works An interdisciplinary study ranging from 1820 1940 *Homes and Haunts* Touring Writers Shrines and Countries unites museum and tourism studies book history narrative theory theories of gender space and things and other approaches to depict and interpret the haunting experiences of exhibited houses and the curious history of topo biographical writing about famous authors In illustrated chapters that blend Victorian and recent first person encounters that range from literary shrines and plaques to guidebooks memoirs portraits and monuments Alison Booth discusses pilgrims such as William and Mary Howitt Anna Maria and Samuel Hall and Elbert Hubbard and magnetic hosts and guests as Washington Irving Wordsworth Martineau Longfellow Hawthorne James and Dickens Virginia Woolf's feminist response to homes and haunts shapes a chapter on Mary Russell Mitford Gaskell and the Brontës and another on the Carlyles house and Monk's House Booth rediscovers collections of personalities haunted shrines and imaginative re enactments that have been submerged by a century of academic literary criticism New England in Letters Rufus Rockwell Wilson, 2023-03-15 Mr Wilson who is widely and favorably known through his *Rambles in Colonial Byways* and similar works describes a series of pilgrimages to all the noteworthy literary landmarks of the New

England States These carry the reader to the birthplace of Longfellow and the scenes sung by Whittier to the Salem of Hawthorne to the Concord of Emerson and Thoreau to Cambridge with its memories of Holmes and Lowell to Boston and the land of the Pilgrims and then westward to the Berkshires where Melville wrought upon his best romances and Bryant found inspiration for his loftiest verse The work of each author is dealt with in association with its environment and this method makes Mr Wilson's book both a guide for the pilgrim and an illuminating review for the student **Longfellow's Hyperion, Kavanagh, and The Trouveres** Henry Wadsworth Longfellow, 1887 *A History of Longfellow's Wayside Inn* Brian E. Plumb, 2011-11-04 Longfellow's Wayside Inn in Sudbury Massachusetts is the most venerable of all the old historic taverns still operating in America Built three hundred years ago by the How family it has witnessed Indian affairs colonial wars and the coming of the stagecoach railroad and automobile The poet Henry Wadsworth Longfellow immortalized it in verse with his 1863 collection *Tales of a Wayside Inn* suddenly making it a desired destination for travelers Longfellow's romanticized description of the inn later so inspired Henry Ford that he purchased and restored the building and its surrounding three thousand acres Join author Brian Plumb as he traverses the highways of New England's history to discover the stories of Longfellow's Wayside Inn **American Regional Folklore** Terry Mood Leopold, 2004-09-24 An easy to use guide to American regional folklore with advice on conducting research regional essays and a selective annotated bibliography *American Regional Folklore* begins with a chapter on library research including how to locate a library suitable for folklore research how to understand a library's resources and how to construct a research strategy Mood also gives excellent advice on researching beyond the library locating and using community resources like historical societies museums fairs and festivals storytelling groups local colleges newspapers and magazines and individuals with knowledge of the field The rest of the book is divided into eight sections each one highlighting a separate region the Northeast the South and Southern Highlands the Midwest the Southwest the West the Northwest Alaska and Hawaii Each regional section contains a useful overview essay written by an expert on the folklore of that particular region followed by a selective annotated bibliography of books and a directory of related resources **Environmental Evasion** Lloyd Willis, 2012-01-02 How do we reconcile the abstract reverence for the natural world central to American literary history beginning with Ralph Waldo Emerson's *Nature* with over a century and a half of widespread environmental destruction *Environmental Evasion* examines the environmental implications of literary and cultural productions by writers from James Fenimore Cooper and Henry Wadsworth Longfellow to Willa Cather John Steinbeck Ernest Hemingway and Zora Neale Hurston Lloyd Willis provocatively argues that the environmentalist outlooks by Cooper and Longfellow were eclipsed by Ralph Waldo Emerson's abstract imperialist vision of nature He demonstrates how many 20th century American writers have taken the Emersonian approach participating in a silent but extremely powerful form of evasive environmental politics in the ways in which they write about the natural world Attentive to the inherent political dimensions of all texts *Environmental Evasion* insists on the relevance of environmental

history and politics to New Americanist approaches to the literary canon 1875-1890 Charles Wells Moulton,1910 **A Henry Wadsworth Longfellow Companion** Robert L. Gale,2003-12-30 Best remembered today as the author of The Song of Hiawatha Longfellow continues to be one of the most popular poets in American literary history This book is a guide to his life and writings A brief introductory essay overviews Longfellow s life and accomplishments A chronology then summarizes the chief events in his career Hundreds of alphabetically arranged entries follow discussing individual poems his other writings his family members and professional associates and topics related to his life and literary achievements Entries list works for further reading and the volume closes with a selected general bibliography Longfellow has also enjoyed fame worldwide in England his poems outsold those of Browning and Tennyson In addition to being a gifted poet Longfellow had a brilliant career as a college professor He wrote numerous critical works and translations and was also a leading American Dante scholar He frequently wrote letters and his admirers often sought his advice on personal and professional matters
