Longing Pier The:

The Longing Pier Rose A. Adkins, 2004-12-30 The Longing Pier is not an angry story and Irene is not an angry character She is resolved and leads us through a spiritually redemptive story Irene spends all her life longing never understanding why she suffers from it Then comes also a spiritual longing as though Irene is working hard to salvage what she can out of a religion that has ultimately left her confused And finally she does salvage a few good things forgiveness the consciousness of grace and the possibility of healing Throughout the story Irene is moving toward understanding her longing and the consequences of the absence of God in her life Irene grew up believing that God might abandon her and fear of being without him controls most of her young life As an adult she begins to have doubts about her faith in him The story comes around to a kind of spiritual and sexual awakening a kind of journey that we find personally interesting because it happens to many of us We have to move from one understanding of God to another and from one understanding of sexuality to another **A**

Poemers' Poemings Marjory Bennett, 2018-02-15 I chose the title A Poemers Poemings because it means for me that of someone to whom is always writing about something anything And its odd and catchy at the same time and its the main title for the series that I am writing in volumes too many to put all into one book I think of my poems all as individual artworks own a completeness from start to finish a journey a path a message that will inspire mesmerize intrigue and take you to that deepness that hasn't been felt or known of your own self Allow yourself to think out there and to see what each one is telling you Envision the poem and let yourself see the answers to your own thoughts of these pieces of artworks **Holiday**
