JOHN STEVENSON

Longman Handbook Of Modern History 1714 1837

Michael Steven Smith

Longman Handbook Of Modern History 1714 1837:

The Longman Handbook of Modern British History, 1714-1980 Chris Cook, John Stevenson, 1983 Longman Handbook to Modern British History 1714 - 2001 Chris Cook, John Stevenson, 2014-07-10 This compact and accessible reference work provides all the essential facts and figures about major aspects of modern British history from the death of Queen Anne to the end of the 1990s The Longman Handbook of Modern British History has been extended to include a fully revised bibliography reflecting the wealth of newly published material in recent years the new statistics on social and economic history and an expanded glossary of terms The political chronologies have been revised to include the electoral defeat of John Major and the record of New Labour in office Designed for the student and general reader this highly successful handbook provides a wealth of varied data within the confines of a single volume The Longman Handbook of Modern British History, 1714-1980 Chris Cook, John Stevenson, 1983 *The Longman Handbook of Modern British History, 1714-1995* Chris Cook, John Stevenson, 1996 A thoroughly revised and updated edition of this comprehensive text *Britain and Ireland* Jürgen Kramer, 2022-11-01 Britain and Ireland recounts the history of the two states the United Kingdom of Great Britain and Northern Ireland and the Republic of Ireland and the four nations the Irish the Welsh the Scottish and the English from prehistory to the present Chapters are organised chronologically starting in 4000 BCE coming through the Roman occupation the Reformation the Industrial Revolution and the formation of the British Empire Coming up to the present day this new edition has expanded material on post 1800 Irish history with particular emphasis on the Famine Home Rule the Irish Civil War partition the Troubles the Good Friday Agreement and the Brexit fallout Later chapters also have increased emphasis on national developments including Thatcherism Blairism monarchy austerity devolution the Scottish referendum and international relations with the US Europe and the Commonwealth ending with the ongoing impact of COVID 19 and climate change Accompanied by illustrations and information boxes and with an increased selection of documents with questions to challenge students of British and Irish studies the book presents not only the story of what happened in the British Isles but its interdependence with Europe and the rest of the world **Politics and Governance in the UK** Michael Moran, 2017-10-13 The third edition of this comprehensive and innovative textbook provides an invaluable narrative and insight into the ever changing landscape of British politics Updated to cover the 2015 General Election the Scottish independence referendum and changing relations with the European Union this extensively revised new edition sets out to provide students with a clear understanding of the core features of British politics and contemporary governance as well as an examination of the way in which the governing process is becoming increasingly multi level and multi agency Written in a concise and accessible style by one of the leading authors in the field this engaging text provides an illuminating framework that draws on the range of analytical issues and theoretical debates in the study of British politics Through Moran's unrivalled account of the way Britain is governed it is clear to see why this text continues to be essential reading for

undergraduate students of British politics New to this Edition Continued discussion on the influence of EU membership on British politics A distinct emphasis on the rising importance of management in the system of government New 2017 update covers both the 2016 EU Referendum and the 2017 General Election as well as their repercussions for British politics

The British Working Class 1832-1940 Andrew August, 2014-06-11 In this insightful new study Andrew August examines the British working class in the period when Britain became a mature industrial power working men and women dominated massive new urban populations and the extension of suffrage brought them into the political nation for the first time Framing his subject chronologically but treating it thematically August gives a vivid account of working class life between the mid nineteenth and mid twentieth centuries examining the issues and concerns central to working class identity Identifying shared patterns of experience in the lives of workers he avoids the limitations of both traditional historiography dominated by economic determinism and party politics and the revisionism which too readily dismisses the importance of class in British society

Britain in the Hanoverian Age, 1714-1837 Gerald Newman, Leslie Ellen Brown, 1997 In 1714 king George I ushered in a remarkable 123 year period of energy that changed the face of Britain and ultimately had a profound effect on the modern era The pioneers of modern capitalism industry democracy literature and even architecture flourished during this time and their innovations and influence spread throughout the British empire including the United States Now this rich cultural period in Britain is effectively surveyed and summarized for quick reference in a first of its kind encyclopedia which contains entries by British Canadian American and Australian scholars specializing in everything from finance and the fine arts to politics and patent law More than 380 illustrations mostly rare engravings enhance the coverage which runs the whole gamut of political economic literary intellectual artistic commercial and social life and spotlights some 600 prominent individuals and families

Imagining Soldiers and Fathers in the Mid-Victorian Era Susan Walton, 2017-11-30 Beginning with the premise that women's perceptions of manliness are crucial to its construction The author focuses on the life and writings of Charlotte Yonge as a prism for understanding the formulation of masculinities in the Victorian period Yonge was a prolific writer whose bestselling fiction and extensive journalism enjoyed a wide readership The author situates Yonge's work in the context of her family connections with the army showing that an interlocking of worldly and spiritual warfare was fundamental to Yonge's outlook For Yonge all good Christians are soldiers and Walton argues persuasively that the medievalised discourse of sanctified violence executed by upright moral men that is often connected with late nineteenth century Imperialism began earlier in the century and that Yonge's work was one major strand that gave it substance Of significance Yonge also endorsed missionary work which she viewed as an extension of a father's duties in the neighborhood and which was closely allied to a vigorous promotion of refashioned Tory paternalism The author's study is rich in historical context including Yonge's connections with the Tractarians the effects of industrialization and Britain's Imperial enterprises Informed by extensive archival scholarship Walton offers important insights into the contradictory messages about manhood

current in the mid nineteenth century through the works of a major but undervalued Victorian author **Forthcoming Books** Rose Arny,2000-06 **The Longman Handbook of Modern British History, 1714-2001** Chris Cook,John Stevenson,2001 Now well established as the leading reference work for students of modern Britain this latest editionhas been extended to include a fully revised bibliography new statistics on social and economic history and an expanded glossary of terms Completely up to date the volume contains new material on such recent developments as the Scottish Parliament and Welsh Assembly House of Lords reform and developments in the European Union The political chronologies have been revised to include the electoral defeat of John Major the record of the New Labour government and its success in winning a second term in office **Recording for the Blind & Dyslexic, ... Catalog of Books** ,1996 *Great Britain* Richard S. Tompson,2014-05-14 An A Z reference guide to significant people ideas places and events in British history **British Sources of Information** P. Jackson,2003-09-02 This comprehensive and versatile reference source will be a most important tool for anyone wishing to seek out information on virtually any aspect of British affairs life and culture The resources of a detailed bibliography directory and journals listing are combined in this single volume forming a unique guide to a multitude of diverse topics British politics government society literature thought arts economics history and geography Academic subjects as taught in British colleges and universities are covered with extensive reading lists of books and journals and sources of information for each discipline making this an invaluable manual *Anti-radical Expression* Michael Steven Smith,1999 *American Book Publishing Record* ,2001 England Alan Edwin Day,1993 **The British National Bibliography** Arthur James Wells,1995 *A London Bibliography of the Social Sciences* ,1931 Vols 1 4 include material to June 1 1929 *In the Footsteps of Queen Victoria* Christa Jansohn,2003
