Look to the Rock Alec Motyer, 2020-05-21 The Bible is one book not two separate testaments so the Old Testament is essential for understanding the New In this stimulating book on the Old Testament background to Christ Alec Motyer shows how Jesus is the king expected who brings in the kingdom looked for in the Old Testament is both the image and the Word of God conquers sin and death and brings the disordered creation to its perfect consummation To neglect the Old Testament the author maintains is to have an impoverished view of the glory of Christ **Look to the Rock** Alec Motyer, 1996 [A](#)

Jesus Through the Old Testament Christopher J. H. Wright, 2014-10-14 We cannot know Jesus without knowing his story And that story began long before Jesus was born in Bethlehem The Gospels tell us clearly that Jesus himself along with his earliest followers understood who he was and what he came to do in the light of the story of Israel as told in the pages of the Old Testament Like them we too will find that our own understanding of both Jesus and the Old Testament is transformed as we see each in the light of the other Engaging with the Scriptures Christopher J H Wright uncovers Jesus self understanding as Son of Man and Son of God following the path and fulfilling the call that God had placed before Israel Through this we discover that the deeper we go into understanding the Old Testament the closer we come to the heart of Jesus In this revised and updated second edition Wright digs deeper into the Old Testament revealing the God whom Jesus embodied Each chapter is followed with questions and exercises which can be used either in personal study or in group discussion

 Alistair Begg, 2021-10-05 God's code of conduct is as relevant and insistent today as it's always been The landscape of
 contemporary society reveals that we neither know nor care much about the Law of God There is A general lawlessness in
 the lives of professing Christians An absence of the fear of God in public worship and private living A growing confidence in
 ourselves and doubt concerning God and His Word Amidst this moral crisis the message of the Ten Commandments can give
 us order direction and hope With dynamic implications for how each of us lives every day Pathway to Freedom will challenge
 you to think long and hard about the significance of God's Law We have entered into a time of moral crisis in our culture and
 in the church as well Stories about divorce adultery and the individualized picking and choosing of doctrines around Pathway
 to Freedom is forthright and necessary teaching that today's church cannot afford to ignore How now shall we live The
 beginning of the answer must be in obedience to God's moral law summarized in the Ten Commandments CHARLES

 E. Shepherd, 2014-04-24 This study brings together the hermeneutical approaches of three Old Testament scholars
 specifically as they pertain to the interpretation of Isaiah 52:13-53:12 in the framework of Christian theology Contemporary
 discourse and hermeneutical discussions have led to the development of a point of confusion in theological hermeneutics
 focusing on what relationship older frames of reference may have with those more recent Bernhard Duhm is presented as a
 history of Religion scholar who does not easily abide by popular understandings of that school Brevard Childs moves outward
 from particular historical judgments regarding the nature of redaction and form criticism attempting to arrive at a
 proximately theological reading of the poem Alec Motyer's evangelical commitments represent a large constituency of
 contemporary theological readership and a popular understanding of Isaiah 53 Following a summary and critical engagement
 of each interpreter on his own terms the study analyzes the use of rhetoric behind the respective readings of Isaiah 53 and
 proposes theological reading as a highly eclectic undertaking distanced from the demarcations of pre-critical critical and post-

Caswell,2022-11-08 Most people do not understand elements of the gospel that are emphasized in the minor prophets For example without the minor prophets we are at risk of not cherishing or fearing the day of the Lord Joel 2 Likewise we d fail to understand and appreciate themes like the wrath of God Micah 2 3 and social justice Micah 6 8 in light of the Christ event Micah is often overlooked but this commentary presents a compelling case for why he matters The author argues that while Micah is often lumped in with minor prophets he deserves to be taught on his own He also suggests that while many have read and preached Micah they have missed the gospel For instance a minor prophetic book like Micah is sometimes used by advocates for social justice to advance a progressive social gospel agenda which runs the risk of applying the text in a way that urges people toward progressive political positions disconnected from Jesus Take Micah back and marvel at the glory of the Lord with the insights and commentary in *The Gospel According to Micah From Creation to New Creation* Tim Chester,2010-10-01 Packed with diagrams illustrations and timelines this accessible overview unlocks the storyline of the whole Bible Sometimes it s hard to see the wood for the trees Running through the many gripping and memorable stories the Bible contains is one big story of God s plan for the world he made and how he brought it about through Jesus Christ Packed with diagrams illustrations and timelines this accessible Bible overview unlocks the storyline of the whole Bible how God promised and then brought about the plan to save our fallen world But this is no book of arid theological ideas It is a story that will encourage effective active Christian living in today s world Looking at God s covenantal promises with Abraham Moses and David Tim Chester presents the big picture of the Bible and helps Christians understand the part in relation to the whole From Creation to New Creation traces different elements of the promise and introduces A people God s promise to save a people who will be His people A land God s promise to provide a place of blessing A king God s promise to re establish his rule of freedom and peace The nations God s promise to bring his salvation to all the peoples of the world
