Believe in Your Own Fairytale Kay-Marie Fletcher, 2019-01-15

Believe In Your Own Fairytale narrates a young woman's quest to achieve dreams all thought impossible. While being raised in a poor black household on a small island does not make one the perfect candidate for a happily ever after, Fletcher shows that fairytales are real for those who find the magic in themselves. It is a journey of self-discovery, relationship with God, and overcoming hardships including grief, disappointment, depression, poverty, anxiety, and overcoming many psychological barriers to manifest true purpose. If you've ever doubted that your dreams are too big or maybe never believed in fairytales at all, then this is the book for you. It is designed for all the wanderers, dreamers, and every person who has felt like their goals were so big it scared them and everyone else around them. It is for those who lack support from others and struggle daily to achieve their lifelong goals. Yuh see when you're born in 1990 and yuh grow up as an only child to a poor black single parent mother in the Caribbean, wanting to become a New York Times best-selling author and broadcast journalist living in the big apple seems like a real FAIRYTALE. My childhood dream of becoming the Caribbean Carrie Bradshaw was often mocked and turned away by locals who told me give up. Kay Marie dem ting does only happen in books and movies. Determined to prove everyone wrong and do so by age 25, I set out on the pursuit of happiness as a young na ve but strong minded island girl. However, my journey to achieve these goals was often disrupted by many hardships, and this book details how I dealt with them. These include grief, disappointment, depression, and poverty, anxiety, crossing geographical borders, and overcoming many psychological barriers. The unexpected death of my grandmother and uncle, which made me struggle to complete university, was just one of many. This caused me great turmoil since Education had to be my ticket into a better life. After being rejected to do my post grad studies in the U S, I was forced to take an ordinary desk job to earn a living. Meanwhile, I hoped that finding true love would be a worthy compromise. Sadly, I looked for it in all the wrong guys. Luckily, I landed my dream job as a journalist at the largest local news station back home. Soon after taking it, however, my old dream resurfaced, and I was finally given the chance to migrate to the United States. By then, I had to choose between

giving up the life I d always imagined overseas and accepting what seemed to be my new fate in Trinidad But what happened next completely overturned my life After surviving a horrific car accident on my 25th birthday I woke up to an epiphany that my fairytale was much more than just becoming a big city girl Taking a leap of faith to go after my dreams developing a relationship with God and discovering my true purpose in life became my real happily ever after This book also gives an entirely new outlook to the traditional concept of what we know a fairytale to be Unlike others each chapter unravels a whole new definition of the term fairytale and intends to convince the minds of those who never believed in fairytales at all When you read this book you will discover that your fairytales are your dreams your purpose your truth your vision your deepest thoughts your inner magic your baby your goals your prophetic call your diamond your destiny and your recipe for success just to name a few X *Juan Muñoz: Seven Rooms* Juan Muñoz, Siri Hustvedt, Guillaume Kientz, Maurizio
