Look Back and Laugh John Schmidtke, 2017-04-18 In *Look Back and Laugh* John Schmidtke laughs about the crazy things that happened in his family The wonderful thing is that the longer ago it was and the worse it got the funnier it gets Is your life like that We re talking about the silly stuff that usually ruins your day The mistakes misstatements accidents misfortunes problems Don t let them ruin your life If bad things happened it isn t because you re unlucky It s because you re normal Your past the downs as well as the ups can be a real blessing It all depends on how you look at them Laughter is the key Whatever happened ridiculous riotous or ruinous happened If you can laugh at it you can live with it There is humor in everything All you have to do is find it Laughter is good medicine too When you think back on even a bad event with laughter it will bring a smile instead of tears or anger It ll help you and everyone around you because happiness is catchy Go ahead friend Buy this read Find out why John says If life is taking you to the Funny Farm you might as well laugh along the way

Look Back and Laugh Michael Jayme, 1997 *Believe in Your Own Fairytale* Kay-Marie Fletcher, 2019-01-15 *Believe In Your Own Fairytale* narrates a young woman s quest to achieve dreams all thought impossible While being raised in a poor black household on a small island does not make one the perfect candidate for a happily ever after Fletcher shows that fairytales are real for those who find the magic in themselves It is a journey of self discovery relationship with God and overcoming hardships including grief disappointment depression poverty anxiety and overcoming many psychological barriers to manifest true purpose If you ve ever doubted that your dreams are too big or maybe never believed in fairytales at all then this is the book for you It is designed for all the wanderers dreamers and every person who has felt like their goals were so big it scared them and everyone else around them It is for those who lack support from others and struggle daily to achieve their lifelong goals Yuh see when you re born in 1990 and yuh grow up as an only child to a poor black single parent mother in the Caribbean wanting to become a New York Times best selling author and broadcast journalist living in the big apple seems like a real FAIRYTALE My childhood dream of becoming the Caribbean Carrie Bradshaw was often mocked and turned away by locals who told me give up Kay Marie dem ting does only happen in books and movies Determined to prove everyone wrong and do so by age 25 I set out on the pursuit of happiness as a young na ve but strong minded island girl However my journey to achieve these goals was often disrupted by many hardships and this book details how I dealt with them These include grief disappointment depression and poverty anxiety crossing geographical borders and overcoming many psychological barriers The unexpected death of my grandmother and uncle which made me struggle to complete university was just one of many This caused me great turmoil since Education had to be

my ticket into a better life After being rejected to do my post grad studies in the U S I was forced to take an ordinary desk job to earn a living Meanwhile I hoped that finding true love would be a worthy compromise Sadly I looked for it in all the wrong guys Luckily I landed my dream job as a journalist at the largest local news station back home Soon after taking it however my old dream resurfaced and I was finally given the chance to migrate to the United States By then I had to choose between giving up the life I d always imagined overseas and accepting what seemed to be my new fate in Trinidad But what happened next completely overturned my life After surviving a horrific car accident on my 25th birthday I woke up to an epiphany that my fairytale was much more than just becoming a big city girl Taking a leap of faith to go after my dreams developing a relationship with God and discovering my true purpose in life became my real happily ever after This book also gives an entirely new outlook to the traditional concept of what we know a fairytale to be Unlike others each chapter unravels a whole new definition of the term fairytale and intends to convince the minds of those who never believed in fairytales at all When you read this book you will discover that your fairytales are your dreams your purpose your truth your vision your deepest thoughts your inner magic your baby your goals your prophetic call your diamond your destiny and your recipe for success just to name a few X

Understanding the Heart Stephen Hussey,2022-04-07 Foreword INDIES Book of the Year Award Finalist for Health The most mind blowing information on heart disease I consider this to be one of the best books I ve ever read on cardiovascular health Ben Greenfield New York Times bestselling author Heart disease is the number one killer in the world Despite ever advancing medical procedures and more and more powerful pharmaceutical drugs the rate of heart disease continues to rise According to Dr Stephen Hussey this is due in part to misunderstandings about how the heart really functions and how to keep it healthy These misunderstandings result in improper medical approaches and off target intervention therapies As a type 1 diabetic Dr Hussey has always known that he was at two to four times greater risk of developing heart disease As a result he has dedicated his entire adult life to understanding the heart to prevent himself from becoming a statistic And then his worst nightmare came true Dr Hussey suffered a STEMI a blockage in the left anterior descending artery of his heart STEMI s are typically so fatal that they are known as widowmakers Only 12 percent of those who experience them outside of a hospital setting survive Dr Hussey was among the lucky 12 percent but faced a difficult decision during his recovery follow the standard of care laid out for him by the attending cardiologist or

politely decline and apply everything he'd learned about the heart to a recovery protocol that would look massively different than what the doctors were recommending In Understanding the Heart Dr Hussey shares the information that guided him through the highest stakes decision of his life including A large body of research suggesting that the heart is not the main mover of blood in the body and what that means for your overall health The evolutionary origins of the nervous system and how these manifest today in rampant rates of heart disease Deep analysis of the widely accepted idea that saturated fat and cholesterol will clog your arteries The importance of reducing oxidative stress for a heart healthy lifestyle In Understanding the Heart Dr Stephen Hussey lays bare everything he has learned in his deep investigation into the heart and guides you on a path to prevent disease in the context of a highly diseased modern world in order to enjoy lifelong good health **Liberty**
