Privilege Through the Looking-Glass Patricia Leavy, 2017-10-10

Privilege Through the Looking Glass is a collection of original essays that explore privilege and status characteristics in daily life. This collection seeks to make visible that which is often invisible. It seeks to sensitize us to things we have been taught not to see. Privilege, power, oppression, and domination operate in complex and insidious ways, impacting groups and individuals. And yet these forces that affect our lives so deeply seem to at once operate in plain sight and lurk in the shadows, making them difficult to discern. Like water to a fish, environments are nearly impossible to perceive when we are immersed in them. This book attempts to expose our environments. With engaging and powerful writing, the contributors share their personal stories as a means of connecting the personal and the public. This volume applies an intersectional perspective to explore how race, class, gender, sexuality, education, and ableness converge, creating the basis for privilege and oppression. Privilege Through the Looking Glass encourages readers to engage in self and social reflection and can be used in a range of courses in sociology, social work, communication, education, gender studies, and African American studies. Each chapter includes discussion questions and/or activities for further engagement. Privilege Through the Looking Glass offers a varied and profound examination of how privilege functions as the underside of power. This is a powerful and important book about inequality, identity, agency, and the challenge of addressing difference as part of a democratic ethos in a time of growing authoritarianism all over the world. Every educator should read this book. Henry A. Giroux, Professor, McMaster University. A courageous volume that blends theory, personal experiences, and reflections on contemporary debates over identity. This is a book that is more about the politics of identity than identity politics. It is a powerful testament to the urgency of understanding privilege and deserves to be read widely. Peter McLaren, Distinguished Professor, Chapman University. Privilege Through the Looking Glass unmasks the casualisms that suppress the best aspects of our humanity by assembling a powerful and honest collection of parables. Poignant and unflinching, the contributors eschew the cloak of objectivism to give the hard truth about privilege as a social ill and the collective responsibility of the conscious community to confront all forms of oppression. This book has lessons for anyone with the spirit to explore better ways to be themselves and relate to others. Ivory A. Toldson, Professor, Howard University and Editor in Chief for The Journal of Negro Education. Patricia Leavy, Ph.D., is an award-winning independent sociologist and best-selling author.

What's Behind the Looking Glass? Eric

Shepherd, 2014-12-26. Most people wish they could get a second chance in life. A do-over and correct those mistakes that now lay hidden or buried in their closet. They wish they could hide all those painful memories and lock them all away into a box. Buried them so deep, hoping they never resurface rather than too face them at all. EJ Stuart is just such a person, yet his memories are not the same, nor are the hardships of abuse caused by a broken home the same as another man's down the street. His nightmares are worlds apart from any man has ever faced. He dreams of darkness, everlasting darkness, so evil that it can tear a man's mind apart. Death to some is only a beginning to something else, but what if it was designed to change the

outcome entirely yes a redo But what of the cost and are you willing to pay for it even if it is your very soul is at stake EJ Stuart as man now a statuses quo in this world is given the opportunity But first he must choose to as he sits one last time on porch alone waging war with his darkest thoughts That brought him to this stage of life which hunts his dreams and has now entered his waking state Which will he chose Death or a chance to change his destiny forever knowing his very soul is at stake Knowing he could never come back Knowing his life could be changed forever and others around him For this choice is a gift which can only be obtained Behind the Looking Glass Where worlds such as Nightmares Monsters and Fairytales are real and some or seeking his very soul others are asking for help his help to save his and their world from the grasp of evil Choose well

The Female Body in the Looking-Glass Basia Sliwinska, 2016-06-29 In his theory of the mirror stage the psychoanalyst and psychiatrist Jacques Lacan argued that the female body is defined by its lack of male attributes Within this framework he described female sexuality primarily as an absence and assumed female subordination to the male gaze However what happens if one follows Jean Baudrillard s advice to swallow the mirror and go through the looking glass to explore the reflections and realities that we encounter in the cultural mirror which reflects the culture in question its norms ideals and values What if the beautiful is inverted and becomes ugly and the ugly is considered beautiful or shape shifts into something conventionally thought of as beautiful These are the fundamental questions that Basia Sliwinska poses in this important new enquiry into gender identity and the politics of vision in contemporary women s art Through an innovative discussion of the mirror as a metaphor Sliwinska reveals how the post 1989 practices of woman artists from both sides of the former Iron Curtain such as Joanna Rajkowska Marina Abramovic Boryana Rossa Natalia LL and Anetta Mona Chisa and Lucia Tkacova go beyond gender binaries and instead embrace otherness and difference by playing with visual tropes of femininity Their provocative works offer alternative representations of the female body to those seen in the cultural mirror Their art challenges and deconstructs patriarchal representations of the social and cultural other associated with visual tropes of femininity such as Alice in Wonderland Venus and Medusa The Female Body in the Looking Glass makes a refreshing radical intervention into art theory and cultural studies by offering new theoretical concepts such as the mirror and genderland inspired by Alice s adventures in Wonderland as critical tools with which we can analyse and explain recent developments in women s art

Into The Looking-Glass Wood Alberto Manguel, 2011-02-04 By the award winning author of A History of Reading For me words on a page give the world coherence Words tell us what we as a society believe the world to be I believe there is an ethic of reading a commitment that is both political and private in the act of turning the pages And I believe that sometimes beyond the author s intentions and beyond the reader s hopes a book can make us better and wiser Through personal stories and literary reflections in a style rich in humour and gentle erudition Manguel leads us the readers to reflect upon the pleasures and responsibilities of reading and the links that exist between the world we live in and the words we live amongst Into the Looking Glass Wood is a voyage into the subversive heart of words a voyage fired by the

author's humanity and extraordinary breadth of vision

The Looking-glass Daniel H. Peterson, 1854

Blindness

Through the Looking Glass Gili Hammer, 2019-10-03 Modern Western culture is saturated with images imprinting visual standards of concepts such as beauty and femininity onto our collective consciousness. *Blindness Through the Looking Glass* examines how gender and femininity are performed and experienced in everyday life by women who do not rely on sight as their dominant mode of perception, identifying the multiple senses involved in the formation of gender identity within social interactions. Challenging visuality as the dominant mode to understand gender, social performance, and visual culture, the book offers an ethnographic investigation of blindness and sight as a human condition, putting both blindness and vision on display by discussing people's auditory, tactile, and olfactory experiences as well as vision and sight, and by exploring ways that individuals perform blindness and sightedness in their everyday lives. Based on in-depth interviews with 40 blind women in Israel and anthropological fieldwork, the book investigates the social construction and daily experience of blindness in a range of domains. Uniquely, the book brings together blind symbolism with the everyday experiences of blind and sighted individuals, joining in mutual conversation the fields of disability studies, visual culture, anthropology of the senses, and gender studies.

Alice's Adventures in Wonderland and Through the Looking Glass Carroll L., 2018 Lewis Carroll was the pen name of Charles L. Dodgson, English writer, mathematician, and photographer. This volume includes both of his most famous writings, *Alice's Adventures in Wonderland* and its sequel *Through the Looking Glass*. They tell a story of adventures of a girl named Alice in fantasy worlds full of wonderful and peculiar creatures. Both of these works were considered children's novels that were satirical in nature. The tales play with logic, giving these stories lasting popularity with adults as well as with children.

Victorian Literature in the Looking Glass of Psychology Melinda Gorgan, 2014-11-08 *Victorian Literature in the Looking Glass of Psychology* is an interdisciplinary study that observes the changes in literary character construction throughout the Victorian Age. Pursuing the epistemologically altered character construction over the years from the beginning to the end of the Victorian era, the book covers a range of titles that demonstrate that the progress of psychology was responsible for the way the workings of the mind were understood. It addresses the changes that characters underwent in the fifty years passing from *Jane Eyre* to *Dracula*. The influence of psychology on literature is tracked step by step through the Victorian age, starting with Charlotte Brontë's *Bildungsroman* and Dickens's realism, and ending with the inward turn, the focus on the psychological mechanisms of the individual in Henry James, Robert Louis Stevenson, Oscar Wilde, and Bram Stoker. For scholars interested in an up-to-date critical approach to Victorian literature focusing on interdisciplinarity, discourse negotiations, and psychosynthetic literary analysis, the book will be a valuable reference source.

Unveiling the Energy of Verbal Artistry: An Mental Sojourn through **Looking At Glass**

In some sort of inundated with screens and the cacophony of fast conversation, the profound energy and mental resonance of verbal art frequently diminish into obscurity, eclipsed by the regular onslaught of sound and distractions. However, located within the lyrical pages of **Looking At Glass**, a charming function of fictional elegance that pulses with natural feelings, lies an memorable trip waiting to be embarked upon. Penned by way of a virtuoso wordsmith, that mesmerizing opus instructions visitors on a mental odyssey, gently exposing the latent possible and profound impact stuck within the delicate web of language. Within the heart-wrenching expanse with this evocative examination, we will embark upon an introspective exploration of the book is central styles, dissect their captivating writing model, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Looking At Glass full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of

Looking At Glass eBooks, including some popular titles.

FAQs About Looking At Glass Books

What is a Looking At Glass PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Looking At Glass PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Looking At Glass PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Looking At Glass PDF to another file format? There are multiple ways to convert a PDF to another format:

Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Looking At Glass PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities.

How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without

significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information.

Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
