operational documents David M Glantz constructs a clear comprehensive account of how despite such constraints the Trans Caucasus Front nonetheless pursued and severely damaged German First Panzer Army although it failed to encircle and destroy the panzer army as hoped These documents include candid daily orders and reports periodic situation maps a full array of ever changing operational plans and strength and casualty reports prepared by Soviet formations and units throughout the offensive With unprecedented access to these documents Glantz delves into previously forbidden topics such as unit strengths and losses and the foibles and attitudes of commanders at every level Following Glantz s Operation Don s Main Attack this documentary study expands our understanding of a pivotal operation in the Soviet triumph over Nazi Germany and a decisive moment in the history of World War II on the Eastern Front
