Looking For Blücher:

Napoleon & Blücher L. Mühlbach, 2022-05-17 In the rich tapestry of historical literature Napoleon Blücher by L. Mühlbach stands out as a compelling depiction of the tumultuous era following the French Revolution. The novel deftly explores the intricate relationship between Napoleon Buonaparte and Prussian Field Marshal Gebhard Leberecht von Blücher, whose clashing ambitions culminate at the epic Battle of Waterloo. Mühlbach's narrative is an immersion into the lives of these legends with a literary style characterized by intimate portrayals of their daily existences against a backdrop of momentous historical events. The reader is privy to scenes of Napoleon contemplating his campaigns amidst personal routines which creates a vivid nuanced image that goes beyond the stereotypical conqueror's persona placing him within the currents of lived experience and the ideals of the day. L. Mühlbach, the nom de plume of Clara Mundt, was a noteworthy 19th century German author renowned for her historical novels. Her keen interest in the interplay of personal and historical forces paired with an extensive analysis of the existing literature and documents of the era led her to craft works that offered both entertainment and education. Her deep understanding of the period and characters like Napoleon and Blücher enriches the narrative making the monumental feel intimate and the personal universal. The detail the author infuses into the daily lives of these figures suggests not only her thorough research but also her dedication to making history accessible and relatable. Recommending *Napoleon Blücher* comes with the assurance that readers will be transported into the depths of 19th century European history. Those with an appetite for historical novels will find themselves captivated by Mühlbach's skillful blend of fact and fiction while scholars and students of history will appreciate the nuanced exploration of these iconic leaders' personalities. Mühlbach offers a narrative that both illuminates and entertains perfect for anyone wishing to witness the unfolding of an epoch through the lens of its most pivotal characters rendered in the intimate format of fiction. *Napoleon and Blücher (Historical Novel)* L. Mühlbach, 2022-01-04 *Napoleon and Blücher* is a historical novel covering the relations between the most significant personalities of the times following the French Revolution: Napoleon Buonaparte and Gebhard Leberecht von Blücher, a Prussian field marshal who led his army against Napoleon at the Battle of Waterloo in 1815. The book presents Napoleon Buonaparte and other characters in the proximity of everyday routines. A reader learns prominent historical events from the scenes of the life of the heroes. You can see the great emperor reading a map while thinking of the pleasant heat of the Egyptian desert after meals then you follow him during a journey to Dresden or talks to Josephine or Madame Leticia. An interesting read to everyone wishing to learn the history of the epoch in a format of fiction. *Napoleon and Blücher* Luise Mühlbach, 1893 *The Story of Napoleon and Blücher* L. Leggiere,2014-01-29 One of the most colorful characters in the Napoleonic pantheon Gebhard Leberecht von Blücher 1742 1819 is best known as the Prussian general who along with the Duke of Wellington defeated Napoleon at the Battle of Waterloo Throughout his long career Blücher distinguished himself as a bold commander but his actions at times appeared erratic and reckless This magnificent biography by Michael V Leggiere an award winning historian of the Napoleonic Wars is the first scholarly book in English to explore Blücher s life and military career and his impact on Napoleon Drawing on exhaustive research in European archives Leggiere eschews the melodrama of earlier biographies and offers instead a richly nuanced portrait of a talented leader who contrary to popular perception had a strong grasp of military strategy Nicknamed Marshal Forward by his soldiers he in fact retreated more often than he attacked Focusing on the campaigns of 1813 1814 and 1815 Leggiere evaluates the full effects of Blücher s operations on his archenemy In addition to providing military analysis Leggiere draws extensively from Blücher s own writings to reveal the man behind the legend Though tough as nails on the outside Blücher was a loving family man who deplored the casualties of war This meticulously written biography enhanced by detailed maps and other illustrations fills a large gap in our understanding of a complex man who for all his flaws and eccentricities is justly credited with releasing Europe from the yoke of Napoleon s tyranny **Napoleon and**

Novels Various Authors, 2020-09-28 Profound silence reigned in the valleys and gorges of Jena and Auerstadt The battles

were over The victorious French had marched to Jena to repose for a few days while the defeated Prussians had fled to Weimar or were wandering across the fields and in the mountains anxiously seeking for inaccessible places where they might conceal their presence from the pursuing enemy A panic had seized the whole army All presence of mind and sense of honor seemed to be lost Every one thought only of saving his life and of escaping from the conquering arms of the invincible French Here and there it is true officers succeeded by supplications and remonstrances in stopping the fugitives and in forming them into small detachments with which the commanders attempted to join the defeated and retreating main force But where was this main army Whither had the Prince of Hohenlohe directed his vanquished troops Neither the officers nor the soldiers knew They marched along the high roads not knowing whither to direct their steps But as soon as their restless eyes seemed to discern French soldiers at a distance the Prussians took to their heels throwing their muskets away to relieve their flight and surrendering at discretion when there was no prospect of escape In one instance a troop of one hundred Prussians surrendered to four French dragoons who conducted their prisoners to headquarters and once a large detachment hailed in a loud voice a few mounted grenadiers who intended perhaps to escape from their superior force and gave the latter to understand by signals and laying down their arms that they only wished to surrender and deliver themselves to the French The Prussians had reached Jena and Auerstadt confident of victory and now had left the battle field to carry the terrible tidings of their defeat like a host of ominously croaking ravens throughout Germany The battle field on which a few hours previously Death had walked in a triumphant procession and felled thousands and thousands of bleeding victims to the ground was now entirely deserted Night had thrown its pall over the horrors of this Calvary of Prussian glory the howling storm alone sang a requiem to the unfortunate soldiers who with open wounds and features distorted with pain lay in endless rows on the blood stained ground At length the night of horror is over the storm dies away the thick veil of darkness is rent asunder and the sun of a new day arises pale and sad pale and sad he illuminates the battle field reeking with the blood of so many thousands What a spectacle How many mutilated corpses lie prostrate on the ground with their dilated eyes staring at the sky and among them the happy the enviable how many living groaning bleeding men writhing with pain unable to raise their mutilated bodies from the gory bed of torture and death The sun discloses the terrible picture hidden by the pall of night it illuminates the faces of the stark dead but awakens the living and suffering the wounded and bleeding from their benumbed slumber and recalls them to consciousness and the dreadful knowledge of their wretched existence With

consciousness return groans and wails and the dreadful conviction of their wretched existence opens their lips and wrings from them shrieks of pain and despair How enviable and blissful sleep the dead whose wounds bleed and ache no longer How wretched and pitiable are the living as they lie on the ground tortured by the wounds which the howling night wind has dried so that they bleed no more Those poor deserted ones in the valley and on the hills the sun has awakened and the air resounds with their moans and cries and despairing groans and heart rending entreaties for relief But no relief comes to them no cheerful voice replies to their wails Hundreds perhaps thousands had been placed in the ambulances and during the sudden panic the surgeons had left the battle field with them But hundreds nay thousands remained behind and with no one to succor them
