Looking For Laura:

Laura's Year Lesley Southgate, 2023-11-10 In January 1976 it is an excited but nervous family of four who board a Jumbo jet to leave England to begin a new life in a small town on the Persian Gulf in Iran Adrian an ex Royal Naval Officer thought this new job in Iran would be a chance to earn big money and although neither parent had wanted to disrupt their children's education they thought it was worth the risk giving them both valuable life experiences and a chance to see something of the world Once settled in their new home with the children happily enrolled in an excellent international school they immediately made friends with like minded ex pats and got involved in an active and well established social scene with parties and functions most weekends and daily trips to their club in town which housed a bar and swimming pool Caroline and Alex having made friends at school as well as with some local children who lived in mud huts in the desert at the end of their road also seemed happy with their lot but Laura becomes pregnant which threatens to disrupt their idyllic lives and events that followed appear to have changed Laura's once devoted and loving husband's feelings towards her But had Laura changed And that was why her previously caring husband didn't fancy her anymore How was she to get their relationship back on track when there were so many exciting distractions and choices which held his attention which didn't include her Hints, 1909 Some Voices Joe Penhall, 1995 THE STORY SOME VOICES focuses on Ray a young schizophrenic trying to reassimilate after a spell in a mental hospital He is sent to live with his overworked brother where he is happy until he falls in love When Ray finds himself increasingly frustrated **Lives of the Saints** David Ives, 2000 THE STORIES ENIGMA VARIATIONS Zany hijinks as a pair of lookalikes named Bebe W W Doppelgänger solve an identity crisis with the help of Dr William W Williams and his nurse Fifi who may or may not be Aphrodite the Goddess of Love Or is she The Strange History of Suzanne LaFleshe and Other Stories of Women and Fatness Susan Koppelman, 2003 Spanning a century from Kate Chopin and Fannie Hurst to J California Cooper and Elana Dykewomon this bold and deeply satisfying anthology of women's stories explores women's relationships to and perceptions of their physical selves Addressing the peculiarities the pleasures and the shames of body politics these stories of bodies that refuse to be contained offer a variety of perspectives on fully inhabiting the flesh Whether celebrating bodies deemed transgressive or simply daring to acknowledge that such bodies exist these diverse literary representations of fatness render the excessive body brilliantly unapologetically visible Book jacket *Until the Day Break* Alice Elinor Bartlett, 1877 The Secret Country Pamela Dean, 2003-10-13 What happens when your fantasy world turns real Each vacation for the past nine years cousins Patrick Ruth Ellen Ted and Laura have played a game they call the Secret and invented scripted world full of witches unicorns a magic ring court intrigue and the Dragon King In the Secret they can imagine anything into reality and shape destiny Then the unbelievable happens by trick or by chance they actually find themselves in the Secret Country their made up identities now real The five have arrived at the start of their games with the Country on the edge of war What was once exciting and wonderful now looms threateningly before them and no one is

sure how to stop it or if they will ever get back home An intricate sparkling web of intrigue and magic One of me very favorites Patricia C Wrede author of Dealing with Dragons **Lost In You** Sandy Lo,2009-01-14 Cooper Jackson is a twenty five year old woman who shuts down in relationships Burdened by her mother s failed love life and her untimely death Cooper won t allow her heart to get broken or stolen either A chance meeting with a famous singer Ryan Latham could change Cooper forever She finds herself wanting to give her heart to Ryan one problem he s engaged To divert her attention Cooper throws herself into a relationship with Ryan s best friend JT a man just as unstable as she is Lost In You is a coming of age love story for a slightly older generation it s about finding yourself overcoming your past and building a future **The Cornhill Magazine** William Makepeace Thackeray,1927 **A Mind Behind** Margreet Knoester,2023-12-08 Embark on an extraordinary journey alongside Laura as she ventures from the shores of England to the vibrant landscapes of Italy Set against the backdrop of Italy s struggle for independence A Mind Behind unravels the compelling story of one woman s courageous odyssey **Another Kind Of Love** Paula Christian,2014-11-19 Unlike most pulp romances of the 1950s and 60s Paula Christian s heroines were thoroughly modern women struggling to define themselves while searching for their own lasting relationships Fully human and honest afraid of failure yet always hopeful these sisters were blazing a trail encouraging others on their path to Another Kind Of Love The moment Laura Garraway shares a forbidden kiss with beautiful Hollywood starlet Ginny Adams she discovers the missing piece of herself When fame hungry Ginny won t leave her powerful movie star lover Saundra Laura runs away to New York s comforting bright lights desperate to forget her There in the cigarette and martini drenched gay bars of the Village and the offices of Madison Avenue Laura finds herself in a new world one in which who she is and what she wants are completely up to her Love Is Where You Find It *Representative Plays by American Dramatists* Montrose Jonas Moses,1921 In three volumes v 1 1765 1819 **Demorests' Monthly Magazine** ,1882 Here and Now Constance O'Day-Flannery,2014-04-01 When Suzanne rescues a handsome stranger from the ocean she has no idea that she s found a man from another era who is also the love of her life Suzanne McDermott is a strong modern woman She s fully prepared to face the world after her spoiled philandering husband leaves her But as she awaits the arrival of her new baby Fate brings her another unexpected guest a guest from the past The last thing Charles Garrity remembers was being shot and falling into the ocean off the New Jersey shore That was in 1926 Now he s being dragged into the present day literally dragged out of the water by Suzanne How he got here is a mystery It s a mystery Charles doesn t have time for because right now the beautiful pregnant woman in front of him is starting labor Can Charles overcome the differences between the past he knew and the wonders of the present Can Suzanne put her life and finances in order in the face of a petty trust fund husband And most importantly can Charles move past his old fashioned pride before it gets in the way of the love growing between them In HERE AND NOW Constance O Day Flannery the original Queen of Time Travel Romance crafts a beautiful story of souls reaching across time to find a love everlasting *Delphi Collected Works of*

social development and understanding She shows how the rhetoric of hunger moves beyond critiques of physical starvation to a paradigm in which the dominant narrative of civilisation is predicated on the continual progress and evolution of literal and metaphorical taste Her study makes a persuasive case for how hunger as a signifier of both individual and corporate ambition is a necessarily self interested and increasingly violent agent of progress within the discourse of political economy that emerged in the eighteenth century and subsequently shaped nineteenth century social and political life *Tinsley's Magazine* ,1873
