Looking For Snails On A Sunday Afternoon:

The Ebb and Flow of Life Konrad Kümmel,1917 The Chronicle ,1869 *Crossings* Bernie Page,2019-11-18 How could they have known Four young school friends encounter a new teacher who is warm and wise but whom they feel is strangely out of place Intrigued they sense she is trying to prepare them for something but none could imagine what God had in store When the friends awaken one morning in a strange place and time at the foot of a looming mountain which has been appearing in their dreams they are lonely and frightened but know that this could only be from the hand of God Through prayer they are led to move in faith trusting in God s providence alone They soon meet a fascinating new friend who is carrying a deep secret As their lives entwine the secret unfolds revealing the approaching fulfillment of prophecy foretold since the creation of the world The hour is drawing near and nothing can stop God s timeless word from accomplishing the purpose for which it has been sent The storm clouds are gathering and the sword is dividing hearts and homes All creation waits with bated breath and tension is palpable in every corner of the land Heaven and earth will pass away but God s word will stand forever Follow this gripping but heartwarming journey of faith friendship and the true cost of discipleship in the face of real danger and personal sacrifice **The Valley of the Second Sons** Theodore Dru Alison Cockerell,2004 Please price the UK version to match the US prices I don t have this information at hand **The Horn Island Logs of Walter Inglis Anderson** Walter Inglis Anderson,1985 A revelation of the art and mind of a unique artist lost and alone in the world of nature this beautiful book records Anderson s experiences on one of the barrier islands in the Gulf of Mexico over a period of twenty years Revised edition **The Will of the Land** Peter Dettling,2011-11-29 Peter Dettling first visited Canada s internationally renowned Rocky Mountains national parks as a Swiss tourist in 1993 Immediately he fell in love with the untouched wilderness breathtaking landscapes diverse flora and abundant animal life all seemingly free from human intervention and manipulation With wide eyed exuberance Dettling moved to the heart of the Canadian Rockies in 2003 working as an artist and nature photographer For years he documented the beauty and splendour of life in the mountains of western Canada selling his art and photography to countless tourists and locals In time however he gained insight into the realities of nature s growing struggle against developing tourism ill conceived transportation routes and questionable wildlife management practices Through Dettling s stunning photography and passionate narrative *The Will of the Land* serves as an incredible artistic testament to the beauty of the natural world and the sometimes painful truth of hyperdevelopment in majestic landscapes offering the reader a dynamic and broad vision of what national parks should stand for in our ever changing world *For All That Is Our Life* , **Delphi Complete Works of Hans Holbein the Younger (Illustrated)** Hans Holbein the Younger,2022-05-12 Hans Holbein the Younger a Northern Renaissance master generally regarded as one of the greatest portraitists of art history came from a family of prominent artists His stunning portraits are renowned for their unprecedented naturalism and precise draughtsmanship Holbein s most enduring achievement is his record of the court
