MEMOIRS OF GRAMFLAKES E.B. Hayes, 2008-10-23 Eleanor was inspired by her father at an early age to appreciate family history During her retired lonely years as a widow she started writing for entertainment She did not enjoy pity parties and found a joy in sitting in front of her computer to write about her memories Some of her children and friends enjoyed hearing about past events that interested them and encouraged her to write She was the only girl and oldest child and spent the majority of her growing up years around adults as they told their stories That was their prime entertainment She would like to inspire others to make notes and write stories for their future generations She found that it is amazing how much one can remember and relive as the words appear on the computer screen **Memoirs of a Mother-in-Law** George Sims, 2018-01-01 A hilarious comedy of manners and a gentle satire of Edwardian mores and attitudes This edition contains a wealth of material about the author's life and works notes and a bibliographic section Jane Tressider has never been afraid of speaking her mind even if she admits that she may have occasionally given offence by doing so But as a busy mother of nine children she cannot let such a small foible get in the way of her job which is to keep her feckless husband on his toes while

Abel, 2017-02-28 Challenging assumptions about caregiving for those dying of chronic illness What is it like to live with and love someone whose death while delayed is nevertheless foretold In *Living in Death's Shadow* Emily K Abel an expert on the history of death and dying examines memoirs written between 1965 and 2014 by family members of people who died from chronic disease In earlier eras death generally occurred quickly from acute illnesses but as chronic disease became the major cause of mortality many people continued to live with terminal diagnoses for months and even years Illuminating the excruciatingly painful experience of coping with a family member's extended fatal illness Abel analyzes the political personal cultural and medical dimensions of these struggles The book focuses on three significant developments that transformed the experiences of those dying and their intimates the passage of Medicare and Medicaid the growing use of high tech treatments at the end of life and the rise of a movement to humanize the care of dying people It questions the exalted value placed on acceptance of mortality as well as the notion that it is always better to die at home than in an institution Ultimately *Living in Death's Shadow* emphasizes the need to shift attention from the drama of death to the entire course of a serious chronic disease The chapters follow a common narrative of life threatening disease learning the diagnosis deciding whether to enroll in a clinical trial acknowledging or struggling against the limits of medicine receiving care at home and in a hospital or nursing home and obtaining palliative and hospice care *Living in Death's Shadow* is essential reading for everyone seeking to understand what it means to live with someone suffering from a chronic fatal condition including cancer AIDS Alzheimer's and heart disease *Memoirs of the Duke de Saint-Simon* Louis de Rouvroy duc de Saint-Simon, 1927 [Memoirs of My Own Times](#) James Wilkinson, 1816 **DOSTOYEVSKY, THE MAN BEHIND: Memoirs, Letters & Autobiographical Works** Fyodor Dostoyevsky, 2017-08-07 Musaicum Books presents to you this carefully created collection of Fyodor Dostoyevsky's memoirs letters and autobiographical works This ebook has been designed and formatted to the highest digital standards and adjusted for readability on all devices Fyodor Dostoyevsky 1821 1881 was a Russian novelist short story writer essayist journalist and philosopher His literary works explore human psychology in the troubled political social and spiritual atmosphere of 19th century Russia Many of his works contain a strong emphasis on Christianity and its message of absolute love forgiveness and charity explored within the realm of the individual confronted with all of life's hardships and beauty His major works include *Crime and Punishment* 1866 *The Idiot* 1869 *Demons* 1872 and *The Brothers Karamazov* 1880 Many literary critics rate him as one of the greatest and most prominent psychologists in world literature His novella *Notes from Underground* is considered to be one of the first works of existentialist literature Table of Contents BIOGRAPHY Fyodor Dostoyevsky A Study by Aim e Dostoyevsky LETTERS AND

Hard Times and Survival; the Autobiography of an African-American Son William A. James Sr., 2018-10-19 Hard Times and Survival The Autobiography of an African American Son is my story It is how I overcame all the heartbreaking brutal and horrendous circumstances that I was born into in 1947 I saw it all in my first sixteen years unbridled lust gross immorality damning lies and terrible brutality by my father against me and my mother He tried to kill me once but kept up a constant campaign of horrible abuses of my mother until I left home at sixteen However success is the best revenge After three years of alcoholism I pulled myself together and went back to school on my own That was after I spent a year in Job Corps from 1966 to 1967 From 1975 to 1977 I went to Piedmont Virginia Community College in Charlottesville From 1977 to 1980 I attended Virginia State University in Petersburg I earned my BA and MA degrees I studied above a master s at the University of Virginia at Charlottesville from

1980 to 1983 I did not graduate but I learned valuable life lessons I started to write in 1993 about what had happened to me over the years and how I used my dire circumstances as motivation to pick myself up and make my life better I hope I am an example that will help others who are suffering through similar atrocities to be motivated to not give up but persevere and that they will as I did overcome anything they are being faced with Memoirs of Father Germain Edgar Crespo, 2006-03 An orphan before age five Germain spends two years living alone on the seashore in seventeenth century France The fishermen call him little prophet since he can always foretell impending storms One fateful day he strays into a castle of monks and is not allowed to leave The monks educate him and he is proved to be an excellent student but he suffers from their cold and unfeeling ways As a young man Germain eventually takes his vows becoming a priest in the Catholic Church He settles in a poor village with his faithful dog Sultan and it is here that he consoles the humble and oppressed sometimes risking his life for their sake As his reputation as a virtuous and holy man spreads even royalty arrive for absolution of their crimes Father Germain teaches love of the Creator and mankind with a belief that even the most hardened heart can be turned toward goodness He exposes church hypocrisy and is persecuted by his superiors yet he continues to teach according to his conscience Memoirs of Father Germain is the touching true account of this beloved priest's life relayed to the writer Amalia Domingo Soler of Spain These stories of intrigue adventure human emotion and morality will provide you with tremendous love inspiration and hope
