Workman, 2014-09-01 A peaceful life shatters under the weight of suspicion Things were going well for Abe Despite all of his past struggles with mental illness he was happily married had three wonderful children a nice home and a fantastic consulting business that satisfied his creativity and brought in a good income But you can never get too comfortable When Abe becomes a prime suspect in a jewel heist one of the largest successful jewel heists in history his schizophrenia becomes unmanageable and everything begins to spiral out of control Abe s own investigation into the heist has the jewel thieves hot on his tail but are they really or is he just losing the battle against his inner demons I really liked the description of mental illness in this book and living with a person like that I m a nurse not a specialist in a psychiatry but from what I know it is pretty accurate portrayal of a schizophrenic person The mystery alone was very compelling I only guessed half of the riddle so the reveal at the end surprised me It was a great novel Another great thing about this book was the main character Abe He was a likeable star at least in my opinion He has playful banters with his children and the schizophrenia part of his character was done very well Will he uncover the truth before it s too late This compelling tale masterfully weaves themes of mental health with a riveting mystery that keeps readers guessing until the very last page Don t miss out on this thought provoking thriller that invites you into Abe s world a place where love and fear intertwine Click to begin your journey through this unforgettable tale filled with suspense emotional depth and shocking revelations Keywords mystery jewel heist schizophrenia mental illness bipolar paranoia family drama ocd allergies foodie addiction substance abuse depression divorce *Trip, Nomadic in America* , 2011-02-28 Have you ever wanted to just get in your car and keep going and never come back Join two people as they check out of society and travel America in a Volkswagen bus **Behind The Raven Mask** Cherime MacFarlane, 2014-01-05 Camille s dose of laudanum coupled with Dmitri s brandy combine to make two small problems life changing for both of them The Inside Passage Alaska 1881 A

All the Yellow Suns Malavika Kannan,2023-07-11 When a queer Indian American teenager is swept into a life of art romance and resistance she must make up her own mind when it comes to identity activism and love in this story perfect for fans of Aristotle and Dante Discover the Secrets of the Universe Sixteen year old Maya Krishnan is fiercely protective of her friends immigrant community and single mother but she knows better than to rock the boat in her conservative Florida suburb Her classmate Juneau Zale is the polar opposite she's a wealthy white heartbreaker who won't think twice before capsizing that boat When Juneau invites Maya to join the Pugilists a secret society of artists vandals and mischief makers who fight for justice at their school Maya descends into the world of change making and resistance Soon she and Juneau forge a friendship that inspires Maya to confront the challenges in her own life But as their relationship grows romantic painful and twisted Maya begins to suspect that there's a whole different person beneath Juneau's painted on facade Now Maya must learn to speak her truth in this mysterious mixed up world even if it results in heartbreak Between emotional threads of first love and identity comes a powerful exploration of the crusade for social change within a divided community

ON THE CUSP: A Jewish Girl's Very, Very, Very Long Journey to Jesus Shai Blumberg,2023-04-20 On the Cusp is a combination of the author's testimony and memoirs leading the reader through her innocence in the sixties and seventies the tumultuous eighties and nineties and the turning towards Jesus Christ Yeshua as Lord and Savior in the new century of the two thousands There is an undercurrent of love and acceptance portraying an undeniable part of the Lord's patience and grace throughout the work combined with His just nature Growing up Jewish in the sixties and seventies in the shadow of J F State Park off Bond Boulevard in Southern California there is a horsey element to the book as well including Shai's behind the scenes life as a polo girl her aspirations to show jump and the privilege of having a beautiful off the track Thoroughbred in her suburban backyard Also reflected here are the struggles of growing up Jewish in a decidedly non Jewish world When Grandma Lizzie tells Shai about Jesus as a six year old the seed is planted despite Shai's mother covering Shai's ears and begging Grandma Lizzie to stop Later as an unhappy thirteen year old Shai tries to connect with God on Christmas day galloping her horse to Heaven's Point with Grandma Lizzy's New Testament tucked in her new saddlebags But nothing special happens and Shai is left to navigate murky waters of adolescence and a chaotic adult life without any tangible connection with God for decades to come On the Cusp portrays God's mercy patience and great love for even the most foolish of us So enjoy the nostalgia fallenness and ample human error of it all and bask in God's Amazing Grace never forgetting that being on the cusp of Greatness His Greatness is an opportunity the Lord offers to everyone Even the seemingly most hopeless of us
