Thirteen Ways of Looking at a Black Man Henry Louis Gates, Jr., 2011-06-08 This is a book of stories writes Henry Louis Gates and all might be described as narratives of ascent As some remarkable men talk about their lives many perspectives on race and gender emerge For the notion of the unitary black man Gates argues is as imaginary as the creature that the poet Wallace Stevens conjured in his poem Thirteen Ways of Looking at a Blackbird James Baldwin Colin Powell Harry Belafonte Bill T Jones Louis Farrakhan Anatole Broyard Albert Murray all these men came from modest circumstances and all achieved preeminence They are

people Gates writes who have shaped the world as much as they were shaped by it who gave as good as they got Three are writers James Baldwin who was once regarded as the intellectual spokesman for the black community Anatole Broyard who chose to hide his black heritage so as to be seen as a writer on his own terms and Albert Murray who rose to the pinnacle of literary criticism There is the general turned political figure Colin Powell who discusses his interactions with three United States presidents there is Harry Belafonte the entertainer whose career has been distinct from his fervent activism there is Bill T Jones dancer and choreographer whose fierce courage and creativity have continued in the shadow of AIDS and there is Louis Farrakhan the controversial religious leader These men and others speak of their lives with candor and intimacy and what emerges from this portfolio of influential men is a strikingly varied and profound set of ideas about what it means to be a black man in America today

Good Kings Bad Kings Susan Nussbaum, 2025-05-01 Bellwether Award winner Susan Nussbaum's powerful novel invites us into the lives of a group of typical teenagers alienated, funny, yearning for autonomy except that they live in an institution for juveniles with disabilities. This unfamiliar, isolated landscape is much the same as the world outside: friendships are forged, trust is built, love affairs are kindled, and rules are broken. But those who call it home have little or no control over their fate. *Good Kings Bad Kings* challenges our definitions of what it means to be disabled in a story told with remarkable authenticity and in voices that resound with humor and spirit.

Marriage of Inconvenience Cheryl Bolen, 2018-07-16 Revisit this classic Regency romance by Cheryl Bolen. Proposing to the Earl of Aynsley seems a sensible if unconventional solution to Miss Rebecca Peabody's predicament. As a married woman, she will be free to keep writing her essays on civil reform. Meanwhile, the distinguished widower will gain a stepmother for his seven children and a caretaker for his vast estate. But the earl wants more than a convenient bride. He craves a true partner, a woman he can cherish. To his surprise, the bookish Miss Peabody appears to have every quality he desires except the willingness to trust her new husband. Yet despite his family's interference and her steadfast independence, time and faith could make theirs a true marriage of hearts. Originally published in 2012.

Holistic Therapy for People with Dissociative Identity Disorder Patricia Frankish, Valerie Sinason, 2018-03-26 This book puts forward a model of therapy and support for people with DID that provides individual therapy, staff support, and a safe place to live. It relies upon the ideas of Bowlby by providing a secure base, and this recognises the attachment needs. It also includes staff who are trained to provide a therapeutic environment and also receive support to do their work. The fourth element, after the base, the staff, and the training, is the individual therapy. Together, it has been possible to adopt a holistic approach which leads to a significant improvement in quality of life for individuals with DID and confidence for commissioners and teams in the approach. By including the perspective of all the players and presenting a practical model for successful working, the book will be invaluable to anyone looking to commission or provide services for this client group.
