Looking Up Story Object Lessons Pt 2:

Memory, Identity and the Colonial Encounter in India Ezra Rashkow, Sanjukta Ghosh, Upal Chakrabarti, 2017-08-18
This book sheds new light on the dynamics of the colonial encounter between Britain and India. It highlights how various analytical approaches to this encounter can be creatively mobilised to rethink entanglements of memory and identity emerging from British rule in the subcontinent. This volume reevaluates central long standing debates about the historical impact of the British Raj by deviating from hegemonic and top down civilizational perspectives. It focuses on interactions, relations and underlying meanings of the colonial experience. The narratives of memory, identity and the legacy of the colonial encounter are woven together in a diverse range of essays on subjects such as colonial and nationalist memorials, British Eurasian, Dalit and Adivasi identities, regional political configurations and state initiatives and patterns of control. By drawing on empirically rich regional and chronological historical studies, this book will be essential reading for students and researchers of history, political science, colonial studies, cultural studies and South Asian studies.

Responsible? Hell No! Daniel Miklos Kolos, 2019-11-07. This book is about messing up and getting over it. Like the time he got orders to go to Nam, showed up on a Friday night and other than the desk Sergeant, the barracks were empty. By then he was in the army long enough to notice that practically no one worked on weekends so he left and returned Sunday night. The barracks were still empty. But the desk Sergeant was there so Daniel asked, "Where is everyone?" He said, "In Viet Nam." "Where were you in Philadelphia?" Daniel said totally innocently, "You went AWOL. I could send you to Leavenworth for that and he stared." OK, Daniel said and waited. What the hell, Sarge said, "I'll send you off with the next group." Daniel went to study ancient Egypt with VA support and had a prof whom he could not talk to. His heart would double its speed, his mouth would go dry and he would forget what he was going to say anyway. Why? This book is all about Daniel's adventures and how he learns to cope.
