The Wild Marsh Rick Bass, 2018-06-01 An account of one year in the Yaak Valley wilderness range by the acclaimed naturalist and memoirist Beginning with his family settling in for the long northwestern Montana winter and capturing all the subtle harbingers of change that mark each passing month the initial cruel teasing of spring the splendor and fecundity of summer and the bittersweet memories evoked by fall this is a beautiful evocation of the fauna flora and folks in this rugged and spectacular landscape Publishers Weekly starred review It is full of rich observation about what it takes to live in the valley toughness improvisation and of course duct tape The Wild Marsh is also poignant especially as the author reflects on what it means for his young daughters to grow up surrounded by the strangeness and wonder of nature He shares with them the Yaak's little secrets where the huckleberries are best in a dry year where to find a grizzly's claw marks in an old cedar and discovers that passing on this intimate local knowledge the knowledge of home is a kind of rare and valuable love Bass emerges not just as a writer but as a father a neighbor and a gifted observer uniquely able to bring us close to the drama and sanctity of small things ensuring that though the wilderness is increasingly at risk the voice of the wilderness will not disappear A work of

wonder praise and thanksgiving for all the marvels of nature where every aspect is connected and every process has its place Bass grounding his book in science well takes the facts and transforms them as a musician transforms musical notes into a work of great beauty This walk through a year is a walk through the author s soul filled with passions dreams fears and the exuberance of Walt Whitman School Library Journal starred review Whether the topic is a forest fire in his front yard or the excitement of the first tiny cheerful glacier lilies in spring Rick Bass is a stirring companion on the trail that leads west from the Walden Pond of Henry David Thoreau and the Sand County of Aldo Leopold Ivan Doig author of *The Whistling Season*

can decrease parent pressure for antibiotics This book carefully documents the important and observable link between micro social interaction and macro public health domains *Just Don't Fall* Josh Sundquist,2010-12-28 Just Don t Fall is one of the most inspiring books I have ever read not too mention poignant and funny A J Jacobs author of The Year of Living Biblically This winning memoir of triumph over tragedy tells a story that has deeply affected thousands of readers When he was just nine years old Josh Sundquist was diagnosed with Ewing s sarcoma a virulent cancer strain that eventually claimed his left leg Told in a wide eyed often heartbreaking voice Just Don t Fall is the astounding story of the boy Josh was and of the young man he became an utterly heroic struggle through numerous hospitalizations and worse to become an award winning skier in the Paralympics and renowned motivational speaker What emerges is one of the most fresh and sincere works of inspiration to come along in years **Just Don't Fall (Adapted for Young Readers)** Josh Sundquist,2023-09-05 Adapted for young readers from his adult memoir Just Don t Fall is the the hilarious true story about Josh Sundquist s battle with childhood cancer and how he worked his way to making the United States paralympic ski team The inspiration for the Apple TV show Best Foot Forward When he was ten years old Josh Sundquist had his leg amputated to treat bone cancer But this is not a sad story on the contrary this memoir is a story of resilience heart and most importantly humor Young Josh had a lot of adapting to do after he lost his leg He had to learn how to walk again He had to accept that he wouldn t be able to try out for the travel soccer team He knew his life would never be the same again But when he sees a poster in the hospital elevator advertising skiing classes he realized all might not be lost Equal parts heartbreaking and hilarious Just Don t Fall is Josh s story of surviving cancer with 50 50 odds learning to be a professional skier and making his way to being a bestselling writer and motivational speaker Inspirational and moving Josh s story is one that can be appreciated by readers of all ages
