Legend of the Loons Necklace Christopher Big Plume, 2018-12-17 If you've ever heard it you know that Loons have a very distinctive call like no other bird Their calls echo over many hundreds of Canada's lakes in spring summer and fall But if you've ever seen a loon you'll know that they also have very special markings like no other bird The Secret of the Loon's Necklace is the traditional Indigenous legend of how the loons got their special neck and back markings It is the story of old Kelora a self-proclaimed medicine man who is almost blind Mocked by almost his whole tribe he proves that there is still magic in the land of humans and animals He also proves that being old doesn't mean you can't use that magic to help your family and community The old and those with disabilities too have value in our communities His story shows how much more we can achieve when we work together and respect each other
