Jerome Christensen

Lord Byron's Strength Romantic Writing And Commercial Society:

Lord Byron's Strength Jerome Christensen, 1993 This text examines Byron's lordship his singularity as a literary success and as one of the great British aristocratic poets Drawing on contemporary literary political and social theory this study of Byron also re-examines the romanticism of Coleridge Wordsworth Scott Hazlitt and Shelley **Byron's Romantic Celebrity** T. Mole, 2007-07-31 This book offers a new history and theory of modern celebrity It argues that celebrity is a cultural apparatus that emerged in response to the Romantic industrialization of print and culture It investigates the often strained interactions of artistic endeavour and commercial enterprise and the place of celebrity culture in history of the self

Romantic Writing and the Empire of Signs Karen Fang, 2010-02-02 Nineteenth century periodicals frequently compared themselves to the imperial powers then dissecting the globe and this interest in imperialism can be seen in the exotic motifs that surfaced in works by such late Romantic authors as John Keats Charles Lamb James Hogg Letitia Landon and Lord Byron Karen Fang explores the collaboration of these authors with periodical magazines to show how an interdependent relationship between these visual themes and rhetorical style enabled these authors to model their writing on the imperial project Fang argues that in the decades after Waterloo late Romantic authors used imperial culture to capitalize on the contemporary explosion of periodical magazines This proliferation of post Napoleonic writing often referencing exotic locales both revises longstanding notions about literary orientalism and reveals a remarkable synthesis of Romantic idealism with contemporary cultural materialism that heretofore has not been explored Indeed in interlocking case studies that span the reach of British conquest ranging from Greece China and Egypt to Italy and Tahiti Fang challenges a major convention of periodical publication While periodicals are usually thought to be defined by time this account of the geographic attention exerted by late Romantic authors shows them to be equally concerned with space With its exploration of magazines and imperialism as a context for Romantic writing culture and aesthetics this book will appeal not only to scholars of book history and reading cultures but also to those of nineteenth century British writing and history **Byron, Poetics and History** Jane Stabler, 2002-12-05 Jane Stabler offers the first full scale examination of Byron's poetic form in relation to historical debates of his time Responding to recent studies of publishing and audiences in the Romantic period Stabler argues that Byron's poetics developed in response to contemporary cultural history and his reception by the English reading public Drawing on extensive new archive research into Byron's correspondence and reading Stabler traces the complexity of the intertextual dialogues that run through his work For example Stabler analyses Don Juan alongside Galignani's Messenger Byron's principal source of news about British politics while in Italy and refers to hitherto unpublished letters between Byron's publishers and his friends to reveal a powerful impulse among his contemporaries to direct his controversial poetic style to their own conflicting political ends This fascinating study will be of interest to Byronists and more broadly to scholars of Romanticism in general **Mainly Leaders in Nineteenth-Century British Literature** Daniela Garofalo, 2009-01-01 From

the 1790s to the 1840s the fear that Britain had become too effeminate to protect itself against the anarchic forces unleashed by the French Revolution produced in many British writers of the period a desire to portray strong leaders who could control the democratic and commercial forces of modernization While it is commonplace in Romantic studies to emphasize that Romantic writers are interested in the solitary genius or hero who separates himself from the community to pursue his own creative visions Daniela Garofalo argues instead that Romantic and early Victorian writers are interested in charismatic males military heroes tyrants kings and captains of industry who organize modern political and economic communities sometimes by example and sometimes by direct engagement Reading works by William Godwin William Wordsworth Jane Austen Lord Byron William Hazlitt Thomas Carlyle and Charlotte Bront Garofalo shows how these leaders endowed with an inherent virility rather than simply inherited rank legitimize hierarchy anew for an age suffering from a crisis of authority

Romanticism and Celebrity Culture, 1750-1850 Tom Mole, 2009-05-14 An interdisciplinary collection of essays exploring how our modern idea of celebrity was created in the 18th and 19th centuries **Palgrave Advances in Byron Studies** J. Stabler, 2007-03-14 This collection presents twelve outstanding new essays on Byron by leading critics from the USA Canada and the UK including Steven Bruhm Peter Cochran Paul Curtis Caroline Franklin Peter Kitson Ghislaine McDayter Tim Morton David Punter and Pamela Kao Michael Simpson Philip Shaw Nanora Sweet and Susan Wolfson **Radical Romantics** Talissa Ford, 2016-07-07 Engaging with the critical frameworks of cultural geography cartography and the burgeoning field of oceanic studies Radical Romantics reformulates theories of colonization and empire in the Romantic period **Byron** Caroline Franklin, 2006-10-27 Lord Byron 1788 1824 was a poet and satirist as famous in his time for his love affairs and questionable morals as he was for his poetry Looking beyond the scandal Byron leaves us a body of work that proved crucial to the development of English poetry and provides a fascinating counterpoint to other writings of the Romantic period This guide to Byron s sometimes daunting often extraordinary work offers an accessible introduction to the contexts and many interpretations of Byron s texts from publication to the present an introduction to key critical texts and perspectives on Byron s life and work situated in a broader critical history cross references between sections of the guide in order to suggest links between texts contexts and criticism suggestions for further reading Part of the Routledge Guides to Literature series this volume is essential reading for all those beginning detailed study of Byron and seeking not only a guide to his works but also a way through the wealth of contextual and critical material that surrounds them **Scott, Byron and the Poetics of Cultural Encounter** S. Oliver, 2015-12-04 Scott Byron and the Poetics of Cultural Encounter is an innovative study of Scott s and Byron s poetical engagement with borders actual and metaphorical and the people living on and around them The author discusses Scott s edited collection of Border Ballads Minstrelsy of the Scottish Border and his narrative poetry and Byron s Childe Harold s Pilgrimage cantos 1 and 2 his Eastern Tales and his late utopian South Sea poem The Island This fascinating study provides a detailed exegesis of the importance of borders to these leading poets and the public

during the early years of the Nineteenth Century with an emphasis on reciprocal literary influences and on attitudes towards cultural instability

Byron and John Murray Mary O'Connell, 2015-01-05 *Byron and John Murray A Poet and His Publisher* is the first comprehensive account of the relationship between Byron and the man who published his poetry for over ten years. It is commonly seen as a paradox of Byron's literary career that the liberal poet was published by a conservative publishing house. It is less of a paradox when as this book illustrates we see John Murray as a competitive innovative publisher who understood how to deal with his most famous author. The book begins by charting the early years of Murray's success prior to the publication of *Childe Harold's Pilgrimage* and describes Byron's early engagement with the literary marketplace. The book describes in detail how Byron became one of Murray's authors before documenting the success of their commercial association and the eventual and protracted disintegration of their relationship. Byron wrote more letters to John Murray than anyone else and their correspondence represents a fascinating dialogue on the nature of Byron's poetry and particularly the nature of his fame. It is the central argument of this book that Byron's ambivalent attitude towards professional writing and popular literature can be illuminated through an understanding of his relationship with John Murray.

The Romantic Poetry Handbook Michael O'Neill, Madeleine Callaghan, 2017-10-24 An absorbing survey of poetry written in one of the most revolutionary eras in the history of British literature. This comprehensive survey of British Romantic poetry explores the work of six poets whose names are most closely associated with the Romantic era: Wordsworth, Coleridge, Blake, Keats, Byron, and Shelley, as well as works by other significant but less widely studied poets such as Leigh Hunt, Charlotte Smith, Felicia Hemans, and Letitia Elizabeth Landon. Along with its exceptional coverage, the volume is alert to relevant contexts and opens up ways of understanding Romantic poetry. *The Romantic Poetry Handbook* encompasses the entire breadth of the Romantic Movement, beginning with Anna Laetitia Barbauld and running through to Thomas Lovell Beddoes and John Clare. In its central section, Readings, it explores tensions, change, and continuity within the Romantic Movement and examines a wide range of individual poems and poets through sensitive, attentive, and accessible analyses. In addition, the authors provide a full introduction, a detailed historical and cultural timeline, biographies of the poets whose works are featured in the Readings section, and a helpful guide to further reading. *The Romantic Poetry Handbook* is an ideal text for undergraduate and postgraduate study of British Romantic poetry. It also will appeal to every reader with an interest in the Romantics and in poetry generally.

The Oxford Handbook of British Romanticism David Duff, 2018-09-26 *The Oxford Handbook of British Romanticism* offers a comprehensive guide to the literature and thought of the Romantic period and an overview of the latest research on this topic. Written by a team of international experts, the Handbook analyses all aspects of the Romantic movement, pinpointing its different historical phases and analysing the intellectual and political currents which shaped them. It gives particular attention to devolutionary trends, exploring the English, Scottish, Welsh, and Irish strands in British Romanticism and assessing the impact of the constitutional changes that brought into being the

United Kingdom at a time of revolutionary turbulence and international conflict It also gives extensive coverage to the publishing and reception history of Romantic writing highlighting the role of readers reviewers publishers and institutions in shaping Romantic literary culture and transmitting its ideas and values Divided into ten sections each containing four or five chapters the Handbook covers key themes and concepts in Romantic studies as well as less chartered topics such as freedom of speech literature and drugs Romantic oratory and literary uses of dialect All the major male and female Romantic authors are included along with numerous lesser known writers the emphasis throughout being on the diversity of Romantic writing and the complexities and internal divisions of the culture that sustained it The volume strikes a balance between familiarity and novelty to provide an accessible guide to current thinking and a conceptual reorganization of this fast moving field

Don Juan Byron, 2004-08-26 Byron's exuberant masterpiece tells of the adventures of Don Juan beginning with his illicit love affair at the age of sixteen in his native Spain and his subsequent exile to Italy Following a dramatic shipwreck his exploits take him to Greece where he is sold as a slave and to Russia where he becomes a favourite of the Empress Catherine who sends him on to England Written entirely in ottava rima stanza form Byron's *Don Juan* blends high drama with earthy humour outrageous satire of his contemporaries in particular Wordsworth and Southey and sharp mockery of Western societies with England coming under particular attack

Literature and Authenticity, 1780-1900 Michael Davies, 2016-05-06 Individually and collectively these essays establish a new direction for scholarship that examines the crucial activities of reading and writing about literature and how they relate to authenticity Though authenticity is a term deep in literary resonance and rich in philosophical complexity its connotations relative to the study of literature have rarely been explored or exploited through detailed critical examination of individual writers and their works Here the notion of the authentic is recognised first and foremost as central to a range of literary and philosophical ways of thinking particularly for nineteenth century poets and novelists Distinct from studies of literary fakes and forgeries this collection focuses on authenticity as a central paradigm for approaching literature and its formation that bears on issues of authority self reliance truth originality the valid and the real and the genuine and inauthentic whether applied to the self or others Topics and authors include the spiritual autobiographies of William Cowper and John Newton Ruskin and travel writing British Romantic women poets William Wordsworth and P B Shelley Robert Southey and Anna Seward John Keats Lord Byron Elizabeth Gaskell Henry David Thoreau Henry Irving and Joseph Conrad The volume also includes a note on Professor Vincent Newey with a bibliography of his critical writings

Anger, Revolution, and Romanticism Andrew M. Stauffer, 2005-08-11 The Romantic age was one of anger and its consequences revolution and reaction terror and war Andrew M Stauffer explores the changing place of anger in the literature and culture of the period as English men and women rethought their relationship to the aggressive passions in the wake of the French Revolution Drawing on diverse fields and discourses such as aesthetics politics medicine and the law and tracing the classical legacy the Romantics inherited Stauffer charts the period's struggle to

define the relationship of anger to justice and the creative self In their poetry and prose Romantic authors including Blake Coleridge Godwin Shelley and Byron negotiate the meanings of indignation and rage amidst a clamorous debate over the place of anger in art and in civil society This innovative book has much to contribute to the understanding of Romantic literature and the cultural history of the emotions *Unquiet Things* Colin Jager, 2015 In Great Britain during the Romantic period governmental and social structures were becoming more secular as religion was privatized and depoliticized If the discretionary nature of religious practice permitted spiritual freedom and social differentiation however secular arrangements produced new anxieties *Unquiet Things* investigates the social and political disorders that arise within modern secular cultures and their expression in works by Jane Austen Horace Walpole Samuel Taylor Coleridge Lord Byron and Percy Shelley among others Emphasizing secularism rather than religion as its primary analytic category *Unquiet Things* demonstrates that literary writing possesses a distinctive ability to register the discontent that characterizes the mood of secular modernity Colin Jager places Romantic era writers within the context of a longer series of transformations begun in the Reformation and identifies three ways in which romanticism and secularism interact the melancholic mood brought on by movements of reform the minoritizing capacity of literature to measure the disturbances produced by new arrangements of state power and a prospective romantic thinking Jager calls after the secular The poems novels and letters of the romantic period reveal uneasy traces of the spiritual past haunted by elements that trouble secular politics at the same time they imagine new and more equitable possibilities for the future In the twenty first century Jager contends we are still living within the terms of the romantic response to secularism when literature and philosophy first took account of the consequences of modernity **The Cambridge Companion to Byron** Drummond Bone, 2004-11-18 Byron's life and work have fascinated readers around the world for two hundred years but it is the complex interaction between his art and his politics beliefs and sexuality that has attracted so many modern critics and students In three sections devoted to the historical textual and literary contexts of Byron's life and times these specially commissioned essays by a range of eminent Byron scholars provide a compelling picture of the diversity of Byron's writings The essays cover topics such as Byron's interest in the East his relationship to the publishing world his attitudes to gender his use of Shakespeare and eighteenth century literature and his acute fit in a post modernist world This Companion provides an invaluable resource for students and scholars including a chronology and a guide to further reading **Byron's Don Juan** Richard Cronin, 2023-06-29 Richard Cronin makes the case for why Byron's masterpiece must be recognised as the exemplary epic of the nineteenth century **Romantic Writings** Stephen Bygrave, 2017-09-29 *Romantic Writings* is an ideal introduction to the cultural phenomenon of Romanticism one of the most important European literary movements and the cradle of Modern culture Here you will find an accessible introduction to the well known male Romantic writers Blake Wordsworth Coleridge Byron Shelley and Keats Alongside are chapters dealing with poems by Charlotte Smith Mary Robinson Ann Barbauld Elizabeth Barrett

Browning which challenge the idea that these men are the only Romantic writers As a further counterpoint the book also includes discussion of two German Romantic short stories by Kleist and Hoffman Throughout close reading of texts is matched by an insistence on reading them in their historical context Romantic Writings offers invaluable discussions of issues such as the notion of the Romantic artist colonialism and the exotic and the particular situation of women writers and readers
