Mathesons Town:

Matheson's Town Jonathan Hanna,2003-09 In the small Nebraskan retirement town of Drewly evil hides As the folks go about their day to day business without a care in the world evil grows The locals know about the malevolence that dwells just beneath the surface It has been there for centuries but they believe if they leave it alone it will leave them alone Just when the folks of Drewly think it can never happen again evil strikes When Courteney Wilfred a working girl from New York City is violently murdered in Drewly her best friend and reporter Lisa Evans heads to Drewly in search of answers Lisa hates the place in the beginning but the longer she stays the more it grows on her She strikes up a friendship with a bellhop from her hotel Tom and with Henry an old native of the town whose daughter has also been murdered A close relationship she develops with one of Drewly s favorite sons Sean Matheson leads her closer to the truth behind her friend s death and brings her face to face with a terrifying nightmare that challenges her sense of reality and threatens to swallow her world whole

Opium and Empire Richard J. Grace,2014-10-01 In 1832 William Jardine and James Matheson established what would become the greatest British trading company in East Asia in the nineteenth century After the termination of the East India Company s monopoly in the tea trade Jardine Matheson Company s aggressive marketing strategies concentrated on the export of teas and the import of opium sold offshore to Chinese smugglers Jardine and Matheson recognized as giants on the scene at Macao Canton and Hong Kong have often been depicted as one dimensional villains whose opium commerce was ruthless and whose imperial drive was insatiable In Opium and Empire Richard Grace explores the depths of each man their complicated and sometimes inconsistent internal workings and their achievements and failures He details their decades long

journeys between Britain and China their business strategies and standards of conduct and their inventiveness as gentlemanly capitalists The commodities they marketed also included cotton rice textile goods and silks and they functioned as agents for clients in India Britain Singapore and Australia During the First Opium War Jardine was in London giving advice to Lord Palmerston while Matheson was detained under house arrest at Canton in the spring of 1839 an incident which helped prompt the armed British response Moving beyond the caricatures of earlier accounts *Opium and Empire* tells the story of two Scotsmen whose lives reveal a great deal about the type of tough minded men who expanded the global markets of Victorian Britain and played major roles in changing the course of modern history in East Asia The Best of Richard Matheson Richard Matheson, 2017-10-10 The definitive collection of terrifying stories by one of the greatest writers of the 20th century Ray Bradbury edited by award winning author Victor LaValle Among the greats of 20th century horror and fantasy few names stand above Richard Matheson Though known by many for novels like *I Am Legend* and his sixteen *Twilight Zone* episodes Matheson truly shines in his chilling masterful short stories Since his first story appeared in 1950 virtually every major writer of science fiction horror and fantasy has fallen under his influence including Stephen King Neil Gaiman Peter Straub and Joe Hill as well as filmmakers like Stephen Spielberg and J J Abrams Matheson revolutionized horror by taking it out of Gothic castles and strange cosmos and setting it in the darkened streets and suburbs we recognize as our own He infused tales of the fantastic and supernormal with dark explorations of human nature delving deep into the universal dread of feeling alone and threatened in a dangerous world *The Best of Richard Matheson* brings together his greatest hits as chosen by Victor LaValle an expert on horror fiction and one of its brightest talents marking the first major overview of Matheson's legendary career Matheson is the author who influenced me most as a writer Stephen King Richard Matheson's ironic and iconic imagination created seminal science fiction stories For me he is in the same category as Bradbury and Asimov Steven Spielberg He was a giant and YOU KNOW HIS STORIES even if you think you don't Neil Gaiman For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators
