Some betrayals are nectar, not poison. 11-year-old Prisha didn't know what to mourn for her father's sudden death or his betrayal that forced the helpless family to move to a remote township. Life takes further twists and turns when, during her final year of college, she meets a freshman girl who closely resembles her in appearance, which makes Prisha believe that her father did have a secret family before his death. This angers Prisha, and she harbours extreme hatred for her dead father. As years pass by, Prisha encounters a peculiar twist of fate just a few days before her wedding, and everything she holds on to and considers going well in her life goes kaput. She meets someone who reveals a spine-chilling truth about her father that fills her with guilt. What exactly is the dark secret that her late father had hidden from her? The book has been appreciated worldwide and is accepted in Genesee District Library, Michigan, USA. [Mummy's Boy](#) JA Andrews, 2020-04-01

Amazing! I was absolutely blown away. Twists and turns and so much suspense. Reader Review: No one can love a son like his mother. Patricia Mullner is trapped in a nightmare; no parent should ever experience. Three years ago, 17-year-old son Andrew vanished without trace. There was no note, no goodbye, and no body has ever been found, and now her days are spent in a fog of heartache and alcohol, crying to husband Thomas about their lost boy. But Patricia is more than just a grieving mother, and as Andrew's disappearance starts to unravel the perfect family she's built with Thomas, it seems that the actions of her past may be back to haunt her. Because someone is watching from the shadows, someone who knows exactly what Patricia is hiding. Someone who will stop at nothing to take revenge and might just hold the key to Andrew's disappearance. An absolutely gripping psychological thriller with a shocking twist in the tale. Readers of *My Lovely Wife* KL Slater and *B A Paris* will not be able to put this one down. Readers can't get enough of *Mummy's Boy*. Wow! Started and finished this in several hours as it was such a compelling storyline. Fantastic storyline, loved the ending. Highly recommended. WOW! Me, My Mother, My Life Ayomide Adeniyola,2012 Me My Mother My life is a poetic journey through the trials of a young woman who longed to break free of the burden of an oppressive family legacy Beautifully narrated the author unblinkingly examines her life experiences telling her story in a way that only one who has deeply experienced life love and God could portray Born in London to Nigerian parents Ayomide spent her childhood and young adulthood in the country of her parent s origin where life for this young British girl was to be grabbed by both hands with spirit good humour and great resolve When she returned to England her faith in God led her on an odyssey to heal the generational issues with which she had long been faced Beyond its value as a beautifully constructed and gripping memoir this book leads the readers into their own private journey of reflection on their personal relationships containing the wisdom of emotional and spiritual healing as well as personal growth Not for the faint hearted Me My Mother My Life will deepen your understanding of life love and the value of forgiveness A well written personal tale of a woman s trials of the spirit and her passage to healing Kirkus Adeniyola writes well and is a sensitive observer the trajectory of her life from her student days in Nigeria to her professional life in England is genuinely interesting Her writing is informed by her Christian faith but not in a way that puts off more secular readers BlueInk Culture clash meets generation gap in this memoir by Ayomide Adeniyola Adeniyola s memoir remains compelling because of the strong family bond that comes through no matter how contentious the conversation With Me My Mother My Life Adeniyola uncovers the basic truth of many family arguments we wouldn t fight so much if we didn t care so deeply ForeWord Clarion
