Matilda Roald

Dahl, 2020-10-13 The classic story from Roald Dahl about an exceptional young girl with extraordinary powers Adapted into a Tony Award winning Broadway musical and a Netflix film Matilda is a sweet exceptional young girl but her parents think she is just a nuisance She expects school to be different but there she has to face Miss Trunchbull a menacing kid hating headmistress When Matilda is attacked by the Trunchbull she suddenly discovers she has a remarkable power with which to fight back It'll take a superhuman genius to give Miss Trunchbull what she deserves and Matilda may be just the one to do it Here is Roald Dahl's original novel of a little girl with extraordinary powers This much loved story has recently been made into a wonderful new musical adapted by Dennis Kelly with music and lyrics by Tim Minchin *Ladies of Magna Carta*

Sharon Bennett Connolly, 2020-05-30 An innovative take on Magna Carta history that examines the impact and influence of women 39 No man shall be taken imprisoned outlawed banished or in any way destroyed nor will we proceed against or prosecute him except by the lawful judgment of his peers or by the law of the land This clause in Magna Carta was in response to the appalling imprisonment and starvation of Matilda de Braose the wife of one of King John's barons Matilda was not the only woman who influenced or was influenced by the 1215 Charter of Liberties now known as Magna Carta Women from many of the great families of England were affected by the far reaching legacy of Magna Carta from their experiences in the civil war and as hostages to calling on its use to protect their property and rights as widows Ladies of Magna Carta looks into the relationships through marriage and blood of the various noble families and how they were affected by the Barons Wars Magna Carta and its aftermath the bonds that were formed and those that were broken Including the royal families of England and Scotland the Marshals the Warennes the Braoses and more Ladies of Magna Carta focuses on the roles played by the women of the great families whose influences and experiences have reached far beyond the thirteenth century **Mapping Black Women's Geographies** Kimberly Blockett, 2024-08-09 Spanning three centuries this book demonstrates a variety of archival practices to tell more expansive stories about Black women It examines the life writing records and ephemera of Black women such as political reformer Sydna E R Francis educators Edmonia Highgate and Lucy F Simms travel writer Nancy Prince poet June Jordan novelist Jesmyn Ward and self liberator Matilda Hawkins Tyler enslaved by her own Jesuit church at St Louis University The contributors use oral histories data visualization and biographical documents and narratives to map these and countless anonymized stories across geographic locations Tracking the voluntary and forced movement of Black women alongside the places and spaces they inhabit gives us richer more contextualized histories The authors probe and answer how these women moved through and beyond systemic barriers and physical dangers while placing themselves at the center of change The stories crystalize the joys horrors quotidian experiences and endurance of marginalized lives Each chapter illustrates ways to build archival and theoretical spaces that

interrogate the many ways that Black women have navigated formidable and dangerous lands This interdisciplinary volume will be of interest to students and researchers of comparative literature gender studies and Black studies The chapters in this book were originally published as a special issue of *Auto Biography Studies*     *The Gambler's Fallacy* Philip Hennings,2023-10-14 In *The Gambler's Fallacy* the author utilizes deep symbolism to reflect on today's society While partaking in a tradition with her friends Matilda uncovers a dark reality that she hopes is just a delusion As she scours her memories she uncovers her own truth A truth nobody would like to know but cannot avoid     *The Arapaho Way* Sara Wiles,2019-10-31 The sun the moon the seasons our Arapaho way of life writes foreworder Jordan Dresser When you look around you see circles everywhere And that includes the lens Sara Wiles uses to capture these intimate moments of our Arapaho journeys In *The Arapaho Way* Wiles returns to Wyoming's Wind River Indian Reservation whose people she so gracefully portrayed in words and photographs in *Arapaho Journeys* 2011 She continues her journey of discovery here photographing the lives of contemporary Northern Arapaho people and listening to their stories that map the many roads to being Arapaho In more than 100 pictures taken over the course of thirty five years and Wiles's accompanying essays the history of individuals and their culture unfold revealing a continuity as well as breaks in the circle Mixing traditional ways with new ideas Catholicism ranching cowboying school learning activism quilting beadwork teaching family life the people of Wind River open a rich world to Wiles and her readers These are people like Helen Cedartree who artfully combines Arapaho ways with the teaching of the mission boarding schools she once attended like the Underwood family who live off the land as gardeners and farmers and value family and hard work above everything and like Ryan Gambler and Fred Armajo whose love of horses and ranching keep them close to home And there are others who have ventured into the non Indian world people like James Large who brings home tenets of Indian activism learned in Denver There are also inevitably visions of violence and loss as *The Arapaho Way* depicts the full life of the Wind River Indian Reservation from the traditional wisdom of the elder to the most forward looking youth from the outer reaches of an ancient culture to the last minute challenges of an ever changing world     **Paul Laurence Dunbar** Gene Andrew Jarrett,2023-10-17 This biography explores the life of Paul Laurence Dunbar 1872 1906 a major nineteenth century American poet and one of the first African American writers to garner international attention and praise in the wake of emancipation While Dunbar is perhaps best known for poems such as *Sympathy* a poem that ends I know why the caged bird sings and *We Wear the Mask* he wrote prolifically in many genres including a newspaper he produced with his friends Orville and Wilbur Wright in their hometown of Dayton Ohio Before his early death he published fourteen books of poetry four collections of short stories and four novels and also collaborated on theatrical productions including the first musical with a full African American cast to appear on Broadway In this book Gene Jarrett traces Dunbar's personal and professional life in the context of the historical currents that shaped the author's development to tell in Jarrett's words the full story of an African American who privately wrestled with the constraints of

America in the Gilded Age but who also sought to express or mitigate this strife through the written and spoken word Jarrett sketches the life and times of Paul Laurence Dunbar in three main parts Against the backdrop of the Civil War Reconstruction and the rise of Jim Crow segregation the first section Broken Home begins with the lives of Joshua and Matilda Paul's parents who were born enslaved and ends with the years leading up to 1893 when Dunbar published his first book Oak and Ivy and befriended Frederick Douglass The second section A True Singer bookends the era when Paul entered his literary prime and became one of the first professional African American writers The final section The Downward Way details his troubled marriage to Alice Dunbar Nelson his illnesses including tuberculosis and alcoholism and his death An epilogue comments on Dunbar's enduring legacy The book includes more than 40 black and white photographs of Dunbar's family friends colleagues and published works

*Magna Carta* David Carpenter, 2015-01-15 David Carpenter deserves to replace Sir James Holt as the standard authority and an unfailingly readable one too Ferdinand Mount TLS An invaluable new commentary Jill Lepore New Yorker With a new commentary by David Carpenter No free man shall be seized or imprisoned or stripped of his rights or possessions or outlawed or exiled or deprived of his standing in any other way nor will we proceed with force against him or send others to do so except by the lawful judgment of his equals or by the law of the land Magna Carta forced on King John in 1215 by rebellion is one of the most famous documents in world history It asserts a fundamental principle that the ruler is subject to the law Alongside a new text and translation of the Charter David Carpenter's commentary draws on new discoveries to give an entirely fresh account of Magna Carta's text origins survival and enforcement showing how it quickly gained a central place in English political life It also uses Magna Carta as a lens through which to view thirteenth century society focusing on women and peasants as well as barons and knights The book is a landmark in Magna Carta studies 2015 is the 800th anniversary of Magna Carta's creation an event which will be marked with exhibitions commemorations and debates in all the countries over whose constitutions and legal assumptions the shadow of Magna Carta hangs

*The Christian Messenger*, 1832 *New York Magazine*, 1989-02-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Norman to Early Plantagenet Consorts Aidan Norrie, Carolyn Harris, J.L. Laynesmith, Danna R. Messer, Elena Woodacre, 2023-05-16 This book examines the emergence of the queen consort in medieval England beginning with the pre Conquest era and ending with death of Margaret of France second wife of Edward I in 1307 Though many of the figures in this volume are well known such as Eleanor of Aquitaine and Eleanor of Castille the chapters here are unique in the equal consideration given to the tenures of the lesser known consorts including Adeliza of Louvain second wife of Henry I Margaret of France wife of Henry the Young

King and even Isabella of Gloucester the first wife of King John These innovative and thematic biographies highlight the evolution of the office of the queen and the visible roles that consorts played which were integral to the creation of the identity of early English monarchy This volume and its companions reveal the changing nature of English consortship from the Norman Conquest to today Les enfances Godefroi Emanuel J. Mickel,1999 This volume of the epic cycle of poems concerning the First Crusade focuses on the birth and early fictional life of the hero Godfrey and his encounter with the Saracen Cornumarant The ten volume Old French Crusade Cycle when completed will represent a large body of epics never before edited critically important both for an understanding of the phenomenon of cyclical composition and an understanding of the problem of the relationship between epic and romance Published in Old French the cycle which dates from the 13th century is both history and fiction romance and epic folklore and reality its sources are both oral and classical and its influence can be seen in translations and versions in Spanish English and German Thus it is of great value to scholars in a wide range of fields including Old French literature Old Spanish literature Medieval German literature Middle English literature folklore history linguistics and music history This third volume edited by Emanuel J Mickel Jr includes two branches Les Enfances Godefroi presents the birth and childhood of Godfrey the future hero of the First Crusade and focuses on the Boulogne Bouillon family This poem includes expanded treatment of Ida and a long episode in England concerning Godfrey s older brother Eustace the future count of Boulogne The other branch the Retour de Cornumarant is a later addition that concerns the Saracen s journey to Europe to assassinate Godfrey before he can lead the crusade As it turns out the journey actually succeeds in promoting the crusading movement New York Magazine ,1989-02-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **A History of Kentucky** William B. Allen,1872 *Lincoln Before Washington* Douglas L. Wilson,1997 The provocative selections in this book address topics as disparate as William H Herndon s informants Lincoln s favorite poem his mysterious broken engagement the text of his debates with Douglas and a previously unknown assault on Peter Cartwright Although Abraham Lincoln s early years have come to be regarded as the wrong end of his life Douglas L Wilson s original and pathbreaking work makes the case that his prepresidential years offer bright prospects for investigation Collectively these essays challenge the general view of Lincoln scholars that William H Herndon Lincoln s law partner is an unreliable source They also provide a fresh look at some of the affinities between Lincoln and Thomas Jefferson Jacket **A Complex Exile** Erin Dej,2020-11-15 Over 235 000 people couch surf stay in emergency shelters or live on the street in Canada every year But lack of housing security is just one barrier faced by people who are homeless As A Complex Exile shows the homelessness sector inadvertently reinforces social

exclusion as well. The very policies, practices, and funding models that exist to house the homeless promote social inclusion and provide mental health care form a homelessness industrial complex. These practices emphasize personal responsibility and individualized responses that ultimately serve to exclude people in subtle and not so subtle ways. Erin DeJ demonstrates that the causes of and responses to homelessness have become largely medicalized, limiting discussion on structural and systemic drivers such as income inequality, discrimination, and housing affordability. *A Complex Exile* goes beyond bio-medical and psychological perspectives on homelessness, mental illness, and addiction to call for a transformation in how we respond to homelessness in Canada.

**Adoptive Families in a Diverse Society** Katarina Wegar, 2006. *Adoptive Families in a Diverse Society* brings together twenty-one prominent scholars to explore the experience, practice, and policy of adoption in North America. While much existing literature tends to stress the potential problems inherent in non-biological kinship, the essays in this volume consider adoptive family life in a broad and balanced context. Bringing new perspectives to the topics of kinship, identity, and belonging, this path-breaking book expands more than our understandings of adoptive family life; it urges us to rethink the limits and possibilities of diversity and assimilation in American society.

**Ghost Scout's Honor** Carey Blankenship-Kramer, 2025-04-01. A thrilling ghostly adventure and a testament to the power that kids have to change the world. Defiance holds power. The Ghost Scouts were created to keep the ghosts of Savannah in line. It's an honor to serve. Evey never wanted anything to do with ghosts, but after best friend Laura dumps her for no reason, Evey wants revenge. To take the student of the year award from her ex-bestie, she'll have to join the Ghost Scouts. She'll be the best Ghost Scout Savannah has ever seen. Only this year, the ghosts seem different. They are angrier than usual, and they seem to be growing in power. No problem. Evey can get to the bottom of why and send all the ghosts back to their cages. But what she uncovers makes her angry, too. What if the ghosts don't deserve to be caged? What if they have every right to be furious?

Women's Contribution to Nineteenth-century American Theatre Miriam López Rodríguez, María Dolores Narbona Carrión, 2004. Esta colección de ensayos muestra los múltiples aspectos de la contribución que hizo la mujer al teatro americano del siglo XIX. En este estudio se enseñan diversos tipos de mujeres y los roles que desempeñan, así como refleja la manera en que Susan Glaspell y Sophie Treadwell ayudaron a dar forma al teatro entre muchas otras que escribieron durante esas tardes.
