Matthew His Mind And His Message:

Matthew : his mind and his message Peter F. Ellis,1974 **Matthew** Peter F. Ellis,1974 **Matthew's Gospel and Judaism in the Late First Century C.E.** Anthony O Ewherido,2006 Following a thorough examination of the structure language and argument of Matthew s discourse on parables Anthony O Ewherido underscores its primary relevance to the ongoing discussion on the social context of Matthew s Gospel The convincing analysis of the textual evidence and study of some social and historical trends in Christianity and Judaism in the post 70 C E era inform Ewherido s conclusion that at the time the Gospel was written to its predominantly Jewish Christian community that community had parted ways with Judaism and stood at an ideologically irreconcilable distance from the synagogue across the street **Jesus and the Gospels** Craig L. Blomberg,2009 This second edition of Jesus and the Gospels prepares readers for an intensive study of Matthew Mark Luke John and the events they narrate Craig Blomberg considers the historical context of the Gospels and sheds light on the confusing interpretations brought forth over the last two centuries The original 1997 book won a Gold Medallion Award from the Evangelical Christian Publishers Association and this updated version factoring in new scholarship debate critical methods and the ongoing quest of the historical Jesus ensures the work will remain a top tool for exploring the life of Christ through the first four books of the New Testament **An Exegetical Bibliography of the New Testament: Matthew and Mark** Günter Wagner,1983 Library has v 1 3 *The Restoration of Messianic Hope* Brian Main,2025-06-25 The New Testament portrays the apostles as placing great emphasis on Jesus resurrection in their preaching and teaching This emphasis is often lacking however in contemporary preaching and teaching If Jesus resurrection is to regain the centrality it held in the apostolic age its significance must be understood In this study Brian Main attempts to understand the significance of Jesus resurrection in the Gospel of Matthew Since Jesus resurrection is the proper conclusion of the story in Matthew it is necessary to understand what the story is that it concludes By analyzing the characters settings plot and point of view in Matthew 1 1 4 11 as well as those in the resurrection narrative 28 1 20 Main and his readers come to grasp the expectations that Matthew s audience develops as that story unfolds As readers understand those expectations they will gain a better appreciation of what was at stake when Jesus experienced opposition and therefore of what was restored and guaranteed by his resurrection **An Asian Introduction to the New Testament** Johnson Thomaskutty,2022-02-15 Understanding and assessing the New Testament writings from Asian viewpoints provides a unique and original outlook for interpretation of the Christian Scriptures To that end An Asian Introduction to the New Testament is the first book of its kind to take full account of the multireligious multiethnic multilingual multicultural and pluralistic contexts in which Asian Christians find themselves Into this already complex world issues of poverty casteism class structure honor and shame aspects colonial realities discrimination against women natural calamities and ecological crises and others add more layers of complexity Perceiving the New Testament in light of these realities enables the reader to see them in a fresh way while

understanding that the Jesus Movement emerged from similar social situations Readers will find able guides in an impressive array of more than twenty scholars from across Asia Working with volume editor Johnson Thomaskutty the authors make a clear case the kernels of Christianity sprouted from Asian roots and we must read the New Testament considering those roots in order to understand it afresh today Acts: An Exegetical Commentary : Volume 1 Craig S. Keener,2012-09-01 Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research This commentary on Acts his magnum opus may be the largest and most thoroughly documented Acts commentary available Useful not only for the study of Acts but also early Christianity this work sets Acts in its first century context In this volume the first of four Keener introduces the book of Acts particularly historical questions related to it and provides detailed exegesis of its opening chapters He utilizes an unparalleled range of ancient sources and offers a wealth of fresh insights This magisterial commentary will be a valuable resource for New Testament professors and students pastors Acts scholars and libraries Teaching the Historical Jesus Zev Garber,2014-11-13 Teaching the Historical Jesus in his Jewish context to students of varied religious backgrounds presents instructors with not only challenges but also opportunities to sustain interfaith dialogue and foster mutual understanding and respect This new collection explores these challenges and opportunities gathering together experiential lessons drawn from teaching Jesus in a wide variety of settings from the public secular two or four year college to the Jesuit university to the Rabbinic school or seminary to the orthodox religious Israeli university A diverse group of Jewish and Christian scholars reflect on their own classroom experiences and explicates crucial issues for teaching Jesus in a way that encourages students at every level to enter into an encounter with the Hebrew Scriptures and the New Testament without paternalism parochialism or prejudice This volume is a valuable resource for instructors and graduate students interested in an interfaith approach in the classroom and provides practical case studies for scholars working on Jewish Christian relations **Covenant of Peace** Willard M. Swartley,2006 One would think that peace a term that occurs as many as one hundred times in the New Testament would enjoy a prominent place in theology and ethics textbooks Yet it is surprisingly absent Willard Swartley s *Covenant of Peace* remedies this deficiency restoring to New Testament theology and ethics the peace that many works have missed In this comprehensive yet accessible book Swartley explicates virtually all of the New Testament relating peace and the associated emphases of love for enemies and reconciliation to core theological themes such as salvation christology and the reign of God No other work in English makes such a contribution Swartley concludes by considering specific practices that lead to peacemaking and their place in our contemporary world Retrieving a historically neglected element in the Christian message *Covenant of Peace* confronts readers anew with the compelling New Testament witness to peace *The Gospel of John : 2 Volumes* Craig S. Keener,2010-03-01 Keener s commentary explores the Jewish and Greco Roman settings of John more deeply than previous works paying special attention to social historical and rhetorical features of the Gospel It cites about 4 000 different

secondary sources and uses over 20 000 references from ancient literature **The Bible in Three Dimensions** David J. A. Clines, Stephen E. Fowl, Stanley E. Porter, 1990-03-01 Forty years of Biblical Studies at Sheffield provide cause for celebration and this book is an excellent expression of it There is a good balance between Old Testament and New Testament There are eighteen essays in the book altogether all highly readable and informative Sheffield is to be congratulated on its forty years on this self provided Festschrift and more generally on its phenomenal contribution to publishing in the biblical field W D Stacey Journal of Theological Studies **Gospel Essays** Mark C. Kiley, 2012-06-28 Is meticulous Matthew also mathematically so Why does Matthew alone in the canon discuss guards at Jesus tomb For popular storytellers in the early church is the serpent of the Garden the unseen catalyst in the murder of John the Baptist Why do almost three dozen words beginning with the Hebrew letter ayin have analogues in Luke s infancy narratives Why do Mary s meditations there cohere with Psalm 19 John s Jesus describes himself as Way Truth and Life Does this bear any relation to the single Latin term veritas St Ignatius of Antioch in his letter to the Ephesians talks about the song of the Body of Christ and people as strung instruments Does John know that idea What does the Roman legend of the emergence of bees from the carcass of a slain ox have to do with the early church In these close readings of the Gospels the reader will rediscover the fascination of listening to some of the original resonance of the New Testament text with Hebrew Greek and Latin culture Attentive to detail and persistent in asking questions about the larger picture this scholarship fulfills the promise inherent in research **Mission Possible** Julie C. Ma, 2005 **Mark's Argumentative Jesus** Caurie Beaver, 2018-05-22 The author claims that the gospel of Mark is a speech or sermon To prove this he shows how Mark used many of the elements of Aristotle s rhetoric Literary critics noticed these rhetorical features in Mark but remained with a literary critical model of that gospel instead of a rhetorical view that the evidence called for They continued to translate the first word of Mark arch as beginning to provide Mark s story of Jesus with a chronological beginning The author translates Mark s first word as guiding principle to provide Mark s persuasive speech or sermon with a logical starting point **Shadows Book One: When Shadows Fall** Tina Pinson, 2008-04-30 As the Civil War rages Rebekah fights to keep her world intact But loss and sorrow has seeped into her heart and mind She sets her sights on Oregon praying this new Eden will allow her a place of peace and a place to put her life and that of her son s back together again She travels to Independence Missouri ready to take the train west but is denied the opportunity to join the train because she is woman alone Matthew battles his way through one fight after another all the while thinking of Rebekah The woman who holds his heart He longs to help her west but fears his biggest battle lies ahead of him Will Rebekah open up her heart to him and allow him to be the one to hold her When the Shadows Fall **Christian Engagements with Judaism** W. D. Davies, 1999-08-01 This volume gathers together studies on various engagements between Judaism and Christianity The author examines such topics as the nature of Judaism canon and Christology Torah and dogma law in Christianity and the promised land in Jewish and Christian tradition The Structure of Matthew's Gospel

David Bauer,2015-01-29 This book addresses a central issue confronting the reader of the Gospel Professor Bauer describes the impasse that has been reached in recent investigation of the structure of Matthew and demonstrates that an appreciation of literary design can provide a way forward After identifying rhetorical features that relate to literary structure he devotes the major part of his book to a systematic examination of such features as they appear in the Gospel in order to gain a fresh insight into the shape of the work This study is valuable both for its comprehensive and judicious review of the question of structure in Matthew s Gospel and for the new direction which it establishes Beginning the Good News Francis J.

Moloney,2006-12-01 Beginning the Good News Francis Moloney provides a narrative critical reading of Mark 1 1 13 Matthew 1 2 Luke 1 2 and John 1 1 18 to illustrate that the readings of the Gospels set up a tension in the reader who learns from the beginning but still cannot rest satisfied The Gospels beginnings promise the reader the great prize of understanding later
