Luke John Mike Yeager,2019-11-25 In the Bible there are four biographies of Jesus written by master storytellers Matthew Mark Luke and John all tell the story of Jesus time on earth from unique perspectives with the goal of convincing every reader that Jesus is good and worth following Over the years though to make it more readable people added things to these biographies also called gospels They broke the biographies up into chapters and added numbers to mark verses and even put the words into columns Again this was to help make these Jesus stories easier to read But to me all of those things can actually make it more difficult to read I don t like the stories of Jesus feeling like a textbook I like the stories of Jesus feeling like stories So I took the stories of Jesus removed those numbers and titles and columns and gave the words breathing room so they can tell the story of Jesus as well as possible Whether it s your first time reading these stories or your hundredth I

hope you get a sense of the power of the story of Jesus and how He s good and loving and worth trusting I hope His story impacts the story you re living
