Traveling with Matthew James W. Hulse, 2021-06-24 The purpose of Traveling with Matthew is to revisit the power of a great story to shape our lives both in church and society Unstoried we lose our way home In a sermonesque style of engaging with our deep concerns and more common questions the author seeks to draw us closer to Matthew We may hear Jesus forwarding the story of Israel as a light to the world We may see Jesus walking among the least of these with a passion for healing and justice We may follow as Jesus takes upon himself the crosses borne by the world and in anguish gathers our cries to God Only then do we walk with the women on those two legs of fear and great joy and live by their message as apostles to the apostles John Donne Perhaps Matthew may rise on our favorites list of Gospels Its demands are challenging but not legalistic Its message is centered in Jesus Christ and related to Israel Written in a first century context of conflict and chaos Jesus in Matthew delivers an urgent call for our lives to matter as blessed by God With hope to endure Matthew offers the presence of God for the harassed and helpless of earth With power as Scripture God with Us Emmanuel continues to encounter the poor in spirit and creates a worldwide community of healing and hope light and joy Deserving of a fresh hearing Matthew is truly good news though not always easy news for our day *The Kingdom of Our Father: Who is God the Father?* Thomas W. Petrisko, 1999-04 Who is God our Heavenly Father Feared by many as an angry vengeful God who because of His wrath should be avoided in favor of Jesus the Eternal Father the Father of All Mankind is somewhat of a mystery to many Christians throughout the world today Enhanced through in depth interviews with visionaries and mystics who have reported intimate conversations with the First Person of the Most Holy Trinity The Kingdom of Our Father

begins to relate to human beings in a new way and a nation takes its first faltering steps A reluctant hero is chosen to lead a group of people who are not sure they want to be led at all We can see ourselves reflected in the strains of the people in conflict with a major power of their day and sometimes with each other This second book of the Bible yields much that may go unnoticed by a cursory reading There are lessons to learn and an absorbing scene to watch the gritty life of Jacob's descendants played out in the arena of ancient Lower Egypt On close inspection we are able to figure out which pharaoh is in power why Moses is sent to tend sheep in the wilderness how Aaron acquired his metallurgy skills and why he used them to cast a golden calf Exodus for Ordinary People highlights many events that may have puzzled us when we've read the book of Exodus before but the answers are there if we look

[The Book of Matt](#) Stephen Jimenez, 2020-05-26 With a New Conclusion by the Author On the night of October 6 1998 twenty one year old Matthew Shepard left a bar with two alleged strangers Aaron McKinney and Russell Henderson Eighteen hours later Matthew was found tied to a log fence on the outskirts of town unconscious and barely alive Overnight a politically expedient myth took the place of important facts By the time Matthew died a few days later his name was synonymous with anti gay hate The Book of Matt first published in 2013 demonstrated that the truth was in fact far more complicated and daunting Stephen Jimenez's account revealed primary documents that had been under seal and gave voice to many with firsthand knowledge of the case

who had not been heard from including members of law enforcement In his Introduction to this updated edition journalist Andrew Sullivan writes No one wanted Steve Jimenez to report this story let alone go back and back to Laramie Wyoming asking awkward questions puzzling over strange discrepancies re interviewing sources seeking a deeper more complex truth about the ghastly killing than America it turned out was prepared to hear It was worse than that actually Not only did no one want to hear more about it but many were incensed that the case was being re examined at all As a gay man Jimenez felt an added moral imperative to tell the story of Matthew s murder honestly and his reporting has been thoroughly corroborated I urge you to read The Book of Matt carefully and skeptically Sullivan writes and to see better how life rarely fits into the neat boxes we want it to inhabit That Matthew Shepard was a meth dealer and meth user says nothing that bad about him and in no way mitigates the hideous brutality of the crime that killed him instead it shows how vulnerable so many are to the drug s escapist lure and its astonishing capacity to heighten sexual pleasure so that it s the only thing you want to live for Shepard was a victim twice over of meth and of a fellow meth user
