look at Latin theology and exegesis before the Nicene Creed was considered the sole standard of orthodoxy. Likely the earliest of Hilary's writings, this commentary has none of the polemic against the Arians that figured so prominently in most of his later works. Nonetheless, there exists in this text an oft-stated concern with those who interpreted the Incarnation as grounds for construing Christ as only a man rather than professing Christ as God and man. Other noteworthy features of the commentary include Hilary's interest in the relation between Law and Gospel and his articulation of a Pauline-based view of justification by faith. In his view, the importance of the Law before the Gospel was indisputable and necessary. For Jews, it was considered the way of redemption. With the advent of Christ, it became an eschatological guide directing all future believers into the grace that comes by faith. Hilary's emphasis on God's righteousness conferred on a helpless race represents a far more pronounced application of Paul's thought than in any previous Latin writer.

Abingdon New Testament Commentaries | Matthew

Donald Senior, 1998. The Abingdon New Testament Commentaries series provides compact critical commentaries on the writings of the New Testament. These commentaries are written with special attention to the needs and interests of theological students, but they will also be useful for students in upper-level college or university settings as well as for pastors and other religious leaders. In addition to providing basic information about the New Testament texts and insights into their meanings, these commentaries are intended to exemplify the tasks and procedures of careful critical biblical exegesis. In this volume, Donald Senior unfolds the meaning of Matthew's Gospel in its original context. The Gospel was written for an early Christian community caught in a moment of profound transition, striving to remain faithful to its Jewish heritage and facing a new and uncertain future in the Gentile world. Building on a lifetime of scholarship on this Gospel, Senior uses an array of methodologies to explore the literary, historical, and theological perspectives of Matthew in context. At the same time, he

provides leads for the contemporary reader to note the interplay between Matthew's Gospel and our own time and place. In the nexus between these two worlds of experiences the message of the Gospel comes alive and takes on new meaning.

The New Cambridge History of the Bible: Volume 4, From 1750 to the Present John Riches, 2015-04-13 This volume examines the Bible's role in the modern world beginning with a treatment of its production and distribution that discusses publishers, printers, text critics and translators and continuing with a presentation of new methods of studying the text that have emerged including historical, literary, social, scientific, feminist, postcolonial, liberal and fundamentalist readings. There is a full discussion of the changes in understandings of and approaches to the Bible in various faith communities. The dissemination of the Bible throughout the globe has also produced a host of new interpretations and this volume provides a comprehensive geographical survey of its reception. In the final chapters the authors offer a thematic overview of the Bible in relation to literature, art, film, science and other disciplines. They demonstrate that in spite of challenges to the Bible's authority in western Europe it remains highly relevant and influential not least in the Americas, Africa and Asia. **Just Follow Jesus** Billy Joseph Stines, 2019-12-18 Who were the men called by Jesus? Among the twelve disciples were two sets of brothers: Peter and Andrew, James and John, and a man named Matthew. If we were selecting individuals to follow Jesus, these men would have never been on our list. But Jesus saw something in them we could never see. Peter, Andrew, James and John made their livelihood fishing in the Sea of Galilee. Matthew collected taxes for the hated Roman empire. Each was an average man just going about his daily business. But Jesus turned their lives upside down by calling to them, saying, "Follow me." Just as his call changed their lives, it can change your life too. Billy Joseph Stines, who served almost forty years at six churches scattered around North and South Carolina, explores why you should listen to the call of Jesus. He also urges readers to stop dismissing those parts of the Bible that do not fit their idea of who God is. Instead of seeking peace through compromise, the goal must be to discover the truth. Jesus Christ. **The Earliest Christian Mission to "all Nations" in the Light of Matthew's Gospel** James LaGrand, 1999 This original work of scholarship clarifies how, in light of Matthew's Gospel, the first Christians understood and claimed Israel's messianic mission to people of every ethnic group immediately after Jesus' death and resurrection. **BOOK JACKET** Title Summary field provided by Blackwell North America, Inc.
