## **Matthew Spirituality For The 80s And 90s:**

*Matthew* Leonard Doohan,1993-01-01      *Matthew* Leonard Doohan,1985      **Exploring the Spirituality of the Gospels** Patrick J. Hartin,2011-05-01 Within each of the four gospels there is a foundational spirit a spirituality of the gospels That is to say each gospel contains rich images and values central to the Vision of the person of Jesus and to the path toward spiritual transformation in his image In this volume Patrick Hartin first looks at each gospel and asks such questions as Who is Jesus and What transformation does this encounter with Jesus invite Hartin then follows with examples of people who have appropriated the transformative power of these particular spiritualities from Saint Antony and Dorothy Day to Saint Augustine and Archbishop Romero Hartin s twofold approach gives us a deeper appreciation for the spiritual dimension of the gospels and helps us to be transformed in Christ by their message and Vision      Matthew Leonard Doohan,2016-08-31 *Matthew A Gospel for a Divided Community* is a work of biblical theology with special interest in spirituality There are very few books available today that approach scripture with the specific interests of spirituality Generally Bible commentaries are exegesis of the text without application or interpretation to real life issues *Matthew* is a work of biblical spirituality In approaching the Gospel of *Matthew* the author deals with all the usual questions of books on the Bible where it was written by whom why when how However in approaching these topics Dr Doohan focuses on the implications for Christians living today For example when he deals with *Matthew* he is not so much interested in historical information as he is in *Matthew* s attitudes and approaches to life which are very relevant and challenging to us today      John Leonard Doohan,2016-08-31 *John A Daring Vision of Faith* delivers a unique understanding of the good news Dr Doohan calls *John* s Gospel a challenging and refreshing foundational document for Christian faith because it calls to a deep mysticism and avoids the clutter of petty laws and power struggles so typical of inauthentic religion *John* s Gospel has always been characterized as coming from the fruits of reflection and deep prayer and it cannot be comprehended unless one enters into a deep mystical state The author aids the reader in entering this spiritual state required to truly know *John* s gospel of Christ      **Pentecostalism in Context** Wonsuk Ma,Robert P. Menzies,2008-01-04 *Pentecostalism in Context* is a collection of essays produced by Pentecostal scholars from North America Europe and Asia The essays produced in their various geographical and cultural contexts reflect the rich diversity that characterizes the Pentecostal movement Biblical theological and missiological issues relevant to the Pentecostal movement are treated The book thus represents a valuable resource for those seeking to understand better the key intellectual currents within this dynamic and influential movement The essays are offered in honor of William Menzies a leading Pentecostal scholar and Chancellor of Asia Pacific Theological Seminary Baguio City Philippines      Mark Leonard Doohan,2016-08-31 *Mark* is one of the most daring figures of the early church but at the same time he is not easily labeled He is the first to assemble the oral traditions about Jesus thereby showing his fidelity and devotion to the past But he is equally forceful in challenging his own church s accumulated traditions especially those he does not see as authentically

representative of the events of Jesus's life and ministry. He respectfully documents the authority of church leaders and still feels free to challenge them. At times it is difficult to know what to make of Mark. One point is clear: no Christian of any time can read this gospel without being challenged by it.

The Corinthian Correspondence Helen Doohan, 2016-08-18. The Corinthian correspondence and the community it reflects are exciting and exasperating, interesting and complex. The letters offer us a window of opportunity to view Paul's personal and pastoral presence in his growing relationship with this church. Struggling with his own history, the history of the community, and the newness of the Gospel he preaches, Paul identifies an approach that balances tradition and innovation, theological foundations and principles of action. The passion, persuasion, and purpose of the apostle permeate these letters, and no one is unaware that the Lord Jesus is the center of his Gospel message and of his life. Paul offers insight into the commitment of early apostles, disciples, and ministers in the Corinthian community. He personally experiences the dying and rising of Christ in his work with this community, giving a ring of truth to his own assessment of Christian life and ministry. Only faith transforms adversity into an opportunity for growth, and Paul's faith and perseverance offer hope to those of us who continue to experience the paradoxes of Christian life and ministry.

Acts of the Apostles Leonard Doohan, 2016-08-31. The author of Acts is a wonderful catechist and pastoral leader, an exciting person who demonstrates a creative responsibility for the faith and approaches critical issues with insight. At a major turning point in the history of early Christianity, Luke interprets Jesus's message for new times and new conditions. Thus, he provides an example for present-day communities to follow in their constant efforts to be faithful while presenting Jesus's message in ways that are relevant to changing times and cultures. Acts is a wonderful book to read for any disciple, but especially for anyone involved in the ongoing renewal of church life today.

Spirituality of the Beatitudes Michael Crosby, 2005-01-01.

**Prayer in the New Testament** Helen Doohan, Leonard Doohan, 2016-10-07. In recent years, Christians have increasingly turned to Scripture to nourish their prayer life. Prayer in the New Testament focuses on biblical prayer, seeing its intimate connection with contemporary spirituality and discovering models in the spiritual leaders of New Testament times. The New Testament writers gave their communities understandings of prayer and its centrality for the person and community of faith. Their

complementary presentations help us catch a glimpse of the richness of prayer for the early community and rediscover its centrality for ourselves

**Paul's Vision of Church** Helen Doohan, 2016-06-03 The church always seeks to renew itself and redefine the dedication to the values that Jesus hoped the church would live and promote This book endeavors to bring vision and challenge to our contemporary efforts to build church by going back to the beginnings of the church and examining the vision and commitment of the Apostle Paul He became involved in a very energetic and often controversial mission to the churches he founded He is an original thinker who allows the message of Jesus to penetrate the social realities of his day Let us observe how he spent his time discover the source of his zeal and energy and appreciate his dynamic and changing understanding of the church community Paul has so much to teach us in our contemporary efforts to understand and energize church

**Traveling with Matthew** James W. Hulse, 2021-06-24 The purpose of Traveling with Matthew is to revisit the power of a great story to shape our lives both in church and society Unstoried we lose our way home In a sermonesque style of engaging with our deep concerns and more common questions

the author seeks to draw us closer to Matthew We may hear Jesus forwarding the story of Israel as a light to the world We may see Jesus walking among the least of these with a passion for healing and justice We may follow as Jesus takes upon himself the crosses borne by the world and in anguish gathers our cries to God Only then do we walk with the women on those two legs of fear and great joy and live by their message as apostles to the apostles John Donne Perhaps Matthew may rise on our favorites list of Gospels Its demands are challenging but not legalistic Its message is centered in Jesus Christ and related to Israel Written in a first century context of conflict and chaos Jesus in Matthew delivers an urgent call for our lives to matter as blessed by God With hope to endure Matthew offers the presence of God for the harassed and helpless of earth With power as Scripture God with Us Emmanuel continues to encounter the poor in spirit and creates a worldwide community of healing and hope light and joy Deserving of a fresh hearing Matthew is truly good news though not always easy news for our day
