Maurice Duplessis Powerbroker Politician:

Maurice Duplessis Marguerite Paulin, 2005-01-01 During his 18 year reign as premier of Quebec Maurice Duplessis dominated the province and shaped it to his image A brilliant orator and a scathing wit Duplessis exercised complete control over his caucus and the Cabinet If he couldn't get a vote he bought it Politics was the fuel that drove his life He died on the job

Legal Ethics and the Attorney General Andrew Flavelle Martin, 2025-02-28 In Canada the Attorney General holds a complex and unique role within the federal provincial and territorial governments Despite this key position there is relatively little knowledge and understanding of the role and professional responsibilities of the Attorney General among the public the media policymakers and politicians including at least some Attorney Generals themselves Legal Ethics and the Attorney General adopts a doctrinal approach to examine and explain how legal ethics and particularly the law of lawyering applies to the Attorney General The book illustrates that while the role of the Attorney General is unique the individual occupying this position practises law and should be held to the same standards as any other lawyer It addresses common misconceptions that the Attorney General is not truly a lawyer that actions deemed wrongful for other lawyers may not be considered wrongful for the Attorney General or that the accountability measures appropriate for lawyers do not apply to the Attorney General Ultimately Legal Ethics and the Attorney General reveals the importance of the accountability of the Attorney General especially to the provincial and territorial law societies that serve as regulators of the legal profession This accountability is essential not only for upholding the rule of law but also for enabling these societies to fulfil their statutory mandates to regulate the legal profession in the public interest

From Left to Right Brian T. Thorn, 2016-07-22 In From Left to Right Brian Thorn explores what motivated Canadian women to become politically engaged in the 1940s and 50s Although women in these decades are often depicted as being trapped in the suburbs caring for children baking pies and leaving politics to men they joined diverse political parties including the Social Credit Party the Co-operative Commonwealth Federation and the Communist Party of Canada Thorn argues controversially that while women on the left and right had different goals their activism continued to be informed by maternalism They used their roles as wives and mothers to influence their parties positions on war and unions to break down barriers between the private and public spheres and to push for a new world order Along the way they laid the foundations for the 1960s feminist movement

Flavelle Martin Tom Mitchell Nick Noonan Bryan P Schwartz and Darcy L MacPherson **Constitutional Culture, Independence, and Rights** Javier Garcia Oliva, Helen Hall, 2023-05-26 In *Constitutional Culture Independence and Rights* Javier Garcia Oliva and Helen Hall coin the term constitutional culture to encapsulate the collective rules and expectations that govern the collective life within a jurisdiction Significantly these shared norms have both legal and social elements including matters as diverse as standards of parenting the modus operandi of police officers and taboos around sexuality Using Quebec Scotland and Catalonia as case studies the book delves into what these constitutional battles mean for the rights identity and needs of everyday people and it powerfully demonstrates why the hypothetical future independence of these regions would have far reaching practical consequences beyond the realm of political structures and academic theory The book does not present a magic bullet to resolve debates around independence this is not its purpose and the text in fact demonstrates why there is no objectively optimal approach in any or all contexts Instead it seeks to shed light on aspects of these situations often overlooked in discussions around the fate of nations and it addresses what the consequences of constitutional paradigm shifts might be for individuals Constitutional culture is a complex web of interconnected understandings and behaviours and the vibrations from shaking or cutting a fundamental strand will be felt throughout the structure Canadian Cultural Poesis Garry Sherbert, Annie G  rin, Sheila Petty, 2006-02-03 How do we make culture and how does culture make us *Canadian Cultural Poesis* takes a comprehensive approach toward Canadian culture from a variety of provocative perspectives Centred on the notion of culture as social identity it offers original essays on cultural issues of urgent concern to Canadians gender technology cultural ethnicity and regionalism From a broad range of disciplines contributors consider these issues in the contexts of media individual and national identity language and cultural dissent Providing an excellent introduction to current debates in Canadian culture *Canadian Cultural Poesis* will appeal not only to readers looking for an overview of Canadian culture but also to those interested in cultural studies and interdisciplinarity as well as scholars in film art literature sociology communication and womens studies This book offers new insights into how we make and are made by Canadian culture each essay contributing to this poetics inventing new ways to welcome cultural differences of all kinds to the Canadian cultural community **Canadian Book Review Annual** , 2007 Conrad and Lady Black: Dancing on the Edge (Text Only) Tom Bower, 2012-06-28 The riveting tale of how the wannabe aristocrat Conrad Black and his social mountaineering wife Barbara gulled their way into the City the Tory party Wall Street and High Society This new paperback edition will be fully updated to include details of Black's high profile trial for corporate fraud sure to claim international attention **Canadian Political Bundle** Arthur Slade, Roderick Stewart, Margaret Macpherson, Marguerite Paulin, Ged Martin, Ray Argyle, Julie H.
