Drake, 2005-04-05 A companion volume to Drake's *Intellectuals and Politics in Post War France* 2002 *French Intellectuals from the Dreyfus Affair to the Occupation* traces the political positions adopted by French writers and artists from the end of the 19th century to the Liberation Drawing on a wide range of primary and secondary sources it offers a clear and accessible analysis of the intellectuals engagement with nationalism pacifism communism anti communism surrealism fascism and anti fascism which is located within the evolving national and international context of the period

The Reflex, 1928 **The Magician Murders** Josh Lanyon, 2018-03-31 Nothing up his sleeves Nothing but murder Jason West hot shot special agent with the FBI's Art Crime Team is at the Wyoming home of Behavioral Analysis Unit Chief Sam Kennedy recuperating from a recent hit and run accident when he's asked to consult on the theft of a priceless collection of vintage magic posters But before Jason can say presto change o the owner of the art collection turns up murdered in a National Forest When the dead man is revealed to be the Kubla Khanjurer a much hated part time magician accused of revealing the highly guarded secrets of professional illusionists it seems clear this is a simple revenge killing until Jason realizes an earlier suspicious death at the trendy magic club Top Hat White Rabbit might be part of the same larger and more sinister pattern

Parricide and Violence Against Parents throughout History Marianna Muravyeva, Raisa Maria Toivo, 2017-10-16 This book combines the approaches of history and criminology to study parricide and non fatal violence against parents from across traditional period and geographical boundaries encompassing research on Asia as well as Europe and North America Parricide and non fatal violence against parents are rare but significant forms of family violence They have been perceived to be a recent phenomenon related to bad parenting and child abuse often in poorer socioeconomic circumstances yet they have a history which provides insights for modern day explanation and intervention Research on violence against parents has concentrated on child abuse and mental illness but by using a rich array of primary and secondary documents such as court cases criminal statistics newspaper reports and legal and medical literature this

book shows that violence against parents is also shaped by conflicts related to parental authority the rise of children s rights conflicting economic and emotional expectations and other sociohistorical factors *To-day*, 1897 *A History of Murder* Petrus Cornelis Spierenburg, 2008-08-25 This book offers a fascinating and insightful overview of seven centuries of murder in Europe It tells the story of the changing face of violence and documents the long term decline in the incidence of homicide From medieval vendettas to stylised duels from the crime passionel of the modern period right up to recent public anxieties about serial killings and underworld assassinations the book offers a richly illustrated account of murder s metamorphoses In this original and compelling contribution Spierenburg sheds new light on several important themes He looks for example at the transformation of homicide from a private matter followed by revenge or reconciliation into a public crime always subject to state intervention Combining statistical data with a cultural approach he demonstrates the crucial role gender played in the spiritualisation of male honour and the subsequent reduction of male on male aggression as well as offering a comparative view of how different social classes practised and reacted to violence This authoritative study will be of great value to students and scholars of the history of crime and violence criminology and the sociology of violence At a time when murder rates are rising and public fears about violent crime are escalating this book will also interest the general reader intrigued by how our relationship with murder reached this point **The Jewish Book of Days** Cecil Roth, 1966

Anarchism and the Avant-Garde, 2019-11-04 Anarchism and the Avant Garde Radical Arts and Politics in Perspective contributes to the continuing debate on the encounter of the classical anarchisms 1860s 1940s and the artistic and literary avant gardes of the same period probing its dimensions and limits Case studies on Dadaism decadence fauvism neo impressionism symbolism and various anarchisms explore the influence anarchism had on the avant gardes and reflect on avant garde tendencies within anarchism This volume also explores the divergence of anarchism and the avant gardes It offers a rich examination of politics and arts and it complements an ongoing discourse with theoretical tools to better assess the aesthetic social and political cross pollination that took place between the avant gardes and the anarchists in Europe
