◆ DAILY READINGS ◆
WITH THE CHRISTIAN MYSTICS

A row of eight leaves is positioned horizontally across the lower half of the cover. The leaves exhibit a color gradient from left to right: the first three are dark red, the next three are a mix of red and green, and the last one is solid green. Nearer To The Heart Of God Daily Readings From The Christian Mystics:

Everyday Divine Mary DeTurris Poust, 2014-05-14 Many people today are looking for opportunities to bring the spiritual into their everyday lives in non traditional ways Their days are so busy they can't imagine how they can fit in time to kneel or sit in prayer on a regular basis As a result they fly from one activity to the next at breakneck speed always looking forward to some nonexistent time in the future when things will slow down long enough to allow them to breathe center themselves and pray *Everyday Divine* A Catholic Guide to Active Spirituality helps busy readers explore different ways to achieve a place of stillness and peace while remaining very much in the world In fact the day to day activities of life become the pathway to prayer even the prayer itself Drawing on Catholic tradition from the Desert Fathers and Mothers to ancient monastics to modern day saints and sages *Everyday Divine* looks at how we can adapt these ancient practices for modern times quoting holy men and women on various methods and offering practical instructions and suggestions to help people put them into practice Readers learn how to find spiritual peace while immersed in everyday activities such as Housework and chores Workouts and exercise Cooking eating and fasting Listening to music Traveling and making pilgrimages Living among the noise of daily life The book also includes personal stories from the author and others and will weave in practices from specific spiritualities such as Franciscan Benedictine and Trappist to show how these practices fit into the bigger Catholic picture

Entering the Castle Caroline Myss, 2007-03-06 Internationally renowned motivational teacher spiritual instructor and popular theologian Caroline Myss has created a transcendent work of unique insight and revelation in *Entering the Castle* This exciting new teaching of contemporary mysticism is also a brilliant synthesis of the psychology of consciousness and of Eastern and Western mystical traditions Myss provides a highly original inner path to self knowledge which is also the road into a spiritual knowledge of God and your own soul as she reveals a necessary external path one that takes you out into the world to serve God and others as a mystic without a monastery without having to retreat into total silence self denial or isolation As her main template for this extraordinary modern spiritual journey Myss uses the beloved revered writings of *The Interior Castle* by Teresa of Avila Adapting Teresa's vision of the soul as a beautiful crystal castle with many floors or mansions and many rooms within those mansions Myss guides us from room to room helping us meet different aspects of our self our soul and our spirit preparing us for the ultimate encounter with God and our own divinity Through intense practices and methods of spiritual inquiry adapted for contemporary life she helps us to develop our personal powers of prayer contemplation and intuition and to ascend the seven levels of soul knowledge that build an ever stronger interior castle of our own a soul of strength and stamina As in all her books Myss also recounts stories of profoundly moving real life experiences of her own as well as of her students and of renowned spiritual figures that bring home the universal truth of her insights Presiding over the entire book and journey are the great mystics ancient and contemporary of Christianity Judaism Islam and Hinduism with their inspiring lives and discerning spirits And over all the benevolence truth and gentle and tough

love of Teresa of Avila shine through Doubtless Myss's most deeply personal revealing compassionate and transforming book yet *Entering the Castle* is a comprehensive guidebook for the journey of your life a journey into the center of your soul There peace God and a fearless bliss wait for you to discover them and claim them for your own *A Given Life* Jean McAllister,2017-03-28 Pivoting upon her ten year stay as a missionary in Rwanda in this memoir McAllister reflects deeply on her experiences of redemption and transformation *A Given Life* The Encouragement of Grace is intensely personal incorporating the author's insights about cross cultural Christian service and how God brought inner healing while strengthening and stretching her faith With the stated purpose of encouraging readers the author shares hard won wisdom gained over eighty years emphasizing God's role in rescuing her and giving her a new life a given life **Living the Lord's Prayer** Albert Haase OFM,2010-02-04 In this book Father Albert Haase follows the lines of the Lord's Prayer showing how the ideas have been understood by great people of faith including Francis of Assisi Martin Luther Thérèse of Lisieux and others and revealing how God can use this ancient prayer to transform your very soul and teach you to walk in the way of a true disciple of Christ **The Essential Guide to Catholic Prayer and the Mass** Mary DeTurrís Poust,2011-03-01 The Vatican approved guide to opening up new connections to God Today more and more Catholics are looking to explore their spirituality in new ways by trying meditation or contemplation seeking to adapt monastic traditions to modern life or seeking a deeper connection to Jesus through the Eucharist giving rise to the growing popularity of Adoration The Essential Guide to Catholic Prayer and the Mass offers Catholics a way to explore prayer styles they may have never before considered and non Catholics or fringe Catholics a look into a world that can sometimes seem mysterious or intimidating Through Mass scripture ancient rituals the examples of the saints the lives of holy men and women in the world today and more Catholics of every mindset can find a style of prayer to suit them One of the first books with a detailed explanation and instructions on how to follow the new translation of Mass as prepared by the Catholic Church Includes an imprimatur a seal of approval from Paul G. Bootkoski Bishop of Metuchen Perfect for cradle convert and revert Catholics as well as people from other faiths students and teachers *Inside The School Of Charity* Trisha Day,2010-01-01 In 2003 Trisha Day spent three months living inside the enclosure of Our Lady of the Mississippi Abbey a community of twenty Cistercian nuns Although she had long been monastic associate she was startled by the unexpected challenges and insights that emerged as the weeks went by and began a process of profound reflection on her experience Now drawing on her journals and reflections and on her own experience as a professional woman wife daughter and mother she delves into the questions of how the centuries old wisdom of monastic life can challenge inspire and guide those living outside the monastery Organized around topics such as prayer community and the vows each of Day's reflections begins with memories of her monastic experience and then presents a perceptive and often humorous critique of the contrasting values of our present culture For each topic she chronicles with honesty and humility her subsequent struggles to apply back home the alternative approaches learned from the sisters she lived with and

offers a wealth of practical suggestions Filled with stories from her own life and fascinating details of daily life in the monastery her book is sure to strike a spark with all those seeking to live in a fully human and Christ centered way **A Little Daily Wisdom: Christian Women Mystics** Carmen Acevedo Butcher,2008-03-01 Remember kind actions more than anything else cause the soul to shine with brilliance Gertrude the Great Discover the strength wisdom and joyful faith of Christianity s legendary women the medieval mystics Their honesty and deep love for God will encourage and empower you every day of the year This book of daily readings will help you create quiet space for focusing on God s love in the midst of a busy life As you spend time with these great women you will discover an astonishing view of a God who is tender nurturing forgiving and as close as breath In these pages the images of the spiritual life are the erotic ones of the feminine experience They are the stuff of very physically present women who loved their Lord with a ferocity and passion that could be reported only in those experiences of the flesh Phyllis Tickle *The ^ANight Offices* Phyllis Tickle,2006-11-13 Phyllis Tickle s inspirational trilogy *The Divine Hours*™ was the first major literary and liturgical reworking of the sixth century Benedictine Rule of fixed hour prayer an age old discipline of saying prayers at certain times of the day This highly regarded trilogy has become one of America s best loved and most frequently consulted manuals for observing this ancient form of Christian worship Now in *The Night Offices* Tickle offers the perfect complement to *The Divine Hours*™ bringing together prayers psalms hymn texts religious poetry and other readings not included in the original trilogy covering the offices for the hours from late evening Compline to early morning Prime Fans of the *Divine Hours*™ will recognize Tickle s simple elegant format her use of a modern calendar rather than a liturgical one and the single ribbon in the binding to track one s progress through the year As in the trilogy Tickle makes primary use of the Book of Common Prayer and the writings of the Church Fathers and she draws all the scriptural readings from the Revised Standard Version The book includes a set of Matins Lauds and Prime specific to each day of the week and varied only by month Thus the Monday reading for January would be used every Monday in January but Monday in February would have new offices for it The cumulative total being 84 Matins 84 Lauds and 84 Prime 252 offices fits neatly into a single nightstand edition a small compact book that can be comfortably held in the hand Easy to use poetically rich with a superb sampling of devotional works *The Night Offices* will be welcomed by a broad readership Christian and non Christian alike **Butler's Lives of the Saints** Bernard Bangley,2005 There is no greater authority on the saints than Alban Butler and his enormous research has been the standard reference on the subject for the last two and a half centuries This new adaptation of Butler s multi volume *Lives of the Saints* presents a modernized text for today s reader and provides an illuminating guide to these historic symbolic and foundational Christian men and women Butler s daily readings from the lives and works of the saints offer readers of all backgrounds the opportunity to engage directly with these great figures Butler s distinctive contribution to stories about saints was to turn attention away from the superhuman miraculous themes that are prevalent in earlier works He gives us saints who are examples of Christian living

who provide inspiration for our own lives in every time and circumstance As Butler writes They were once what we are now travelers on earth They had the same weaknesses we have We have difficulties so had the saints Important features of this version include mention of recently canonized saints as well as those whose path to official sainthood is still in progress Also included in the daily readings are more obscure saints whose lives and contributions to Christianity should not be forgotten
